INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Dynetics, Inc. Employee Health and Welfare Plan

Opinion

We have audited the accompanying financial statements of Dynetics, Inc. Employee Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statements of plan benefit obligations as of December 31, 2023 (in liquidation) and 2022 (ongoing), and the related statement of changes in net assets available for benefits and statement of changes in plan benefit obligations for the year ended December 31, 2023 (in liquidation), and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and statements of plan benefit obligations of Dynetics, Inc. Employee Health and Welfare Plan as of December 31, 2023 (in liquidation) and 2022 (ongoing), and the changes in its net assets available for benefits and statement of changes in plan benefit obligations for the year ended December 31, 2023 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dynetics, Inc. Employee Health and Welfare Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 1 to the financial statements, the governing body of Dynetics, Inc. Employee Health and Welfare Plan approved a plan of liquidation in July 2023, and management determined liquidation is imminent. As a result, the plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis of accounting used in presenting the 2023 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dynetics, Inc. Employee Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Dynetics, Inc. Employee Health and Welfare Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

General

The Plan provides health benefits covering substantially all active employees and retirees of Dynetics, Inc. and adopting employers (collectively referred to as the Sponsor or the Company). The Plan was established in July 2005.

In July 2023, management of the Plan Sponsor determined and announced to participants of the Plan that benefits to active employees would no longer be offered by the Plan effective January 1, 2024. Active employees currently participating in the Plan were only able to participate in benefit plans offered by Leidos, Inc. effective January 1, 2024.

Benefits

The Plan provides medical, dental, premium reimbursements, basic group term life, accidental death and dismemberment, short-term and long-term disability, supplemental, employee assistance program, mental health, substance abuse, and health flexible spending benefits for active employees and covered dependents. In addition, a retiree of the Company was also eligible for benefits under the Plan. A retiree is an employee who after reaching normal retirement age of 65 or early retirement age of 55 with ten years of service with the Company, voluntarily ends their employment relationship with the Company and is not seeking employment with another company. Retiree coverage could continue until the retired employee reached the age of 65 or became eligible for Medicare. Effective December 31, 2021, the Plan was amended to restrict retirement benefit eligibility to only retirees who were enrolled in the Plan as of January 1, 2022.

The Plan is a funded trustee welfare benefit plan covering all represented employees who have elected to participate in the Plan. The major portion of the cost is borne by the Plan Sponsor. Through December 31, 2023, the Company contributed by way of withholding from participants salaries on a monthly basis based upon elected benefits and relative coverage. The Company expects, and has the ability, to make contributions which are sufficient to meet the current and future costs of the Plan as determined by utilizing appropriate experience rates.

Insured benefits provided by the Plan were as follows:

Benefit	Provider / Processor	Funded
Health	Blue Cross Blue Shield of Alabama	Self-insured
Dental	Delta Dental Insurance	Self-insured
Vision	Vision Service Plan	Fully insured
Basic group term life	Prudential Life Insurance Co. of America	Fully insured
Accidental death and dismemberment	Life Insurance Co. of North America	Fully insured
Short-term disability	Mutual of Omaha	Fully insured

**DYNETICS, INC. EMPLOYEE HEALTH AND WELFARE PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ONGOING)**

Benefit	Provider / Processor	Funded
Long-term disability	Mutual of Omaha	Fully insured
Supplemental life and dependent life	Prudential Life Insurance Co. of America	Fully insured
Employee assistance program, mental health and substance abuse	Uprise Health American Behavioral	Self-insured
Stop loss	Anthem and Wellpoint	Fully insured
Health flexible spending account	Health Equity	Self-insured

The Plan entered into stop-loss insurance arrangements in an effort to limit its exposure for self-insured benefits. Premiums for stop-loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop-loss refunds totaling \$184,615 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits.

Contributions

Contributions related to medical, dental, the employee assistance program, mental health, substance abuse and stop-loss coverage are held in a trust fund and are used to provide benefits to the covered employees and their dependents.

The Sponsor provided a minimum of 70% of the designated cost under the Plan for individual health benefits for its participants, with the eligible participant contributing the remaining portion. In the event the trust fund balance is less than \$0, the Sponsor will levy an assessment to the participating employers sufficient to bring the balance to \$0 or greater.

All premium costs for retiree medical coverage, for both the retired employee and any covered dependents, were fully paid by the retired employee as noted below.

A retiree between the age of 55 and 65 with ten years of service was eligible for retiree insurance until they had reached age 65 and was responsible for paying 100% of premium costs.

A retiree between the age of 55 and 65 that had not provided ten years of service may qualify for COBRA and was responsible for paying 102% of premium costs, and could remain on COBRA until the earlier of 18 months or reaching age 65.

A retiree that was age 65 and over was eligible for COBRA coverage until they became entitled to Medicare, and the Plan would only pay up to 20% of claims.

Premiums were equal to the current rate of the group plan. The retiree contributions ranged from \$6,151 to \$8,067 for employees only and from \$13,533 to \$17,749 for employees plus spouse.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ONGOING)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan as of and for the year ended December 31, 2023, are prepared on the liquidation basis of accounting. The statement of net assets available for benefits at December 31, 2022, was prepared on the accrual basis of accounting. The liquidation and accrual bases of accounting are in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates that affect the reported amounts of assets and liabilities, benefit obligations, and changes therein, claims incurred but not reported (IBNR), claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Plan obligations at December 31, 2022, for claims incurred but not reported (IBNR) were estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. An IBNR was not recorded at December 31, 2023, as all actual claims paid subsequent to year end were recorded as claims payable in the accompanying 2023 statement of benefit obligations.

Medicare Subsidy

The Plan's postretirement benefit obligation at December 31, 2022, does not reflect an amount associated with the Medicare subsidy allowed under the Medicare Prescription Drug Improvement and Modernization Act of 2003 because the Plan was not directly entitled to the Medicare subsidy. The Company included the effects of the Medicare subsidy in measuring its postretirement benefit obligation at December 31, 2022; therefore, the Plan's postretirement benefit obligation differed from that of the Company.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the custodian of the Plan. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Investment income is generally reinvested by the custodian on a daily basis.

Expenses of the Plan

All expenses incurred in the administration of the Plan and related to claims processing are paid by the Plan and reflected in the financial statements. All other expenses are paid by the Company.

Payment of Benefits

Benefit payments to or on behalf of participants are recorded upon payment of claims or payment of premiums. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as claims payable in the accompanying statements of net assets available for benefits.

DYNETICS, INC. EMPLOYEE HEALTH AND WELFARE PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ONGOING)

Pharmacy rebates are netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023. Pharmacy rebates receivable as of December 31, 2023 are reported as a receivable, with the offset being netted against claims paid.

Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the current world economy, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the December 31, 2023 and 2022, statements of plan benefit obligations and net assets available for benefits.

Subsequent Events

Plan management has evaluated subsequent events through November 6, 2024, the date the financial statements were available to be issued. See Note 9.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the accounting standards are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan's assets measured at fair value consist of interest-bearing cash and is valued based on cost, which approximates fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

DYNETICS, INC. EMPLOYEE HEALTH AND WELFARE PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ONGOING)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Investments at fair value	\$ 1,705,178	\$ -	\$ -	\$ 1,705,178

4. POSTRETIREMENT BENEFIT OBLIGATIONS

At December 31, 2022, a postretirement benefit obligation was recognized for retiree medical benefits for eligible participants and their dependents upon retirement, and eligible employees receiving a long-term disability benefit under the Company sponsored plan. The amount reported as the postretirement benefit obligation represented the actuarial present value of the cost of estimated future benefits that were attributed by the terms of the Plan to employee service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current Plan participants. The obligations represented the amounts that were expected to be funded by contributions from the Company and from existing assets of the Plan. Postretirement benefits included future benefits expected to be paid to or for currently retired or terminated employees and their qualifying beneficiaries and dependents.

The actuarial present value of the expected postretirement benefit obligation was determined by the Plan's independent actuary and was the amount that resulted from applying actuarial assumptions to historical claims cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment and to reflect the portion of those costs expected to be borne by Medicare, the retired participants and other providers.

**DYNETICS, INC. EMPLOYEE HEALTH AND WELFARE PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 (IN LIQUIDATION) AND 2022 (ONGOING)**

For measurement purposes, the health care cost trend rate assumptions were as follows as of December 31, 2022:

- 6.00% in 2022, grading down to 5.30% by 2029

Other significant assumptions, used in the December 31, 2022, valuation, were as follows:

- Weighted-average discount rate of 4.95%
- Projected unit credit actuarial cost method
- PRI-2012 headcount-weighted mortality table without collar or quartile adjustments, with separate rates for employees, healthy retirees and contingent survivors, projected generationally from 2012 using the MP-2021 projection scale

The foregoing assumptions were based on the presumption that the Plan would continue. If the Plan were to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

As stated in Note 1, the Plan termination became imminent in 2023 with all retiree benefits no longer being offered under the Plan after December 31, 2023. Accordingly, there is no postretirement benefit obligation at December 31, 2023.

5. TAX STATUS

The Voluntary Employee Beneficiary Association (VEBA) was established for the purpose of holding the Plan's assets and is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC). The VEBA received a favorable determination letter from the Internal Revenue Service (IRS) dated July 14, 2008, which stated that the related trust is designed in accordance with the applicable sections of the IRC and is tax exempt. The VEBA has been amended since receiving the determination letter. The Company, Plan management, and the Plan's tax counsel believe that the VEBA is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PLAN TERMINATION

As stated in Note 1, the Plan terminated in 2023 and is in the process of liquidating subsequent to December 31, 2023. At the time the termination was determined to be imminent, the Plan documents were amended and Plan participants were notified that benefits would no longer be available through the Plan after December 31, 2023. Claims lag and premiums billed to the Plan subsequent to December 31, 2023, that relate to the services received prior to December 31, 2023,

have been accrued as claims payable and expenses payable, respectively, in the financial statements as of December 31, 2023. The Company has committed to funding the Plan through employer contributions until all Plan liabilities have been paid. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

7. PARTY-IN-INTEREST TRANSACTIONS

As described in Note 2, the Plan pays various fees for claims processing associated with the administration of the Plan. These fees are considered party-in-interest transactions and are reflected in the financial statements as administrative expenses.

8. RECONCILIATION TO THE FORM 5500

A reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2023 and 2022, is as follows:

	2023	2022
Net assets available for Plan benefits per financial statements	\$ 1,917,437	\$ 1,564,662
