Independent Auditors' Report

To the Administrator Committee of
The Club Cal Neva 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Club Cal Neva 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Club Cal Neva 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Club Cal Neva 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Club Cal Neva 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Club Cal Neva 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Club Cal Neva 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Plan Description

The following description of the Club Cal Neva 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

a) *General* –The Plan covers substantially all full-time employees of Sierra Development Company d/b/a Club Cal Neva (the "Company"). The Plan was adopted effective January 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

b) *Eligibility* – The Plan substantially covers all employees who have completed six months of service and are age eighteen or older. Participants are eligible for profit-sharing contributions after one year of service and 1,000 hours of service and must be employed on the last day of the Plan year. Participants are automatically enrolled into the Plan on the first day of the following month after completing the age and service requirements.

c) *Employee Contributions* – Participants may elect to contribute up to 70 percent of either pre-tax compensation, after-tax compensation (Roth), or any combination of both types of contribution as defined in the Plan, up to a maximum of $23,000 for the year ended December 31, 2023. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions of up to $7,500. Participants may also contribute amounts representing distributions from other qualified defined benefit plans or defined contribution plans.

The Plan includes an automatic deferral provision whereby 1 percent of annual compensation is automatically deducted and invested on behalf of the participant unless the participant elects a different deferral percentage, including zero. The automatic deferral provision includes a 1 percent increase each year to a maximum automatic deferral of 3 percent.

d) Employer Contributions – Discretionary employer-provided matching contribution may be made to the Plan. The match, if any, will be a specific percentage of the elective contributions the employee makes to the Plan. The Company will determine the amount of the discretionary contribution, if any are made to the Plan each year. No such contributions were made for the year ended December 31, 2023 and 2022.

Discretionary employer-provided non-elective contributions (profit-sharing contributions) may also be made to the Plan. Allocations of these contributions to participants will be made in accordance with the formula selected by the Company as defined in the Plan. No such contributions were made for the year ended December 31, 2023 and 2022.

e) *Participants Accounts* – Each participant's account is credited with the participant's contributions and allocation of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses, if not paid by the Company. Allocations are based on participant earnings or account balances, as defined. Administrative expenses maybe charged based on account balances or charged equally to each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

f) *Vesting* – Participants are vested immediately in their contributions, plus actual earnings thereon. Employer contributions are 20 percent vested after one year of service, and 20 percent for each additional year of service. Participants are fully vested after 5 years of service, or if they become disabled or die while employed with the Company.

In order to be credited with a year of service for vesting purposes, employees must complete at least 1,000 hours of service during the 12 months anniversary of the employee's hire date.

g) Investment options – Participants direct the investment of their contributions and the Company's contribution into various investment options offered by the Plan. Participants may change their investment options at any time via the telephone or internet.

h) *Notes receivable from Participants* – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. The notes are secured by the balance in the participant's account and bear interest at the prime interest rate plus 2 percent. Principal and interest are paid ratably through payroll deductions.

i) *Payment of Benefits* – In the case of retirement, death, disability or termination of employment, participants may receive the vested accumulated value of their account in a lump sum distribution. Installment payments are made for required minimum distributions. Qualifications to receive a hardship distribution are outlined in the Plan provisions.

j) *Forfeited accounts* – Forfeitures of nonvested balances may be used to pay plan expenses or reduce employer contributions. At December 31, 2023 and 2022, the forfeiture account balance was $20,027 and $6,510, respectively. During 2023 and 2022, forfeitures of $4,000 and $0, respectively were used to pay Plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Accordingly, actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the group annuity contract (Stable Value Compass Account) which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation / depreciation of fair value of investments.

3. Subsequent Events

The Plan has evaluated subsequent events through November 30, 2024, the date the audit report was issued.

4. Information Prepared and Certified by the Trustee

The following information included in the accompanying financial statements and supplemental material was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Transamerica Financial Life Insurance Company.

December 31,	***2023***	*2022*
Investments, at fair value:		
Pooled separate accounts	**$2,354,335**	$2,091,867
Investments, at contract value:

Notes receivable from participants	**17,474**	32,441

Year ended December 31,	***2023***
Investment income:	
Net appreciation in fair value of investments	**$ 387,358**
Interest income – notes from participants	**1,210**

5. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits (with the exception of the Stable Value Compass Account, reported at contact value). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts (PSAs) – PSA's are privately managed through investment companies and are not publicly quoted. PSAs are comprised, primarily, of mutual funds held through sub-accounts of an insurance company. The PSAs are valued using net asset value ("NAV") as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets held through sub-accounts of a separate account of an insurance company. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. The Plan has concluded that the NAVs reported by the investment companies approximate the fair value of the investments. There are currently no redemption restrictions or unfunded commitments on these investments. The redemption notice period is daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

	Investment Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy	–	–	–	$ –
Assets recorded at NAV:				
Pooled separate accounts (a)				2,354,335
Investments at fair value				$ 2,354,335

	Investment Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy	–	–	–	$ –
Assets recorded at NAV:				
Pooled separate accounts (a)				2,091,867
Investments at fair value				$ 2,091,867

(a) Pooled separate accounts are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in the tables above are shown for the purpose of reconciling to the Statements of Net Assets Available for Benefits.

6. Stable Value Compass Account – Group Annuity Contract

The Plan holds a benefit-responsive investment contact with Transamerica Financial Life Insurance Company ("Transamerica"). The investment contact is named the Transamerica Stable Value Compass Account. The contract underlying this investment option is considered to be fully benefit responsive and as such, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment. The investment is presented on the face of the statement of net assets available for benefits at contract value. Contract value equals fair value under this contract because the investment has no underlying investments.

Transamerica maintains the contributions in a general account. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. In most cases, participants may direct the withdrawal or transfer of all or a portion of their investment at contract value. Although plan participants generally may withdraw without restrictions, the issuer may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The contract issuer is contractually obligated to repay the principal and a specified interest rate declared semi-annually.

7. Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

8. Related Party Transactions

Transamerica Financial Life Insurance Company (Transamerica) is the recordkeeper of the Plan and is also the trustee of the Plan's assets. Therefore, transactions between the Plan and Transamerica qualify as party-in-interest transactions.

Participant loan transactions are considered to be party-in-interest transactions because they are transacted with Plan participants.

9. Plan Termination

Although it has not expressed any intent to do so, the Company reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will immediately become 100% vested in their account.

10. Income Tax Status

The Internal Revenue Service has determined and informed the Plan sponsor by a letter dated March 31, 2008 that the Prototype Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's tax returns generally remain open for Federal tax audits for three years from the filing date.

Club Cal Neva 401(k) Plan

EIN: 88-0089063

Plan #: 003

Plan Year: January 1, 2023 – December 31, 2023

RE: Accountants Opinion

"The plan sponsor's independent qualified public accountant (IQPA) is located in Pinellas County, Florida and was impacted by Hurricane Helene (FEMA DR-4828-FL).

As a result, the audit opinion is delayed and will be filed as an amended Form 5500 as soon as the audit is available."
