Gastroenterology Associates, P.A.
Profit Sharing Plan and Trust
Greenville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statement section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gastroenterology Associates, P.A. Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gastroenterology Associates, P.A. Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator
Gastroenterology Associates, P.A.
Profit Sharing Plan and Trust
Page Five

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The following description of Gastroenterology Associates, P.A. (the “Employer”) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan administered by the Employer for the benefit of its employees. An employee becomes eligible to participate in the Plan on the January 1 or July 1 coinciding with or immediately following the date on which he or she has attained the age of 20 1/2. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

CONTRIBUTIONS

The Employer contributes 3% of each participant’s compensation to the Plan (“safe harbor contribution”). In addition, the Plan permits the Employer, at its discretion, to contribute an additional amount to the Plan (“discretionary contribution”). Participants are enrolled at 3% of compensation under an automatic deferral provision (“deferral contribution”) unless they opt out or elect at least an equal deferral amount under a salary reduction agreement. Contributions are subject to certain limitations, and participants direct the investment of their contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the Employer’s safe harbor contribution, the participant’s deferral contribution, investment earnings, and an allocation of the Employer’s discretionary contribution. Each participant’s account is debited for investment losses and an allocation of investment and administrative expenses. Allocations are based on participant account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN (Continued)

VESTING

Participants are immediately vested in their deferral contributions, the Employer's safe harbor contributions to their account, and the earnings on these amounts. A participant's vesting in the Employer's discretionary contributions to his or her account plus earnings thereon is based on the participant's years of credited service with the Employer. A participant is 100% vested after six years of credited service.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or for other reasons, a participant with a vested account balance in excess of \$5,000 may elect to receive an amount equal to the value of the participant's vested interest in his or her account in (a) a single lump-sum payment, (b) substantially equal installments, or (c) partial withdrawals or installments under the required minimum distribution provisions of Sec. 401(a)(9) of the Internal Revenue Code. A participant electing installment payments will specify the period of time for those payments with such period not to exceed the participant's life expectancy or the joint life expectancy of the participant and his or her designated beneficiary.

Hardship and in-service distributions are also permitted by the Plan subject to certain requirements and limitations as specified in the Plan agreement.

FORFEITURES

Forfeitures due to nonvesting totaled \$55,771 and \$32,316 for the years ended December 31, 2023 and 2022, respectively. Of these amounts, \$38,200 and \$32,316 have been used to reduce the Employer's contributions for 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America because the Plan has not recognized contributions receivable or payable. The modified cash basis differs from the cash basis because the investments are adjusted to fair value.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value, except for a fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note C for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis or "when received". Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

GASTROENTEROLOGY ASSOCIATES, P.A. PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

CASH

The Plan considers all bank checking accounts, bank money market accounts, and brokerage cash accounts, which are not subject to withdrawal restrictions or penalties, to be cash.

CASH EQUIVALENTS

The Plan considers all money market mutual funds or similar accounts, which are not subject to withdrawal restrictions or penalties, to be cash equivalents.

PAYMENT OF BENEFITS

Benefits are recorded when paid by the Plan.

EXPENSES

Certain administrative expenses, including those pertaining to trustee fees, advisor fees, and contract administration, are paid by the Plan and charged to participants' accounts. Other administrative expenses are paid directly by the Employer and are excluded from these financial statements. Investment expense of \$624,118 related to contract termination is included in administrative expenses and the corresponding reimbursement is included in other investment income. Also see Note E. Other investment expenses are included in net appreciation (depreciation) in fair value of investments.

SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 31, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE C – FAIR VALUE MEASUREMENTS (Continued)

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs have the highest priority and consist of unadjusted quoted prices in active markets for identical assets; Level 2 inputs consist of observable market data other than unadjusted quoted prices in active markets for identical assets; and Level 3 inputs have the lowest priority, are unobservable, are supported by little or no market activity, and are generally based on the entity's own assumptions. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments on a recurring basis. When available, the Plan measures fair value using Level 1 inputs because these generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

LEVEL 1 FAIR VALUE MEASUREMENTS

The fair values of mutual funds are based on quoted net asset values in active markets of the shares held by the Plan in these investments at year-end.

LEVEL 2 FAIR VALUE MEASUREMENTS

The UTC WPS Target Risk-Growth II and UTC WPS Target Risk-Mod II common trust funds are a collective investment of assets contributed from multiple employer benefit plans. The investments of the funds consist of exchange traded securities whose net asset values are aggregated and combined with stated fees to arrive at the fair market value. As such, the Plan's investment in these funds are categorized under Level 2. These funds were liquidated when the Plan changed trustees in 2023.

LEVEL 3 FAIR VALUE MEASUREMENTS

There were no transfers in or out of assets with Level 3 inputs during the years ended December 31, 2023 and 2022.

GASTROENTEROLOGY ASSOCIATES, P.A. PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE D – TRUSTEE CERTIFICATIONS

The December 31, 2023 and December 31, 2022, Statements of Net Assets Available for Benefits - Modified Cash Basis, the Statements of Changes in Net Assets Available for Benefits - Modified Cash Basis for the years ended December 31, 2023 and 2022, the accompanying notes to the financial statements, and the supplemental information were prepared in part or entirely from information certified by the Trustees (American Trust Company, N.A. for the year ended December 31, 2022 and Reliance Trust Company for the year ended December 31, 2023) in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes total investments of \$31,479,446 and \$30,872,327 at December 31, 2023 and 2022, respectively, and related income (loss) of \$607,119 and \$(3,956,873) for the years ended December 31, 2023 and 2022, respectively.

NOTE E – STABLE VALUE INVESTMENTS

The UTC Stable Value Trust common trust fund, a collective investment trust holding a fully benefit-responsive group annuity contract with Metropolitan Life Insurance Company, was terminated in February 2023 when the Plan changed trustees and service providers. The withdrawal resulted in a termination fee of \$624,118 which was reimbursed by Lincoln National Life Insurance Company (Lincoln).

Lincoln is the provider of the Lincoln Stable Value Account, an unallocated group fixed annuity contract. Lincoln maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a minimum guaranteed interest rate of 1%, however contract termination prior to the fifth anniversary date will result in payment less than the guaranteed value. This contract meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value.

NOTE F – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Several Plan investments were managed by the prior trustee, American Trust Company, N.A., and therefore, the related transactions qualified as party-in-interest transactions. Certain fees for the related investment management services are paid through revenue sharing, rather than a direct payment. Other related fees are not covered by revenue sharing and are paid directly by the Plan. The total fees, net of revenue sharing, are included in administrative expenses.

GASTROENTEROLOGY ASSOCIATES, P.A. PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE G – PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE H – PLAN RESTATEMENT

The Plan was restated effective February 1, 2023 in order to change the Plan administrator from the employer to Pentegra Services, Inc.

The Plan was amended and restated effective January 1, 2022 in order to comply with the requirements of the 2017 Cumulative List (Notice 2017-37). Major changes under the restatement include allowing hardship distributions, the addition of a July 1 Plan entry date, and an automatic three-percent deferral provision.

NOTE I – TAX STATUS

The Employer has adopted the ADP Volume Submitter 401(k) Profit Sharing Plan. The Internal Revenue Service has determined by letter dated October 6, 2020, that this prototype plan document satisfies the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore the Plan continues to be qualified and the related trust continues to be tax-exempt.

Plan management evaluates tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits in progress for any tax periods.

GASTROENTEROLOGY ASSOCIATES, P.A. PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE J – RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE K – CASH BALANCE DEFINED BENEFIT PLAN

On January 1, 2018 the Employer adopted a separate cash balance defined benefit plan. The name of the plan is Gastroenterology Associates, P.A. Cash Balance Plan. Because of this plan adoption the Employer maintained two retirement plans. Combined testing was performed in order to determine that certain regulatory requirements are met. This plan was discontinued at the end of 2023.

NOTE L – SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

REQUIRED AUDITOR COMMUNICATIONS

To the Plan Administrator
Gastroenterology Associates, P.A. Profit Sharing Plan and Trust

We have audited the financial statements of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023, and we will issue our report thereon dated October 31, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by American Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 18, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Gastroenterology Associates, P.A. Profit Sharing Plan and Trust are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair value measurements is based on fair values identified in the fair value hierarchy. We evaluated the key factors and assumptions used to develop the fair value measurements in determining that it is reasonable in relation to the financial statements taken as a whole. Investments, including related fair value measurements, are included in the Trustee certification. See Note D.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

The disclosure of expenses in Notes B and E to the financial statements.

The disclosure of the fair value measurements in Note C to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the Draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 31, 2024.

Management Consultation with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan Administrator of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust and is not intended to be, and should not be, used by anyone other than these specified parties.

COMMUNICATION OF INTERNAL CONTROL RELATED MATTERS

To the Plan Administrator
Gastroenterology Associates, P.A. Profit Sharing Plan and Trust

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust (the “Plan”) as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan’s internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”). As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by American Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the following deficiencies in the Plan's internal control to be material weaknesses:

Segregation of Duties

A fundamental concept of internal control is segregation of duties. Segregation of duties provides checks and balances to reduce possibilities for misstatements resulting from errors in judgment, dishonesty, personal carelessness, distraction and fatigue. The Plan has a limited number of personnel for accounting functions which results in inherent limitations on the effectiveness of certain controls due to the lack of segregation of duties among the Plan's personnel.

Financial Reporting

The Plan's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with the modified cash basis of accounting. The Plan has limited controls over the financial reporting process including preparation of financial statements and note disclosures.

This communication is intended solely for the information and use of the Plan Administrator and management of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust and is not intended to be and should not be used by anyone other than these specified parties.
