Independent Auditors' Report

To the Participants and Plan Administrator of
Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have audited the financial statements of Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Transfer In from Affiliated Plan

As discussed in Note 1 to the financial statements, effective January 1, 2021, assets of the TriNet 401(k) Plan were transferred into the Plan for the employees of Cascade Orthopedic Supply, Inc. Our opinion is not modified with respect to this matter.

Emphasis of Matter - Basis of Accounting

As discussed in Note 2 to the financial statements, which describes the basis of accounting. In 2021, the Company adopted a policy of preparing its financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The financial statements for 2020 presented for comparison are the same as originally issued because U.S. GAAP would not have changed them materially. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, Line 4(a) - Delinquent Participant Contributions, as of or for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated May 5, 2023, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

Otto Bock Healthcare LP Profit Sharing and Retirement Savings Plan (the Plan) is a defined contribution plan established by Otto Bock HealthCare North America, Inc. (the Company) to provide benefits to substantially all employees of Otto Bock Healthcare North America, Inc. and affiliated service groups who meet certain eligibility requirements. The following description of the Plan provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is sponsored by Otto Bock HealthCare North America, Inc. (the Company or the Plan Sponsor or the Plan Administrator). The Plan is a voluntary defined contribution plan covering substantially all eligible employees of the Company and its affiliates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company established the Plan effective October 1, 1988. Reliance Trust Company served as Custodian (Custodian) and Empower Retirement Services (formerly Mass Mutual Life Insurance Company) served as recordkeeper (Recordkeeper) as of December 31, 2020, and for the period from January 1, 2021 to October 31, 2021. Effective November 1, 2021, the Plan was amended and restated as a result in the change of service providers to Fidelity Management Trust Company (Trustee) and Fidelity Workplace Services (Recordkeeper). Fidelity Workplace Services LLC, acting as the Recordkeeper, executes investment transactions for the Plan. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Effective January 1, 2021, the Company transferred the assets of TriNet 401(k) Plan for the employees of Cascade Orthopedic Supply, Inc. Assets totaling \$5,278,602 were transferred into the Plan as of March 2, 2021 and are recorded on the accompanying Statement of Changes in Net Assets Available for Benefits as a transfer in from affiliated plan. The Plan has been amended to include prior employment services for both eligibility and vesting purposes for all former participants of the affiliated plan.

Eligibility and Participant Accounts

The Plan allows employees to become eligible to participate in the Plan on the first day of the month following their month of hire. Each participant's account is credited with the participant's voluntary contributions and an allocation of plan earnings or losses and charge with certain administrative expenses.

Contributions

The Plan is funded through employee elective deferrals, Roth contributions, and rollover contributions. Participants may elect to contribute 1% to 85% of their annual compensation, as defined, to the Plan on a tax deferred basis up to the maximum amount established by the Internal Revenue Service (IRS). For pre-tax contributions being withheld from the participant's compensation, the percentage the participant defers is subject to an annual statutory limit as permitted by the Internal Revenue Code of 1986 (IRC) (\$19,500 for 2021). The Plan also allows for Roth contributions subject to the same IRC limitations. Participants who are 50 years old or older by the last day of the plan year can make additional annual catch-up contributions over the base statutory limit (\$6,500 for 2021). Participants may rollover amounts representing distributions from other qualified defined benefit or contributions plans, as defined in the plan agreement. All rollover contributions are always fully vested and are subject to investment gains and losses.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated a balanced fund until changed by the participant. Automatically enrolled participants will have their deferral rate increase by 1% on January 1 until their deferral rate reaches 10%.

The Company contributes 50% of the first 7% of eligible compensation that a participant contributes to the Plan as a discretionary matching contribution. Additional profit sharing amounts may be contributed at the option of the Plan Administrative Committee. For the year ended December 31, 2021, there were no profit sharing contributions to the Plan. Contributions are subject to certain IRS limitations.

Vesting

Participants are immediately vested in elective deferrals, rollover contributions and Company nonelective contributions. A participant is 20% vested in Company discretionary matching contributions after one year of credited service and continues to vest in increments of 20% until 100% vested after five years of credited service.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company contributions, and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their account balance a minimum of \$1,000 up to a maximum 50% of his or her vested account balance or \$50,000. Note terms range from one to five years or, in the case of a note to acquire or construct the primary residence of a participant, a period not to exceed 10 years. All notes will provide for a fixed rate of interest as determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for notes under similar circumstances. Repayments are made through payroll deductions and are reinvested in the individual funds according to the current investment allocations of the participant. Notes receivable from participants as of December 31, 2021, have interest rates ranging from 4.25% to 6.50% with maturities from January 2022 through April 2031. Notes receivable from participants as of December 31, 2020, have interest rates ranging from 4.25% to 6.50% with maturities from August 2021 through February 2026.

Payment of Benefits and Hardship Withdrawals

Participants withdrawing during the year for reasons of termination of service or disability, retirement or death are entitled to their vested account balance. Benefits are distributed in the form of lump sum, single distributions, installment payments or direct rollover into another qualified plan or individual retirement account (IRA). Forfeited balances of participants' Company nonelective accounts shall be used for plan related expenses for which the Company is responsible or to reduce Company contributions.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

A participant may receive a hardship distribution of their salary reduction contributions if the distribution is on account of medical expenses incurred by the participant or their spouse or dependents, to purchase (excluding mortgage payments) a principal residence of the participant, to prevent eviction from or foreclosure on a participant's principal residence, for the payment of post-secondary tuition expenses, to make payments for burial or funeral expenses of the participant's deceased parent, spouse, child or dependent or to pay expenses for the repair of damage to their principal residence that would qualify for the casualty deduction under Section 165 of the IRC, or any other financial need determined to be immediate and heavy under rules and regulations issued by the Secretary of the Treasury.

Participants may elect to withdraw their vested account balance after they reach the Plan's normal retirement age, 59 $\frac{1}{2}$, or delay it until the participant retires. Notwithstanding to the above, by law certain contributions including employee deferral, and Company nonelective contributions cannot be withdrawn prior to age 59 $\frac{1}{2}$.

Terminated participant balances are reviewed annually. Those with a balance between \$1,000 and \$5,000 will be rolled over into an individual retirement account designated by the Plan Administrator. Those with a balance less than \$1,000 will be "cashed out" as an involuntary lump sum payment.

Forfeitures

As of December 31, 2021 and 2020, unallocated forfeited nonvested accounts totaled \$123,045 and \$32,877, respectively. These amounts are reported as a component of net assets available for benefits and may be used to reduce future Company contributions or to pay administrative expenses. In 2021, forfeitures in the amount of \$18,252 were used to reduce Company contributions.

Revenue Sharing

The Plan has a revenue sharing account, which is funded by the Trustee. Revenue sharing accounts are used to pay administrative expenses or are reallocated to participant accounts. Revenue sharing funds available for future use totaled \$26,629 as of December 31, 2021. For the year ended December 31, 2021, no revenue sharing funds were used to pay administrative expenses or reallocated to participant accounts.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivables from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts and the plan assets will be distributed in accordance with the provisions of the Plan.

Notes to Financial Statements

December 31, 2021 and 2020

Coronavirus Aid, Relief, and Economic Security Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. This aid package was designed to help the economy from the effects of the coronavirus pandemic, several of the provisions of CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. During 2020, the Plan opted into the following provisions of the CARES Act:

- Hardship distributions - Qualified plan participants were permitted to take a coronavirus-related distribution of up to \$100,000 from the Plan without a 10% early withdrawal penalty. Eligible distributions were permitted to be taken up until December 30, 2020. Distributions may be repaid within three years or a participant may elect these distributions to be included in taxable income on a pro rata basis over three years.
- Participant loans - Qualified plan participants with loans outstanding were permitted to defer payment on the loans that were due during 2020 to after January 1, 2021.
- Participant loans - Qualified plan participants may have borrowed up to \$100,000 during 2020 (an increase from \$50,000 previously permitted), these repayments may be delayed to 2021.
- Required minimum distributions (RMDs) - A temporary waiver of required minimum distributions rules permitted participants to suspend their RMDs for 2020 for participants that turned 70 ½ in 2019 and 72 in 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared on the modified cash basis of accounting as of and for the year end December 31, 2020. The financial statements of the Plan are prepared on the accrual basis of accounting as of and for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The 2020 statements presented for comparison are the same as originally issued because U.S. GAAP would not have changed them materially.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon terms of the plan document or note policy of the Plan. Notes receivable are valued at amortized cost, which approximates fair value. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements
December 31, 2021 and 2020

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully-benefit responsive investment contracts which are reported at contract value - see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in the fair value of investments, includes the gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market fund is valued at the cost of \$1 per unit, which represents the quoted net asset value (NAV) of shares held by the Plan at year-end.

Mutual funds of registered investment companies are valued at quoted market prices which represent the NAV of shares held by the Plan at year-end.

Common collective trusts valued at the net asset value of shares held by the Plan at year-end, as determined by the Trustee. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This net asset value is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trusts, the Trustee reserves the right to temporarily delay withdrawals from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; even so, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

Notes to Financial Statements

December 31, 2021 and 2020

4. Information Certified by Custodian and Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA for 2021. Accordingly, Reliance Trust Company, the former Custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2020, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2021 through November 8, 2021. Fidelity Management Trust Company, the Trustee, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021, the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period from November 9, 2021 to December 31, 2021.

5. Guaranteed Investment Contract

The Plan maintains a fully benefit-responsive guaranteed investment contract issued by Great-West Life & Annuity Insurance Company. There are no reserves against contract value forced it risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are continuously reviewed and reset as needed on a quarterly basis. There is a surrender charge that may be charged based on a cumulative transfer percentages and advance notice of intent to terminate if a plan terminates its interest in the contract unless a 12-month irrevocable advance notice is given. Certain unobservable inputs a reassessed through review of contract terms (ex: duration or payout date) while others are substantiated utilizing available market data (ex: swap curve rate).

Certain events might limit the ability of the Plan to transact at contract value with the issuer. These events may be different under each contract.

Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer that also would limit the ability of the Plan to transact at contract value with the participants.

6. Tax Status

The Plan was based on a volume submitter profit sharing plan developed by Great-West Trust Company, LLC, which received a favorable advisory letter dated March 31, 2014, from the IRS stating that the volume submitter profit sharing plan constituted a qualified plan under Section 401 of the IRC. Effective November 1, 2021, the Plan is based on a nonstandardized pre-approved profit sharing plan with CODA developed by FMR LLC, which received a favorable advisory letter dated June 30, 2020, from the IRS stating that the nonstandardized pre-approved profit sharing plan with CODA constitutes a qualified plan under Section 401 of the IRC. The Plan Administrator believes the Plan, as adopted and amended, is operating within the guidelines of the IRC and continues to be tax exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

Notes to Financial Statements

December 31, 2021 and 2020

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021 and 2020:

Less 2021 Company contributions receivable	(78,473)
	<u> </u>
Net increase in net assets available for benefits per Form 5500	<u>\$ 7,293,317</u>

8. Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, concentrations, market and credit risks. Market risks include global events, such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2021 and 2020, the Plan had investments of \$15,023,838 and \$6,541,050 concentrated in two and one fund, respectively.

Notes to Financial Statements

December 31, 2021 and 2020

9. Delinquent Participant Contributions

During 2021, 2020, and 2019, The Company did not remit certain participant contributions and loan repayments to the Plan on a timely basis as defined by the DOL's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions, totaled \$109,690, \$22,919, and \$8,117, respectively. The Plan is in the process of correcting late remittances outside the DOL Voluntary Fiduciary Correction Program (VFCP).

10. Excess Contributions Payable

The Plan failed the discrimination tests for the years ended December 31, 2021 and 2020. As a result, excess contributions payable amounting to \$6,151 and \$62,981 were recorded as a liabilities on the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, respectively.

11. Related-Party and Party in Interest Transactions

Certain plan investments are managed by the Trustee. Therefore, these investments qualify as party in interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan issues notes receivable to participants, which are secured by the participant's account balances. These transactions also qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by an officer or employees of the Company. No such officer or employee receives compensation from the Plan.

12. Subsequent Events

The Plan has evaluated subsequent events through September 4, 2024, which is the date that the financial statements were approved and available to be issued, for events requiring recording or disclosure in the Plan's financial statements.

During 2022, Active Life 401(k) Plan, Artificial Limb Specialist, Inc. 401(k) Profit Sharing Plan, Jonesboro Prosthetic & Orthotic Laboratory 401(k) Plan, Wright & Filippis, Inc. 401(k) Retirement Plan, APO Holding, Inc. Retirement Plan and Scott Sabolich Prosthetics & Research Center, L.L.C. 401(k) Profit Sharing Plan merged into the Plan.

The Plan Sponsor elected to merge the net assets of various plans into the Plan. The net assets transferred into Plan were \$39,504,343 for the year ended December 31, 2022.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

The discretionary profit sharing contribution is terminated effective January 1, 2023. Effective January 1, 2022, the Company match was changed to 100% of the first 1% deferral amount and 50% of the next 5% of the participant's deferral amount, except one of the participating employers who joined the Plan on January 1, 2022, the match was 100% of the first 4% of the participant's deferral amount. In addition, the Company effective January 1, 2023 changed the Company's match to 100% of the first 1% of the participant's deferral amount and 50% of the next 5% of participants' deferral amount.

Effective January 1, 2023, the Plan name changed to Otto Bock HealthCare LP Retirement Savings Plan. The P & O Care 401(k) Profit Sharing Plan and the Prosthetic Care, Inc. 401(k) Plan merged into the Plan resulting in the transfer of net assets into the Plan of \$2,417,219 on January 3, 2023.

Independent Auditors' Report

To the Participants and Plan Administrator of
Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have audited the financial statements of Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Transfer In from Affiliated Plan

As discussed in Note 1 to the financial statements, effective January 1, 2021, assets of the TriNet 401(k) Plan were transferred into the Plan for the employees of Cascade Orthopedic Supply, Inc. Our opinion is not modified with respect to this matter.

Emphasis of Matter - Basis of Accounting

As discussed in Note 2 to the financial statements, which describes the basis of accounting. In 2021, the Company adopted a policy of preparing its financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The financial statements for 2020 presented for comparison are the same as originally issued because U.S. GAAP would not have changed them materially. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, Line 4(a) - Delinquent Participant Contributions, as of or for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated May 5, 2023, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

Otto Bock Healthcare LP Profit Sharing and Retirement Savings Plan (the Plan) is a defined contribution plan established by Otto Bock HealthCare North America, Inc. (the Company) to provide benefits to substantially all employees of Otto Bock Healthcare North America, Inc. and affiliated service groups who meet certain eligibility requirements. The following description of the Plan provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is sponsored by Otto Bock HealthCare North America, Inc. (the Company or the Plan Sponsor or the Plan Administrator). The Plan is a voluntary defined contribution plan covering substantially all eligible employees of the Company and its affiliates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company established the Plan effective October 1, 1988. Reliance Trust Company served as Custodian (Custodian) and Empower Retirement Services (formerly Mass Mutual Life Insurance Company) served as recordkeeper (Recordkeeper) as of December 31, 2020, and for the period from January 1, 2021 to October 31, 2021. Effective November 1, 2021, the Plan was amended and restated as a result in the change of service providers to Fidelity Management Trust Company (Trustee) and Fidelity Workplace Services (Recordkeeper). Fidelity Workplace Services LLC, acting as the Recordkeeper, executes investment transactions for the Plan. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Effective January 1, 2021, the Company transferred the assets of TriNet 401(k) Plan for the employees of Cascade Orthopedic Supply, Inc. Assets totaling \$5,278,602 were transferred into the Plan as of March 2, 2021 and are recorded on the accompanying Statement of Changes in Net Assets Available for Benefits as a transfer in from affiliated plan. The Plan has been amended to include prior employment services for both eligibility and vesting purposes for all former participants of the affiliated plan.

Eligibility and Participant Accounts

The Plan allows employees to become eligible to participate in the Plan on the first day of the month following their month of hire. Each participant's account is credited with the participant's voluntary contributions and an allocation of plan earnings or losses and charge with certain administrative expenses.

Contributions

The Plan is funded through employee elective deferrals, Roth contributions, and rollover contributions. Participants may elect to contribute 1% to 85% of their annual compensation, as defined, to the Plan on a tax deferred basis up to the maximum amount established by the Internal Revenue Service (IRS). For pre-tax contributions being withheld from the participant's compensation, the percentage the participant defers is subject to an annual statutory limit as permitted by the Internal Revenue Code of 1986 (IRC) (\$19,500 for 2021). The Plan also allows for Roth contributions subject to the same IRC limitations. Participants who are 50 years old or older by the last day of the plan year can make additional annual catch-up contributions over the base statutory limit (\$6,500 for 2021). Participants may rollover amounts representing distributions from other qualified defined benefit or contributions plans, as defined in the plan agreement. All rollover contributions are always fully vested and are subject to investment gains and losses.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated a balanced fund until changed by the participant. Automatically enrolled participants will have their deferral rate increase by 1% on January 1 until their deferral rate reaches 10%.

The Company contributes 50% of the first 7% of eligible compensation that a participant contributes to the Plan as a discretionary matching contribution. Additional profit sharing amounts may be contributed at the option of the Plan Administrative Committee. For the year ended December 31, 2021, there were no profit sharing contributions to the Plan. Contributions are subject to certain IRS limitations.

Vesting

Participants are immediately vested in elective deferrals, rollover contributions and Company nonelective contributions. A participant is 20% vested in Company discretionary matching contributions after one year of credited service and continues to vest in increments of 20% until 100% vested after five years of credited service.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company contributions, and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their account balance a minimum of \$1,000 up to a maximum 50% of his or her vested account balance or \$50,000. Note terms range from one to five years or, in the case of a note to acquire or construct the primary residence of a participant, a period not to exceed 10 years. All notes will provide for a fixed rate of interest as determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for notes under similar circumstances. Repayments are made through payroll deductions and are reinvested in the individual funds according to the current investment allocations of the participant. Notes receivable from participants as of December 31, 2021, have interest rates ranging from 4.25% to 6.50% with maturities from January 2022 through April 2031. Notes receivable from participants as of December 31, 2020, have interest rates ranging from 4.25% to 6.50% with maturities from August 2021 through February 2026.

Payment of Benefits and Hardship Withdrawals

Participants withdrawing during the year for reasons of termination of service or disability, retirement or death are entitled to their vested account balance. Benefits are distributed in the form of lump sum, single distributions, installment payments or direct rollover into another qualified plan or individual retirement account (IRA). Forfeited balances of participants' Company nonelective accounts shall be used for plan related expenses for which the Company is responsible or to reduce Company contributions.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

A participant may receive a hardship distribution of their salary reduction contributions if the distribution is on account of medical expenses incurred by the participant or their spouse or dependents, to purchase (excluding mortgage payments) a principal residence of the participant, to prevent eviction from or foreclosure on a participant's principal residence, for the payment of post-secondary tuition expenses, to make payments for burial or funeral expenses of the participant's deceased parent, spouse, child or dependent or to pay expenses for the repair of damage to their principal residence that would qualify for the casualty deduction under Section 165 of the IRC, or any other financial need determined to be immediate and heavy under rules and regulations issued by the Secretary of the Treasury.

Participants may elect to withdraw their vested account balance after they reach the Plan's normal retirement age, 59 $\frac{1}{2}$, or delay it until the participant retires. Notwithstanding to the above, by law certain contributions including employee deferral, and Company nonelective contributions cannot be withdrawn prior to age 59 $\frac{1}{2}$.

Terminated participant balances are reviewed annually. Those with a balance between \$1,000 and \$5,000 will be rolled over into an individual retirement account designated by the Plan Administrator. Those with a balance less than \$1,000 will be "cashed out" as an involuntary lump sum payment.

Forfeitures

As of December 31, 2021 and 2020, unallocated forfeited nonvested accounts totaled \$123,045 and \$32,877, respectively. These amounts are reported as a component of net assets available for benefits and may be used to reduce future Company contributions or to pay administrative expenses. In 2021, forfeitures in the amount of \$18,252 were used to reduce Company contributions.

Revenue Sharing

The Plan has a revenue sharing account, which is funded by the Trustee. Revenue sharing accounts are used to pay administrative expenses or are reallocated to participant accounts. Revenue sharing funds available for future use totaled \$26,629 as of December 31, 2021. For the year ended December 31, 2021, no revenue sharing funds were used to pay administrative expenses or reallocated to participant accounts.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivables from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts and the plan assets will be distributed in accordance with the provisions of the Plan.

Coronavirus Aid, Relief, and Economic Security Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. This aid package was designed to help the economy from the effects of the coronavirus pandemic, several of the provisions of CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. During 2020, the Plan opted into the following provisions of the CARES Act:

- Hardship distributions - Qualified plan participants were permitted to take a coronavirus-related distribution of up to \$100,000 from the Plan without a 10% early withdrawal penalty. Eligible distributions were permitted to be taken up until December 30, 2020. Distributions may be repaid within three years or a participant may elect these distributions to be included in taxable income on a pro rata basis over three years.
- Participant loans - Qualified plan participants with loans outstanding were permitted to defer payment on the loans that were due during 2020 to after January 1, 2021.
- Participant loans - Qualified plan participants may have borrowed up to \$100,000 during 2020 (an increase from \$50,000 previously permitted), these repayments may be delayed to 2021.
- Required minimum distributions (RMDs) - A temporary waiver of required minimum distributions rules permitted participants to suspend their RMDs for 2020 for participants that turned 70 ½ in 2019 and 72 in 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared on the modified cash basis of accounting as of and for the year end December 31, 2020. The financial statements of the Plan are prepared on the accrual basis of accounting as of and for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The 2020 statements presented for comparison are the same as originally issued because U.S. GAAP would not have changed them materially.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon terms of the plan document or note policy of the Plan. Notes receivable are valued at amortized cost, which approximates fair value. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements
December 31, 2021 and 2020

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully-benefit responsive investment contracts which are reported at contract value - see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in the fair value of investments, includes the gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements
December 31, 2021 and 2020

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market fund is valued at the cost of \$1 per unit, which represents the quoted net asset value (NAV) of shares held by the Plan at year-end.

Mutual funds of registered investment companies are valued at quoted market prices which represent the NAV of shares held by the Plan at year-end.

Common collective trusts valued at the net asset value of shares held by the Plan at year-end, as determined by the Trustee. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This net asset value is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trusts, the Trustee reserves the right to temporarily delay withdrawals from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; even so, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 26,629	\$ -	\$ -	\$ 26,629

4. Information Certified by Custodian and Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA for 2021. Accordingly, Reliance Trust Company, the former Custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2020, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2021 through November 8, 2021. Fidelity Management Trust Company, the Trustee, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021, the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period from November 9, 2021 to December 31, 2021.

5. Guaranteed Investment Contract

The Plan maintains a fully benefit-responsive guaranteed investment contract issued by Great-West Life & Annuity Insurance Company. There are no reserves against contract value forced it risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are continuously reviewed and reset as needed on a quarterly basis. There is a surrender charge that may be charged based on a cumulative transfer percentages and advance notice of intent to terminate if a plan terminates its interest in the contract unless a 12-month irrevocable advance notice is given. Certain unobservable inputs a reassessed through review of contract terms (ex: duration or payout date) while others are substantiated utilizing available market data (ex: swap curve rate).

Certain events might limit the ability of the Plan to transact at contract value with the issuer. These events may be different under each contract.

Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer that also would limit the ability of the Plan to transact at contract value with the participants.

6. Tax Status

The Plan was based on a volume submitter profit sharing plan developed by Great-West Trust Company, LLC, which received a favorable advisory letter dated March 31, 2014, from the IRS stating that the volume submitter profit sharing plan constituted a qualified plan under Section 401 of the IRC. Effective November 1, 2021, the Plan is based on a nonstandardized pre-approved profit sharing plan with CODA developed by FMR LLC, which received a favorable advisory letter dated June 30, 2020, from the IRS stating that the nonstandardized pre-approved profit sharing plan with CODA constitutes a qualified plan under Section 401 of the IRC. The Plan Administrator believes the Plan, as adopted and amended, is operating within the guidelines of the IRC and continues to be tax exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 63,359,824	\$ 50,455,210
Plus excess contributions payable	6,151	62,981
Less participant contributions receivable	(197,651)	-
Less participant contributions receivable	(78,473)	-
Less deemed loan	-	(259)
	<u> </u>	<u> </u>
Net assets available for benefits per Form 5500	<u>\$ 63,089,851</u>	<u>\$ 50,517,932</u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for benefits per the financial statements	\$ 7,626,012
Less 2020 excess contributions payable	(62,981)
Plus 2021 excess contributions payable	6,151
Plus 2020 deemed loan	259
Less 2021 participant contributions receivable	(197,651)
Less 2021 Company contributions receivable	(78,473)
	<u> </u>
Net increase in net assets available for benefits per Form 5500	<u>\$ 7,293,317</u>

8. Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, concentrations, market and credit risks. Market risks include global events, such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2021 and 2020, the Plan had investments of \$15,023,838 and \$6,541,050 concentrated in two and one fund, respectively.

Otto Bock HealthCare LP Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

9. Delinquent Participant Contributions

During 2021, 2020, and 2019, The Company did not remit certain participant contributions and loan repayments to the Plan on a timely basis as defined by the DOL's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions, totaled \$109,690, \$22,919, and \$8,117, respectively. The Plan is in the process of correcting late remittances outside the DOL Voluntary Fiduciary Correction Program (VFCP).

10. Excess Contributions Payable

The Plan failed the discrimination tests for the years ended December 31, 2021 and 2020. As a result, excess contributions payable amounting to \$6,151 and \$62,981 were recorded as a liabilities on the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, respectively.

11. Related-Party and Party in Interest Transactions

Certain plan investments are managed by the Trustee. Therefore, these investments qualify as party in interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan issues notes receivable to participants, which are secured by the participant's account balances. These transactions also qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by an officer or employees of the Company. No such officer or employee receives compensation from the Plan.

12. Subsequent Events

The Plan has evaluated subsequent events through September 4, 2024, which is the date that the financial statements were approved and available to be issued, for events requiring recording or disclosure in the Plan's financial statements.

During 2022, Active Life 401(k) Plan, Artificial Limb Specialist, Inc. 401(k) Profit Sharing Plan, Jonesboro Prosthetic & Orthotic Laboratory 401(k) Plan, Wright & Filippis, Inc. 401(k) Retirement Plan, APO Holding, Inc. Retirement Plan and Scott Sabolich Prosthetics & Research Center, L.L.C. 401(k) Profit Sharing Plan merged into the Plan.

The Plan Sponsor elected to merge the net assets of various plans into the Plan. The net assets transferred into Plan were \$39,504,343 for the year ended December 31, 2022.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

The discretionary profit sharing contribution is terminated effective January 1, 2023. Effective January 1, 2022, the Company match was changed to 100% of the first 1% deferral amount and 50% of the next 5% of the participant's deferral amount, except one of the participating employers who joined the Plan on January 1, 2022, the match was 100% of the first 4% of the participant's deferral amount.
