The financial statements comprise the statements of net assets available for benefits (in liquidation) as of July 7, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits (in liquidation) for the period from January 1, 2023 through July 7, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of July 7, 2023 and December 31, 2022, and for the period from January 1, 2023 through July 7, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Emphasis of Matter - Terminating Plan and Liquidation Basis of Accounting*

As further discussed in Note 1 to the financial statements, the Plan's sponsor signed a written consent in May 2022 to terminate the Plan and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting to the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan's internal control. Accordingly, no such opinion are expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Lost Boys Interactive, LLC 401(k) Retirement Plan

### Notes to Financial Statements July 7, 2023 and December 31, 2022

#### Note 1 - Description of Plan

The following description of the Lost Boys Interactive, LLC 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### **General**

Lost Boys Interactive, LLC (the "Company" or "Employer") established the Plan on January 1, 2020. The Plan is a defined contribution plan available to the Company's employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Internal Revenue Code ("IRC"). The financial statements have been prepared in accordance with ERISA.

The Plan is administered by the Company and the Plan's assets are held in trust pursuant to a trust agreement with the Company and the Plan's trustee. The trustee of the Plan is Charles Schwab Trust Bank (the "Trustee"). See Note 7.

##### **Basis of accounting**

Management of the Plan approved a plan of liquidation in May 2022, at which time management determined liquidation was imminent. As a result, the Plan changed its basis of accounting to the liquidation basis of accounting in accordance with GAAP used in presenting the financial statements. The basis of accounting is considered appropriate when liquidation of the Plan is imminent and the net realizable values of assets are reasonably determinable. Under the liquidation basis of accounting, assets are valued at their net realizable values and liabilities are stated at their estimated settlement amounts. The net realizable value of assets and the estimated settlement amounts of liabilities in liquidation available for benefits are not expected to be significantly different from their fair values.

##### **Plan termination and liquidation**

In May 2022, Plan management decided to terminate the Plan. Final distributions were made on July 7, 2023 based on all participants being 100% vested in their participant accounts.

##### **Eligibility**

Employees become eligible for participation after three months of eligible service and at least 1,000 hours of service. The Plan excludes any union employees, part-time, temporary or seasonal employees and non-resident aliens. There is no age requirement. Participants may enter the Plan on the first day of each month following attainment of all eligibility requirements. The Plan was frozen for the period from January 1, 2023 through July 7, 2023 and no new participants were enrolled into the plan.

##### **Contributions**

The Plan is funded through employee elective deferrals and Company contributions. Employee elective deferrals are subject to maximum limitations imposed by the IRC. Participants may also make rollover contributions representing distributions from other qualified defined contribution plans, subject to maximum limitations imposed by the IRC. Employees who are eligible to make elective deferrals under the Plan and who have attained the age of 50 before the close of the Plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC.

## **Lost Boys Interactive, LLC 401(k) Retirement Plan**

### **Notes to Financial Statements July 7, 2023 and December 31, 2022**

The Plan was designed to qualify as a safe harbor plan. Safe harbor matching contributions were made to all eligible participants, whether participating on the Plan or not, in an amount equal to 3% of a participant's eligible compensation.

The Plan was frozen for the period from January 1, 2023 through July 7, 2023 and no employee or employer contributions were remitted into the plan.

The Plan also allows for employer discretionary contributions in amounts to be determined by the Company, limited to 6% of participant's eligible compensation. There were no employer discretionary contributions granted for the Plan for the period from January 1, 2023 through July 7, 2023.

#### **Participant accounts**

Each participant's account is credited with the participant's contributions and allocation of the Employer's contributions, if any, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their contributions and any Employer safe harbor matching and/or discretionary contributions, plus actual earnings thereon.

#### **Notes receivable from participants**

Notes receivable from participants are not permitted by the Plan.

#### **Payment of benefits**

The benefit a participant is entitled to equals the value of the participant's vested interest in his or her account. Upon death, disability, or retirement, a participant may elect to receive a lump-sum payment amount equal to the participant's account balance. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Employer has the option to require terminated participants with vested account balances less than \$5,000 to take distribution unless a rollover is requested by the participant. The Employer has the option to require terminated participants with vested account balances greater than \$200 to make a rollover distribution to a qualified retirement account. All remaining participant account balances in the Plan on July 7, 2023 were rolled over into an individual IRA on behalf of the participant subject to the provisions of the Plan termination.

### **Note 2 - Summary of accounting policies**

#### **Use of estimates**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

#### **Investment valuation and income recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies

utilizing information provided by the investment advisers, custodians and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period from January 1, 2023 through July 7, 2023.

#### **Payment of benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

#### **Subsequent events**

The Plan has evaluated subsequent events through November 14, 2024, the date the financial statements were available to be issued.

### **Note 3 - Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") issued Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## Lost Boys Interactive, LLC 401(k) Retirement Plan

### Notes to Financial Statements July 7, 2023 and December 31, 2022

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 7, 2023 and December 31, 2022.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective trust fund:* Valued at the NAV of units of a bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of July 7, 2023 and December 31, 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2023 (in Liquidation)			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value (a)	-	-	-	-
Total investments at fair value	\$ -	\$ -	\$ -	\$ -
	2022 (in Liquidation)			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 891,402	\$ -	\$ -	\$ 891,402
Investments measured at net asset value (a)	-	-	-	35,330
Total investments at fair value	\$ 891,402	\$ -	\$ -	\$ 926,732

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

## Lost Boys Interactive, LLC 401(k) Retirement Plan

### Notes to Financial Statements July 7, 2023 and December 31, 2022

#### Fair value of investments in entities that use NAV

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of July 7, 2023 and December 31, 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

July 7, 2023				
	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Common/collective trusts	\$ -	None	Daily	12 months

December 31, 2022				
	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Common/collective trusts	\$ 35,330	None	Daily	12 months

#### Note 4 - Related party transactions and party-in-interest transactions

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. Certain Plan investments are investments managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions.

#### Note 5 - Tax status

The prototype plan document, which the Plan has adopted via a non-standardized adoption agreement, obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan itself has not received a determination letter from the IRS, management believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### Note 6 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment

securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **Note 7 - Certified investments**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at July 7, 2023 and December 31, 2022, and investment income (loss) for the period from January 1, 2023 through July 7, 2023, that are disclosed in the accompanying financial statements, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan.
