INDEPENDENT AUDITORS' REPORT

To the Participants, Administrators and Trustee
of The SEER Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The SEER Group 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefit, modified-cash basis (a basis of accounting other than U.S. Generally Accepted Accounting Principles) as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits, modified-cash basis, for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The SEER Group 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The SEER Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management's election of the ERISA section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The SEER Group 401(k) Plan's ability to continue as a going concern for foreseeable future.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The SEER Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The SEER Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In Our Opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Contributions

Contributions made by participants are made either on a before-tax or after-tax basis. For before-tax contributions Federal income taxes on the earnings of the investments are deferred until amounts are withdrawn from the Plan. The earnings on after-tax contributions accumulate tax free. The amount deferred, however, shall not exceed the limit under appropriate Sections of the Internal Revenue Code during any calendar year as set forth in the Plan. After becoming eligible, participants may elect to contribute any percentage greater than 1% of their gross wages to the Plan up to the limits set in Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has default investment alternatives established under the Plan. These default investments will be made in accordance with specific rules under which the fiduciaries of the Plan, including the Employer, the Trustee, and the Administrator, will be relieved of any legal liability for any losses resulting from the default investments. For employees who have attained eligibility, the Company will make a Safe Harbor match of 100% of employee contributions up to 4% of compensation.

The Company may make a discretionary contribution to the Plan. After the employee has met eligibility requirements for the Plan, if the Company makes a discretionary contribution to the Plan, the eligible participant's share of the discretionary contribution will equal the percentage of the participant's gross compensation in proportion to the total gross compensation of all eligible Plan participants times the total discretionary contribution. The Company made no discretionary contributions to the Plan for the years ended December 31, 2023 and 2022, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company's matching contributions, as well as allocations of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferrals and Safe Harbor match of deferrals plus investment earning on vested amounts. For employer match made prior to December 2012 and all discretionary employer contributions, if any, participants are vested according to the following schedule:

<u>Length of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Forfeitures

Under the terms of the Plan, forfeited balances of participant's non-vested accounts can be used to reduce future employer contributions or pay Plan expenses. At December 31, 2023 and 2022 no forfeitures were available for plan expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes are collateralized by the participant's account balance and must generally be repaid over a maximum period of five years, fifteen years if for the purchase of a primary residence. The interest rate on the note is 1% above the prime rate. The maximum number of notes that a participant may have at one time is limited to one. There are not penalties for early repayment. Participant notes are carried at the unpaid principal amount of the note, which approximates fair value. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant notes are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution or installments. The Plan allows for in-service distributions if a participant reaches age 59 ½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, participants can elect to receive a lump-sum distribution or roll over their vested balance to an individual retirement account or another qualified plan. If no election is made by the participant, balances may be automatically rolled over to an individual retirement account or an individual retirement annuity as designated by the Administrator.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. In accordance with the modified cash basis of accounting, all accounts are presented on the cash basis with the exception of investments, which are stated at fair value.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2023 AND 2022**

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Concluded)

Investment Valuation and Income Recognition

The Plan's various investment options in mutual funds are held in registered investment accounts (mutual funds) and the Morley Stable Value Fund (common collective trust). These accounts are credited with earnings on the underlying investments and charged for Plan withdrawals. The fair value of the Plan's investment in mutual funds is determined by the value of the funds in the market at year end. Shares of the mutual funds are valued at fair value as measured by the quoted market prices, which represents the net asset value of shares held by the Plan at year-end.

The plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the fair value of its investments which consists of realized gains or losses and unrealized appreciation (depreciation) on Plan investments.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan may be paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through November 22, 2024, the date the financial statements were available to be issued.

Significant Plan Amendments During the Period

Effective April 28, 2023, the name of the Plan was updated to "The SEER Group 401(k) Plan" from "Consolidated 401(k) Company Profit Sharing Plan".

Late Remittances

As stated in Supplemental Schedule H, Line 4a – Schedule of Delinquent Contributions to the Plan, there were approximately \$45,000 of late remittances corrected subsequently to the audit date and approximately \$89,000 of late remittances corrected during the 2023 audit period. The Plan is seeking out ERISA legal counsel to ensure reporting and compliance requirements are met regarding the late remittances.

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN

The Plan administrator elected the method of compliance permitted by 29 U.S. Code of Federal Regulations (CFR) 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Security Act of 1974 (ERISA, the Act), Section 103(a)(3)(c). Under this provision of the Act, certain information is certified by an insurance company and need not be subject to independent audit.

The Plan administrator has obtained certification from the Custodian the following information furnished by the Custodian and included in the Plan's financial statements and supplemental schedule is complete and accurate for the year ended December 31:

	<u>2023</u>	<u>2022</u>
Total Investments (at fair value)	<u>\$ 44,064,668</u>	<u>\$ 34,999,662</u>
Net (depreciation) appreciation in fair value of investments	<u>\$ 4,749,658</u>	<u>\$ (7,545,906)</u>
Dividends	<u>\$ 1,223,996</u>	<u>\$ 1,429,777</u>

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

SEER GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2023 AND 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Valued at the NAV of unites of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2023	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 41,708,384	\$ -	\$ -	\$ 41,708,384
Common collective trust	-	2,356,284	-	2,356,284
Investments at Fair Value	<u>\$ 41,708,384</u>	<u>\$ 2,356,284</u>	<u>\$ -</u>	<u>\$ 44,064,668</u>

2022	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 32,807,092	\$ -	\$ -	\$ 32,807,092
Common collective trust	-	2,192,570	-	2,192,570
Investments at Fair Value	<u>\$ 32,807,092</u>	<u>\$ 2,192,570</u>	<u>\$ -</u>	<u>\$ 34,999,662</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation in fair value of investments. The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023, there were no transfers of investments into or out of Level 3.

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are in funds managed by Chares Schwab Trust Company, the custodian of the Plan; therefore, these transactions qualify as party in interest transactions. Certain employees of the Plan sponsor serve as trustees of the Plan. Also, certain administrative functions are performed by employees of the Plan sponsor. No such employee receives compensation from the Plan. An unrelated entity serves as the third-party administrator. Advisors and suppliers to the Plan are considered parties-in-interest under ERISA.

NOTE 6 – TAX STATUS

The Plan is placing reliance on an opinion letter received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

SEER GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2023 AND 2022

NOTE 6 – TAX STATUS (Concluded)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022, to Form 5500:

Accrued liabilities	-	-
Net assets available for benefits per the Form 5500	<u>\$ 44,568,710</u>	<u>\$ 35,444,863</u>

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2023, to Form 5500:
