INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Maybourne Beverly Hills Operator LLC 401(k) Plan
Beverly Hills, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Maybourne Beverly Hills Operator LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier ("qualified institution") in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - *Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAYBOURNE BEVERLY HILLS OPERATOR LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

1. Description of Plan

Maybourne Beverly Hills Operator LLC 401(k) Plan (the “Plan”) is a defined contribution plan sponsored by Maybourne Beverly Hills Operator (the “Company” and “Plan Sponsor”). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees, as defined in the Plan, who have been employed by the Company for at least three months and have attained 18 years of age. The Plan was established effective June 1, 2020 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan is being administered by a committee that is appointed by management.

Contributions

Participants may contribute up to 90% of their pretax earnings, or contribute Roth deferrals, up to the maximum allowed by law. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified Plans.

The Plan is a safe harbor plan and provides a safe harbor match contribution. The matching contribution is subject to certain eligibility requirements as defined by the Plan and is equal to 100% of participant’s contribution up to 3% of participant’s compensation plus 50% of participant’s contributions between 3% and 5% of participant’s compensation. For the year ended December 31, 2023, the Company made a safe harbor matching contribution of \$574,036. As of December 31, 2023, the safe harbor matching contribution of \$22,408 was receivable by the Plan and it was subsequently received in January 2024.

Participants direct the investment of all contributions into various investment options offered by the Plan and contributions are subject to certain statutory limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s matching contributions, and Plan earnings. Plan expenses are allocated to each participant’s account, either proportionately based on the value of the account balances, or as an equal dollar amount based on the number of participants in the Plan. The Company may, however, at its discretion, reimburse the Plan for such administrative expenses. Allocations are based on participant earnings, account balances, and specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. Description of Plan, continued

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balance or \$50,000 reduced by the excess (if any) of the highest outstanding notes receivable balance during the last 12 months over the outstanding balance of notes receivable on the date the note receivable is made. Note receivable terms range from one to five years, or a reasonable period of time longer than five years for the purchase of a primary residence. The notes are secured by the vested balance in the participant's account and bear interest at a rate determined by the Plan's administrator based on prevailing interest rates charged by other lenders for similar types of loans. Interest on notes receivable from participants was charged at rates ranging from 4.25% to 9.50% as of December 31, 2023. Principal and interest are paid ratably through bi-weekly payroll deductions.

Vesting

Participants are vested immediately in their contributions, safe harbor matching contributions, plus actual earnings thereon.

Payment of Benefits

On termination of service due to retirement, death, disability, or other reasons, a participant may elect to receive a lump-sum distribution, installments over a period of not more than the participant's assumed life expectancy, partial withdrawal, transfer the vested balance to a qualified plan, or leave the vested balance in the Plan.

Hardship Withdrawals

A participant may be permitted to withdraw a minimum of \$500 of their vested account balance, limited to certain restrictions described in the Plan's provisions for the reasons specified by and to the extent permitted under regulations issued by the Internal Revenue Service ("IRS").

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

MAYBOURNE BEVERLY HILLS OPERATOR LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

Investments, as certified by Reliance Trust Company (the “Custodian”), are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan’s valuation policies utilizing information provided by the investment adviser and the Custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded as reported by the Custodian. Interest income is recorded on the accrual basis. Net depreciation includes the Plan’s gains and losses on investments purchased and sold, as well as held during the period. Differences between the fair value of investments at the beginning of the period, or cost if acquired subsequently, and fair values at the end of the period are recorded as appreciation or depreciation in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023. If a participant ceases to make loan repayments and the Plan’s administrator deems the note receivable to be in default, the note receivable balance is reduced, and a benefit payment is recorded.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Recordkeeping fees, monthly participant fees, and fees related to the administration of notes receivable from participants and distributions are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net realized and unrealized depreciation in fair value of investments.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participant contributions. There were no excess contributions payable as of December 31, 2023.

3. Information Prepared and Certified by Custodian

The Plan assets are held by the Custodian pursuant to the Trust Agreement which provides that all funds received by the Custodian shall be held, administered, invested and distributed by the Custodian, and that no part of the corpus or income shall be used for, or directed to, purposes other than for the exclusive benefit of participants or their beneficiaries.

MAYBOURNE BEVERLY HILLS OPERATOR LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

3. Information Prepared and Certified by Custodian, continued

The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from data that has been supplied to the Plan's administrator and certified as complete and accurate by the Custodian as of December 31, 2023 and 2022, and for the year ended December 31, 2023:

	2023	2022
Mutual funds, at fair value	\$ 5,226,598	\$ 3,072,992
Common collective trusts, at fair value	\$ 209,656	\$ 127,087
Investment income:		
Net realized and unrealized appreciation in fair value of investments	\$ 556,039	
Dividend and interest	\$ 129,466	

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements).

Under Level 1, inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan's investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States of America ("U.S.") Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are considered to be Level 1 in the fair value hierarchy.

The Plan's investment in Blackrock Equity Index, Blackrock Mid Cap Equity Index and Blackrock Russell 2000 Index are common collective trust funds held as custodian by Wilmington Trust Collective Trust, which is unrelated to the Custodian and is governed by a trust agreement. They are valued by the issuer of the common/collective trust funds based on the NAV of its underlying investments. The underlying investments are valued by the issuer using quoted market prices on active markets and provide for daily redemptions with one or two days' notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

MAYBOURNE BEVERLY HILLS OPERATOR LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

4. Fair Value Measurements, continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Investments at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,226,598	\$ -	\$ -	\$ 5,226,598
Total assets in the fair value hierarchy	<u>\$ 5,226,598</u>	<u>\$ -</u>	<u>\$ -</u>	5,226,598
Investments measured at NAV (a)				209,656
Investments, at fair value				<u>\$ 5,436,254</u>

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,072,992	\$ -	\$ -	\$ 3,072,992
Total assets in the fair value hierarchy	<u>\$ 3,072,992</u>	<u>\$ -</u>	<u>\$ -</u>	3,072,992
Investments measured at NAV (a)				127,087
Investments, at fair value				<u>\$ 3,200,079</u>

(a) In accordance with Accounting Standards Codification 820-10, *Fair Value Measurements—Overall*, common collective trusts are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statement of net assets available for benefits.

5. Tax Status of the Plan

The Plan has adopted a non-standardized pre-approved profit-sharing plan prepared by Automatic Data Processing ("ADP"). This non-standardized pre-approved profit-sharing plan has obtained its latest opinion letter on October 6, 2020, in which the IRS stated that the prototype non-standardized pre-approved profit-sharing plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan's administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. There are no uncertain tax positions as of December 31, 2023. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

MAYBOURNE BEVERLY HILLS OPERATOR LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

6. Party-in-Interest Transactions

ADP is the administrator and record keeper for the Plan and provides other Plan related services, such as required testing for compliance and annual tax return preparation. The Custodian maintains and manages certain investments of the Plan.

Fees charged to the Plan by ADP and the Custodian for administrative services and investment advisory services amounted to \$20,135 for the year ended December 31, 2023.

7. Risks and Uncertainties

The Plan invests in a number of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Some of the Plan's assets are invested in securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than securities of comparable U.S. companies.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants will become fully vested in their accounts.

9. Subsequent Events

The Plan has evaluated subsequent events through December 6, 2024, the date which the financial statements were available to be issued. There were no subsequent events noted that would require adjustment to or disclosure in these financial statements.
