INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Manati Medical Center Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Manati Medical Center Retirement Plan, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The accompanying Schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary

information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MANATI MEDICAL CENTER RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

1. DESCRIPTION OF THE PLAN

The following brief description of the Manati Medical Center Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

Plan Description – The Plan is a defined contributions plan covering all employees of Dorado Health, Inc. (the "Company" and the "Plan Sponsor"), who have completed 1 year of service and are at least 21 years old. The Plan was established on November 22, 1999 and started on January 1, 2000. Effective February 20, 2020 the Plan was amended to transfer the Plan from the Pension Administrators Group, Inc. Defined Contribution Retirement Plan Program with an effective date of March 1, 2018 to Oriental Pensions Consultants, Inc. Prototype Defined Contribution Retirement Plan. It is subject to the provisions of ERISA and Section 1081.01 of the Puerto Rico Internal Revenue Code.

Effective September 21, 2022, and pursuant to Corporate Resolution of August 4, 2022, the Plan adopted the Hospital Hermanos Melendez Retirement Plan to provide retirement benefits for its employees and transferred all assign participant account balances to the Plan.

The total assets transferred from Hermanos Melendez Retirement Plan to the Plan amounted to \$1,083,905 at December 31, 2022. Such amount is disclosed as transfer-in in the accompanying statement of changes in net assets available for benefits. The remaining amount to complete the transfer in was received on October 31, 2023 for a total of \$57,604 and \$2,991 in interest.

Contributions – Each year, participants may elect to contribute pre-tax annual compensation, as defined in the Plan, up to the maximum amount in accordance with the provisions of the Puerto Rico Income Tax Code (\$15,000 for the years ended December 31, 2023 and 2022). Such contributions are excluded from the participant's taxable income for income tax purposes until received as a withdrawal or distribution from the Plan.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain Puerto Rico law limitations.

The amount of Company's matching contributions is based on a discretionary formula determined by the Company for each Plan year. Profit sharing Company's contributions are also permitted totally discretionary on the part of the Company. Contributions are subject to certain limits. Base compensation for contribution calculation purposes represent compensation paid for services rendered within fiscal year (twelve-month period ended December 31) or from the effective date that employee became a participant to December 31, if employee became a participant within the current fiscal year and shall not include overtime, commissions, or bonuses.

MANATI MEDICAL CENTER RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

On September 1, 2022 the Company began matching employee contributions in the amount of \$0.25 for each dollar contributed, up to 4% of compensation, based on a discretionary formula determined by the Company for each Plan year.

Participant Accounts and Forfeitures – Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contribution, allocations of the Company's matching contribution and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on the proportion of the participant's contributions to total contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. When certain terminations of participation in the Plan occur, the portion of a participant account not vested at the date of his termination of employment is forfeited immediately. The Plan document permits the use of forfeitures to either reduce future employer contributions or Plan administrative expenses for the plan year. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$9,620 and \$8,037, respectively.

Vesting – Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after 3 years of credited service. Participants shall be fully vested, without regards to the aforementioned limitations, after becoming eligible for normal retirement, early retirement, incurring a disability prior to termination, death or Plan termination.

Hardship Withdrawals – Under certain circumstances, as defined by the Plan, and pursuant to Puerto Rico tax regulations, participants, while still employed by the Company, are permitted to withdraw, in a single sum, the employee contribution portion of their account balance. These conditions include un-reimbursed medical expenses, the purchase of principal residence, payment of postsecondary tuition for a dependent or to prevent eviction or foreclosure on a principal residence. A participant's right to contribute to the Plan will be suspended for twelve (12) consecutive months after the hardship withdrawal.

Plan Expenses and Administration – Since January 1, 2023, National Professional Planning Group, INC., "NPPG", former (Oriental Pension Consultants ("Oriental")), serves as plan administrators and trustee and American Trust Custody, former (Mid Atlantic Trust Company ("Mid Atlantic")), serves as custodian and investment advisors for the Plan.

The Plan Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. The Plan Sponsor has established a committee to discharge the administration and fiduciary duties under the Plan.

**MANATI MEDICAL CENTER RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Administrative expenses are borne by the Plan and by the Plan Sponsor. Custodian, recordkeeping and investment advisory fees are paid by the Plan. During the years ended December 31, 2023 and 2022, administrative expenses charged to the Plan amounted to \$75,993 and \$40,465. Other costs for administering the Plan such as audit, legal advice, use of other specialists, among other charges are borne by the Plan Sponsor.

Investment Options – Upon enrollment in the Plan, a participant may direct the investment of their contributions into various investment options offered by the Plan and may change investments and transfer amounts between funds daily. The Plan currently offers funds with registered investment companies as investment options for participants. Contributions to a participant account that has not chosen an investment option are invested in default portfolios based on estimated target retirement date.

Payment of Benefits – Upon termination of service with the Company, including termination of service due to death, disability, or retirement, a participant or his/her beneficiary may elect to receive a lump-sum amount or installment payments for the value of the participant's vested interest in his or her account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan's financial statements are prepared on the accrual basis of accounting. A summary of the most significant accounting policies used by the Plan follows:

Use of Estimates in the Preparation of Financial Statements – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would receive to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 3 to the additional disclosure related to fair value measurements.

The Plan investment returns includes interest income, realized gains and losses on sale of investments and unrealized appreciation or depreciation of investments. The financial statements reflect the net appreciation or depreciation in the fair value of the Plan's investments. This net appreciation or depreciation consists of realized gains and losses calculated as the difference between proceeds from a sales transaction and cost, and unrealized gains and losses calculated as the change in the fair value between beginning of the year (or purchase date if later) and the end of the year.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits – Benefit payments to participants are recorded upon distribution.

Transfer of Assets from/to Other Plans – Terminated employees or retirees may transfer their savings from/to other plans qualified by the Puerto Rico Treasury Department (the “PRTD”).

3. FAIR VALUE MEASUREMENTS

The FASB’s authoritative guidance on Fair Value Measurement and Disclosures, establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this guidance are described below:

<i>Level 1</i>	Inputs to the valuation methodology are obtained quoted prices for identical assets of liabilities in active market that the Plan has the ability to access.
<i>Level 2</i>	Inputs to the valuation methodology include: • Quoted prices for identical or similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
<i>Level 3</i>	Inputs to this valuation methodology are based on unobservable data and are significant to the fair value measurements.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

MANATI MEDICAL CENTER RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022:

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1.

Money Market Fund – It is stated at amortized cost, which approximates fair value. The Money Market Fund's net assets value ("NAV") is maintained at \$1 per unit and the units are redeemable at NAV on a daily basis. Due to the short-term nature in which shares can be redeemed at NAV, the NAV is considered a fair approximation of an observable exit price. The Plan's investment in the fund has been classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2023 and 2022:

	Investments at Fair Value as determined by Quoted Prices in Active Markets (Level 1)	Investments at Fair Value as determined by Other Observable Inputs (Level 2)	Total

4. INFORMATION CERTIFIED BY THE CUSTODIAN

Oriental Pension Consultants, the trustee for the Plan has provided a certification to the Plan Administrator as to the completeness and accuracy of the following financial data included in the financial statements and the supplemental schedule as of December 31, 2023 and 2022, and for the years then ended:

- All investments and corresponding fair values
- Transfers in/out
- Net depreciation or appreciation in fair value of investments
- Interest income and dividends
- Reportable transactions
- Number of shares

5. TAX STATUS

The Plan obtained a determination letter dated March 31, 2021, in which the Department of Treasury of the Commonwealth of Puerto Rico (the "Department") stated that they don't have objection to the participation in the Oriental Pensions Consultants, Inc. Prototype Defined Contribution Retirement Plan Program effective February 1, 2020. The Plan established is entitled to exemption under the provisions of Section 1081.01 of the Puerto Rico Income Taxes Code of 2011, as amended.

In Puerto Rico, the tax laws permit examination of the Plan Sponsors' income tax returns for up to four years after the initial return is filed. The tax years of the Plan Sponsors with respect to the Plan that remain open for examination are 2019 and 2023.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor have the right under the Plan to reduce, suspend or discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan terminates, the interest of each participating employee in the Plan shall be fully vested and such termination shall not reduce the interest of any participating employee, or their beneficiaries accrued under the Plan up to the date of such termination.

7. RISK AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and level of uncertainty related to changes in the values of investments, it is possible that changes in market values in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits. Individual participants' accounts bear the risk of loss resulting from fluctuations in fund values.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

8. PARTY-IN-INTEREST

Certain Plan investments consists of funds administered by an affiliate of Oriental Bank, the Plan's custodian, record keeper, and trustee and therefore, these transactions qualify as allowable party-in-interest transactions.

9. NON-DISCRIMINATION TESTS

During the years ended December 31, 2023 and 2022, the Plan failed the non-discrimination test required by Section 1081.01 of the Puerto Rico Internal Revenue Code. The Plan Sponsor elected to reimburse to a highly compensated employee an excess deferral made during the years ended December 31, 2023 and 2022, amounting to \$7,521 and \$4,367, respectively. Excess deferrals are recorded as a liability in the accompanying December 31, 2023 and 2022, statements of net assets available for benefits.
