INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
403(b) Thrift Plan of the Community Action Organization of Western New York, Inc.
Buffalo, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of the Community Action Organization of Western New York, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator
403(b) Thrift Plan of the Community Action Organization of Western New York, Inc.
Buffalo, New York

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

To the Plan Administrator
403(b) Thrift Plan of the Community Action Organization of Western New York, Inc.
Buffalo, New York

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by or certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF PLAN:

The following description of the 403(b) Thrift Plan of the Community Action Organization of Western New York, Inc. provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan was established on May 1, 2004, and is sponsored by the Community Action Organization of Western New York, Inc. (the Organization). The Plan is a contributory defined contribution plan which covers substantially all employees of the Organization. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

ELIGIBILITY

Employees become eligible to participate in the Plan immediately following employment. Employees become eligible to participate in base and matching contributions from the Organization upon attainment of 21 years of age and completion of 1,000 hours during a 12-month period following the participant's date of hire. Employees are automatically enrolled in the Plan at the time they become eligible, unless they submit a signed form to opt out of participation.

CONTRIBUTIONS

Contributions to the Plan are made by the participants through salary reductions and by the Organization through base and matching contributions. Participants are automatically enrolled at 4% of compensation and then increased by 1% every year until 9% is reached, or may elect to contribute a specific percentage of their compensation, subject to certain limitations under Section 403(b) and 415 of the Internal Revenue Code. Participants who are age 50 and over are able to elect to contribute an additional amount as a catch-up contribution allowed under Section 414(v). Base contributions to the Plan are made by the Organization in an amount equal to 3% of participant compensation. Matching contributions to the Plan are made by the Organization in an amount equal to 25% of the participant's compensation reduction up to a maximum match of 1% of the participant's compensation.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of the Plan earnings and charged with an allocation of Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in their contributions and actual earnings thereon.

Notes to Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF PLAN, continued:

PLAN LOANS

Plan loans are issued as separate contracts by Mutual of America Life Insurance Company (MoA) as contemplated under IRS section 72(p)(5) and do not represent Plan assets. Such loans are subject to certain limitations. Applicants receiving such loans are required to pledge as collateral general interest account value of 120% of the loan amount for the period of time it is outstanding and are limited to the lesser of \$50,000 or 50%, of their vested account balance. Loan balances outstanding from MoA to the plan participants were \$75,979 and \$28,820 as of December 31, 2023 and 2022, respectively. As such, general interest accounts as of December 31, 2023 and 2022, include collateral for related loans, which are included in cash and cash equivalents in the accompanying statements of net assets available for benefits. They bear interest at 4%. Principal and interest are paid monthly or quarterly as the agreement specifies.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or obtaining age 59 1/2 participants may request lump-sum cash distributions from their retirement account. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for hardship purposes.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of MoA general account which is completely liquid and allows for withdraws to be made at any time. This balance, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

403(b) THRIFT PLAN OF THE COMMUNITY ACTION ORGANIZATION OF WESTERN NEW YORK, INC.

Notes to Financial Statements

December 31, 2023 and 2022

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

In 2023 and 2022, the necessary expenses to administer the Plan were paid primarily by the Organization. Expenses paid by the Plan included participant charges. Investment related expenses are included in net appreciation / (depreciation) in fair value of investments in the accompanying statements of changes in net assets available for benefits. These transactions are allowable party-in-interest transactions.

3. INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, MoA, a qualified institution, has certified the completeness and accuracy of all cash, cash equivalents, and investments reflected on the accompanying statements of net assets available for benefits, the supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year), and the related investment activity reflected in the statements of changes in net assets available for benefits.

403(b) THRIFT PLAN OF THE COMMUNITY ACTION ORGANIZATION OF WESTERN NEW YORK, INC.

Notes to Financial Statements

December 31, 2023 and 2022

4. **FAIR VALUE MEASUREMENTS:**

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

As of December 31, 2023 and 2022, all fair value assets were separate accounts and measured using Level 2 inputs.

Level 2 Fair Value Measurements

Separate accounts are invested in mutual funds. The underlying investments are generally valued using market quotations obtained from independent pricing services.

5. **PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. **TAX STATUS:**

The Plan has adopted a prototype plan document sponsored by MoA. The prototype plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Plan has not received a determination letter from the IRS; however the Plan administrator and the Plan's counsel believe that the Plan is designed, in compliance with the applicable requirements of the Internal Revenue Code.

An operational failure was identified wherein certain participants did not receive an automatic increase in salary deferrals in accordance with the plan document. The Organization is making corrective contributions in the amount of \$24,149 during 2024 to bring the Plan into compliance with its plan document. The Plan administrator and Plan's counsel, therefore, believe that the Plan will remain qualified.

7. **PARTIES-IN-INTEREST:**

Certain investments of the Plan are separate accounts managed by MoA. MoA performs recordkeeping services for the Plan; therefore, these transactions qualify as party-in-interest transactions. Direct fees paid by the Plan for recordkeeping services amounted to approximately \$6,400 and \$12,900 for the years ended December 31, 2023 and 2022, respectively.

8. **SUBSEQUENT EVENTS:**

Subsequent events have been evaluated through November 27, 2024, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
