INDEPENDENT AUDITORS' REPORT

To the Trustees of and Participants in the
Trajector Holdings Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Trajector Holdings Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance; and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audits.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**TRAJECTOR HOLDINGS SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

1. DESCRIPTION OF PLAN

The following description of the Trajector Holdings Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the official Plan document for complete information.

General

Effective January 1, 2021, Vet Comp & Pen Consulting LLC established the Plan. The Plan was named the Vet Comp & Pen Consulting Savings Plan through November 30, 2021. Effective December 1, 2021, the Plan was amended and renamed Trajector Holdings Savings Plan. In conjunction with this amendment, the Plan Sponsor changed to Vet Comp & Pen Consulting, LLC d/b/a Trajector Medical (the Plan Sponsor or Company). The Plan is a defined contribution plan covering substantially all employees of the Company except for union employees, nonresident alien employees or leased employees, as defined, are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility and Participant Contributions

Employees of the Company are eligible for participation in the Plan if they have attained age 18 and have completed three months of service, as defined. Participants may enter the Plan the first day of the month coinciding with or next following the date the eligibility requirements are satisfied. Participants may direct their contributions as well as their allocable Company contributions into any investment option offered by the Plan.

Participants may elect to defer up to 100% of compensation, before taxes, subject to certain Internal Revenue Code (IRC) limitations. An employee may terminate his or her election to participate at any time. Participants may also elect to make supplemental catch-up contributions, subject to IRC limitations. Employees may roll over into the Plan amounts that represent a "qualified total distribution" or a complete distribution from an individual retirement account or individual retirement annuity, as defined by the IRC and the Plan.

The Plan also includes an automatic deferral feature. In the event a participant does not elect an alternative salary reduction rate or elects not to defer under the Plan, the Company will automatically withhold 3% of the participant's eligible compensation and increase 1% to a maximum of 6%. The increase in the amount automatically withheld from a participant's pay will be effective on the first day of the Plan year, beginning with the first Plan year following the date deferrals were first automatically withheld from the participant's pay.

Company Contributions

The Company will make a safe harbor matching contribution in an amount equal to 100% of a participant's elective deferrals not-to-exceed 6% of compensation or the allocation period.

The Company may also make a discretionary profit-sharing contribution to the Plan. The contribution will be allocated in the ratio of the eligible participant's compensation for the allocation period bears to the total compensation of all participants eligible to receive an allocation for the allocation period. For the year ended December 31, 2023, there were no discretionary contributions made to the Plan.

**TRAJECTOR HOLDINGS SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, allocation of the Company's contributions and Plan earnings and is charged with withdrawals, recordkeeping fees and administrative fees and an allocation of Plan losses. Allocations are based on participant earnings (losses) or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants will be 100% vested in the Company's safe harbor contributions after two years of service and will be 100% vested in the Company's discretionary profit-sharing contributions ratably at 20% per year with full vesting after six years of service. Upon attainment of normal retirement age, as defined, death or disability, the participants will become 100% vested in their accounts.

Withdrawals and Distributions

Generally, a participant's vested account balance is payable by lump-sum distribution, between ages 59½ and 73, upon his or her retirement or disability. Upon termination of employment, the vested portion of the participant's account may be withdrawn in a lump sum or left in the Plan. If the vested amount is \$5,000 or less, a lump-sum distribution is required.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The minimum amount that can be borrowed is \$1,000. The loans are secured by the account balance. Repayments of the loans are made in substantially equal payroll deductions amortized over the life of the loan.

Plan Administration

The Plan is administered by the Company. Empower Annuity Insurance Company of America and Empower Trust Company, LLC. (collectively the custodians) are custodians of the Plan.

Forfeitures

The Plan will use forfeitures to reduce future Company contributions. As of December 31, 2023 and 2022, forfeited balances were approximately \$0 and \$48,000, respectively. In 2023, approximately \$241,000 in forfeitures were used to reduce Employer contributions.

Administrative Expenses

The Company pays substantially all administrative costs of the Plan, except for recordkeeping fees and various fees associated with recordkeeping and investment advisor fees which are paid by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan's investments include mutual funds and a fixed annuity contract as of December 31, 2023 and 2022. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fixed annuity contract which is valued at contract value. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

**TRAJECTOR HOLDINGS SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

3. FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022:

Mutual Funds: Mutual funds are valued based upon quoted market prices.

As of December 31, 2023 and 2022, the Plan's investments at fair value represent investments in mutual funds.

	<u>Level 1</u>
December 31, 2023	
Investments, at fair value	
Mutual Funds	<u>\$ 9,309,924</u>
Total investments, at fair value	<u><u>\$ 9,309,924</u></u>
	<u>Level 1</u>

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

4. INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2021, the Plan entered into an investment contract with Great-West Life & Annuity Insurance Company (Great West). Under this contract, Great-West maintains the contributions in a general account. The accounts are credited with the earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Under the group annuity insurance contract that supports this product, participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account at contract value within reasonable timeframes. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Great-West announces in advance the prevailing interest rates it will credit to participant account balances. When establishing interest crediting rates, Great-West considers many factors, including current economic and market conditions, the general interest rate environment and both the expected and actual experience of a reference portfolio within the issuer's general account. The rates are established without use of a specific formula. These rates are reviewed on a semiannual basis for resetting.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or in rare circumstances, contract value paid overtime. There are no events that allow the issuer to terminate the contract and which require the Company to settle at an amount different than contract value paid either within 90 days or over time.

5. INFORMATION CERTIFIED BY PLAN CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to, or derived from information certified as complete and accurate by the custodians.

6. PARTY-IN-INTEREST TRANSACTIONS

In 2023, certain fees to administer the Plan have been paid to the various service providers of the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. These fees include investment advisory services and recordkeeping services.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Plan Sponsor contributions.

**TRAJECTOR HOLDINGS SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

8. TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit-Sharing Plan sponsored by Oriental Pension Consultants Inc. (the Prototype Plan). The Prototype Plan received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Prototype Plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. The Plan is not currently being audited by any taxing jurisdictions.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 27, 2024, which is the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure under the Subsequent Events topic of FASB ASC 855, *Subsequent Events*.
