INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
the RPT Realty, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the RPT Realty, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of April 12, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period January 1, 2024 to April 12, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of April 12, 2024 and December 31, 2023, and for the period January 1, 2024 to April 12, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

To the Participants and Plan Administrator of
the RPT Realty, Inc. 401(k) Plan
Page Three

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RPT REALTY, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
April 12, 2024 and December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the RPT Realty, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan was a defined contribution profit sharing plan and trust with a qualified cash or deferred 401(k) arrangement covering all eligible employees of RPT Realty, Inc. (the “Company”) who were age 21 or older. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Fidelity Management Trust Company was the Plan’s trustee. Fidelity Workplace Services LLC provided recordkeeping services to the Plan. The plan administrator had overall responsibility for the operation and administration of the Plan. Plan management determined the appropriateness of the Plan’s investment offerings and monitored investment performance.

Effective April 12, 2024, the Plan merged into the Kimco Realty Corporation 401(k) Plan. Plan assets in the amount of \$10,628,408 were transferred from the RPT Realty, Inc. 401(k) Plan into the Kimco Realty Corporation 401(k) Plan.

The Setting Every Community Up for Retirement Enhancement Act 2.0 of 2022 (the SECURE Act 2.0) was signed into law December 29, 2022. This law, among other things, includes several required and optional provisions that will impact employee benefit plans that go into effect at various times through 2027. The provisions that were required to be implemented during the period January 1, 2024 to April 12, 2024 are; 1) the re-characterization of catch-up contributions to Roth contributions for participants with FICA wages over \$145,000, 2) the removal of the requirement for RMDs from Roth accounts and allowing surviving spouse to use the decreased participant’s age to determine RMD requirements, and 3) the extension of the correction period for employee deferral failures. The optional provisions that could be implemented of or after December 31, 2023 are; 1) allowing employer matching contributions to be made based on the combination of employee deferrals and qualified student loan payments, 2) allowing participants to self-certify to request distributions for unforeseeable or immediate financial needs for necessary personal or family emergency expenses, 3) offering in-plan emergency savings accounts, 4) increasing the cash-out balance from \$5,000 to \$7,000, and 5) allowing participants who are domestic abuse victims to self-certify their status and request a distribution.

Effective January 1, 2024, the Plan implemented the optional provision of the SECURE Act 2.0 related to the increase of the cash-out balance from \$5,000 to \$7,000.

NOTES TO FINANCIAL STATEMENTS
April 12, 2024 and December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Amendment

Effective January 2, 2024, the Plan was amended to freeze the Plan and temporarily suspend all contributions under the Plan. The amendment also changed vesting for participants who were terminated after January 2, 2024 to be 100% vested immediately in all contribution sources, including the employer contribution portion of their accounts.

Contributions

Each year, participants could contribute up to 75% of eligible compensation, as defined in the Plan, and designate those contributions as either pre-tax or Roth. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 5% of eligible compensation and their contributions invested in a designated fund until changed by the participant. In addition, the Plan had a contribution accelerator feature which automatically increased participant deferral rates 1% annually, with a ceiling of 10%, unless a participant opted out. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company's matching contributions were discretionary and determined as a percentage of participant elected deferrals. There were no employer matching contributions for the period January 1, 2024 to April 12, 2024.

Discretionary profit-sharing contributions were determined annually by the Company. Profit sharing contributions were allocated to each participant based upon the ratio of the participant's compensation to the total compensation of the Company. There were no profit-sharing contributions for the period January 1, 2024 to April 12, 2024.

Contributions were subject to certain IRS limits. Participants directed the investment of their contributions, including their employer contribution, into various investment options offered by the Plan.

Participant Accounts

Each participant's account was credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contributions and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
April 12, 2024 and December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants were vested immediately in their contributions plus earnings thereon. Participants who were terminated after January 2, 2024 were vested immediately in the employer contribution portion of their accounts. For participants who were terminated on or before January 2, 2024, vesting in the employer contribution portion of their accounts was based on years of service. After one year of service, a participant became 1/3 vested in employer contributions in the Plan; the vesting increased by 1/3 each year. A participant was 100% vested after three years of credited service, or upon reaching plan retirement age of sixty-five, death, or disability.

Notes Receivable from Participants

Participants were able to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans were secured by the balance in the participant's account. The loan interest rates were based on local prevailing rates as determined by the plan administrator. Principal and interest were paid ratably through payroll deductions.

Payment of Vested Benefits

On termination of service, participants were able to elect to receive an amount equal to the value of the vested interest in their accounts in a lump-sum amount, depending on the size of the participant's account balance at the time of termination. Participants with a vested account balance of less than \$5,000 were required to take a lump-sum distribution. The account of a participant with a vested account balance between \$1,000 and \$5,000 who did not request a distribution were rolled into an individual retirement account in the participant's name.

In-service distributions were allowed when a participant reached age 59½. Rollover contributions were able to be withdrawn at any time. The Company was able to authorize certain withdrawals from a participant's account in the event of proven financial hardship. Hardship withdrawals were subject to specific statutory and regulatory requirements.

Forfeited Accounts

As of April 12, 2024, there were no forfeited nonvested accounts. As of December 31, 2023, forfeited nonvested accounts totaled \$6,021. These accounts could be used to pay plan expenses or reduce employer contributions. During the period January 1, 2024 to April 12, 2024, forfeited nonvested accounts in the amount of \$23 were used to pay plan expenses and \$13,387 were transferred to the Kimco Realty Corporation 401(k) Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America required management to make estimates and assumptions that affected the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determined the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the employer were recorded in the year in which the employee contributions were withheld from compensation. No allowance for credit losses has been recorded as of April 12, 2024 and December 31, 2023.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they are incurred.

Payments of Benefits

Benefits were recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company were excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments to participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net appreciation of fair value of investments. Personnel and facilities of the Company were used by the Plan for its accounting and other activities at no charge to the Plan.

Subsequent Events

The plan sponsor has performed a review of events subsequent to the statements of net assets available for benefits date through November 14, 2024, the date the financial statements were available to be issued and has determined that there are no material events that have occurred during this period.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at April 12, 2024 and December 31, 2023, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the period January 1, 2024 to April 12, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

RPT REALTY, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
April 12, 2024 and December 31, 2023

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023:

Money market fund: Valued at the daily closing price as reported by the fund. The money market fund is an open-end fund that is registered with the Securities and Exchange Commission (SEC). This fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund is deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the SEC. These funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2023:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 3,834	\$ -	\$ -	\$ 3,834
Mutual funds	13,772,380	-	-	13,772,380
Total assets in the fair value hierarchy	13,776,214	-	-	13,776,214
Investments measured at net asset value ^(a)	-	-	-	391,274
Total assets at fair value	<u>\$ 13,776,214</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,167,488</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023.

	Estimated Fair Value at December 31, 2023	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common Collective Trust - Managed Income Portfolio II	<u>\$ 391,274</u>	Daily	12 months

NOTE 5 – PARTY IN INTEREST TRANSACTIONS

The Plan allowed for transactions with certain parties who may have performed services or had fiduciary responsibilities to the Plan, including the Company. During the period January 1, 2024 to April 12, 2024, there were direct fees of \$24,767 paid to Fidelity Investments Institutional and Cerity Partners Retirement Plan, parties-in-interest, as defined in Section 3(14) of ERISA. During the period January 1, 2024 to April 12, 2024, there were transactions involving the investment of plan assets in investment funds maintained by Fidelity Management Trust Company, a party-in-interest as defined in Section 3(14) of ERISA. Indirect fees paid by the Plan for investment management services are included in the net appreciation of the fair value of investments.

NOTE 6 – TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualified under IRC Section 401(a). The Plan had not received a determination letter specific to the Plan itself; however, the plan administrator and the Plan’s tax counsel believed that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

The Plan is subject to examination by the Internal Revenue Service for the statutory period.
