INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
School Health Corp. 401(k) Plan
Rolling Meadows, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of School Health Corp. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the School Health Corp. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6, to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of School Health Corp. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about School Health Corp. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of School Health Corp. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about School Health Corp. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplement Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SCHOOL HEALTH CORP. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the School Health Corp. 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The School Health Corp. 401(k) Plan (the "Plan") is a defined contribution plan covering substantially all employees of School Health Corporation who have completed six months of service and are age twenty-one and older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan allows participants to contribute up to the dollar amount allowable under the Internal Revenue Code. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled to defer 6% of eligible compensation unless employees affirmatively elect not to participate or choose a different percentage. The deferral percentage automatically increases by 1% each January 1 up to a maximum of 10% unless the employee opts out of the automatic increase. The employers may make discretionary contributions to the Plan. For the year ended December 31, 2023, discretionary contributions of \$595,762 were made.

Plan Termination

We have not expressed any intention to do so, but do have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100 percent vested in their company contributions.

Participant Accounts

An elective account is established for each participant and credited with the participant's contribution, the employer's contribution for the participant, any rollover contributions of the participant and the earnings of the participant's elective account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in contributions made by the Company follows the schedule below:

<u>Length of Service</u>	<u>Vesting Percentage</u>
0 - 1 year	0
2 years	20
3 years	40
4 years	60
5 years	80
6 years	100

(Continued)

SCHOOL HEALTH CORP. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(CONTINUED)

NOTE 1. DESCRIPTION OF THE PLAN (Concluded)

Investment Options

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

Participant Loans

Participants may borrow from their individual contribution accounts subject to minimum and maximum limitations as defined in the Plan. The loans are collateralized by the balance in the participant's account. The principal plus interest at prime are repaid to the participant's account through payroll deductions, typically between two to five years.

Payment of Benefits

On termination of service due to death, disability, retirement or termination, a participant will receive a lump sum cash payment equal to the value of the participant's vested interest in his or her account. Hardship distributions are permitted from the participant's contribution account under certain conditions as defined in the Plan.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$18,840 and \$27,793 respectively and are included in investments on the Statements of Net Assets Available for Plan Benefits. Forfeitures from participants' nonvested accounts may be used to reduce future employer contributions, pay plan expenses or be reallocated to participants. During the years ended December 31, 2023 and 2022 employer contributions were reduced by \$0 and \$52,242, respectively, and allocations to participants were \$29,209 and \$0, respectively from forfeited nonvested accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Business – Plan Sponsor

School Health Corporation is a national, full-service provider of health supplies and services to health professionals in educational settings from pre-school to college and a national supplier of physical education, recreation and athlete products. Our main office is located in Rolling Meadows, Illinois.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Plan Assets

Plan assets are controlled by the Plan trustees/custodian and are physically segregated from the assets of the participating employer companies.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Investment Valuation and Income Recognition

The Plan's investment records are maintained at cost, however, in accordance with the disclosure requirements under ERISA, investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Any resulting gain or loss is reflected as unrealized appreciation or depreciation in the fair market value of investments in the financial statements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. Dividends and interest are reinvested as earned. Participant loans are stated at face value which approximates market value.

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other member requested services are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of value of investments.

Subsequent Events

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through August 26, 2024, the day the financial statements were issued.

NOTE 3. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service stating that the Plan is qualified under Section 401(a) of Internal Revenue Code (IRC) and therefore the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision has been made for federal or state income taxes.

Tax benefits are only recognized from uncertain tax positions if it is more likely than not that the tax position will be sustained on examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Tax years ending after December 31, 2020 are still open to examination by taxing authorities.

NOTE 4. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain employees of School Health Corporation serve as fiduciaries to the Plan. These employees did not receive compensation from the Plan for their service in this capacity.

The Plan's transactions with parties-in-interest during the years ended December 31, 2023 and 2022 were as follows:

<u>Party-in-interest</u>	<u>Description of Transactions</u>	<u>Amount</u>
Principal Financial Group	Plan custodian, investment manager and administrator	Total fees paid of \$38,930 and \$38,084 for 2023 and 2022, respectively.
Morgan Stanley	Investment Advisor	Total fees paid of \$45,898 and \$45,550 for 2023 and 2022, respectively.
School Health Corporation	Plan sponsors	Contributions made of \$595,762 and \$478,990 for 2023 and 2022, respectively.

NOTE 5. INVESTMENT RISKS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6. FAIR VALUE MEASUREMENTS

The Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification (FASB ASC Topic 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels are described as follows:

Level 1: Observable inputs that reflect unadjusted quoted prices for identical assets or liabilities traded in active markets.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs that are generally unobservable. These inputs may be used with internally developed methodologies that result in management's best estimate of fair value.

NOTE 6. FAIR VALUE MEASUREMENTS (Concluded)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value by the Plan. There have been no changes in the methodologies used at December 31, 2023 from the prior year.

Mutual Funds: Valued daily at each fund's Net Asset Value (NAV). The NAV is generally obtained from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary source.

Collective Investment Trust Funds: These investments report fair value using a calculated or equivalent NAV and are categorized as Level 2, as they are primarily investment contracts issued by life insurance companies, banks and other financial institutions.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Assets at Fair Value as of December 31, 2023</u>				
	<u>Fair Value</u>	<u>Quoted Prices in Active Markets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobserv- able Inputs (Level 3)</u>
