## Report of Independent Auditor

To the Plan Administrator and Participants  
Arrow Exterminators, Inc.  
401(k) Plan  
Atlanta, Georgia

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Arrow Exterminators, Inc. 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i, is required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan covers all employees who are age 18 or older and have completed the service requirement as defined in the Plan Document, except certain union employees, nonresident aliens, leased employees, and interns. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The sum of participants pre-tax and Roth contributions is subject to the annual limitation of \$22,500 for the year ended December 31, 2023. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan offers automatic enrollment of newly eligible employees who do not elect to opt out of the Plan. Each participant who is subject to the automatic deferral provisions will have compensation deferred at 2% per payroll period unless otherwise elected by the participant.

The Company may make matching contributions and qualified non-elective contributions. Employees are eligible to receive matching contributions made by the Company if they are eligible to contribute a portion of their compensation as a pre-tax deferral or Roth deferral and if they are employed at the end of the Plan year. For the year ended December 31, 2023, the Company made matching contributions of 30% of employee contributions up to \$2,250 per eligible employee. Qualified non-elective contributions are allocated to each eligible employee on a pro rata basis based on each eligible employee’s compensation, and such contributions are made at the discretion of the employer. **401(k) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

---

**Note 1—Description of the Plan (continued)**

*Distributions* – Vested amounts contributed through salary/wage reductions may be withdrawn by or distributed to a participant only upon: (1) termination of service, (2) death, (3) disability, (4) retirement, or (5) a hardship distribution. Upon proof to the satisfaction of the Employer of an immediate and heavy financial need, amounts contributed may be withdrawn for hardship purposes. Certain income tax penalties may apply to withdrawals or distributions prior to retirement.

*Forfeited Accounts* – Forfeitures are retained in the Plan and will be used to reduce administrative expenses under the Plan or reduce future Employer contributions to the Plan. As of December 31, 2023 and 2022, forfeited nonvested accounts were \$-0-. During the year ended December 31, 2023, \$4,617 of forfeitures were used to reduce administrative expenses and \$111,545 of forfeitures were used to reduce Employer contributions.

*Participant Accounts* – Each participant's account is credited with the participant's contributions, the Company's matching contributions, and allocations of: (a) the Company's qualified non-elective contributions and (b) Plan earnings and is charged for withdrawals and an allocation of Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Administrative Expenses* – The Company provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Company, include audit and legal fees, and are excluded from the accompanying financial statements.

**Note 2—Summary of significant accounting policies**

*Basis of Accounting* – The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

*Use of Estimates* – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

*Risks and Uncertainties* – The Plan's investment securities are subject to various risks, such as interest rate, market, and credit. Due to the levels of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

*Investment Valuation and Income Recognition* – The Plan's investments are stated at fair value, except for the guaranteed investment contract that is stated at contract value. The net appreciation of investments includes both realized and unrealized gains and losses on investments. Securities transactions are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

*Fair Value Measurements* – The Plan follows the Fair Value Measurement topic of the Financial Accounting Standards Board's Accounting Standards Codification 820, which defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

**ARROW EXTERMINATORS, INC.**  
**401(k) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

*DECEMBER 31, 2023 AND 2022*

---

**Note 2—Summary of significant accounting policies (continued)**

The standard describes three levels of inputs that may be used to measure fair value:

*Level 1* – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

*Level 2* – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

*Level 3* – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodology used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodology used as of December 31, 2023 and 2022.

*Pooled Separate Accounts* – These investments represent unitized accounts that typically hold one mutual fund traded on an established market. The fair value of the underlying investment is determined by the issuer and is valued daily using publicly available quoted market prices. As Principal Trust Company adjusts the number of units in the pooled separate account to match the fair value of the underlying investment(s), these pooled separate accounts are classified within Level 1 of the valuation hierarchy. Certain other pooled separate accounts are valued at their accumulation unit value determined by pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities. These pooled separate accounts are classified within Level 2 of the valuation hierarchy.

The Plan believes its valuation method is appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*Stable Value Fund* – In accordance with U.S. GAAP, contract value is the relevant measurement for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's stable value fund promises contract value for a benefit event (death, certain retirement income payments, separation from service, hardship, and small account balances) with no conditions, limits, or restrictions. Therefore, the stable value fund is considered fully benefit-responsive and recorded at contract value.

*Contributions Receivable* – Any participant-related contributions that have been deducted from the participant's payroll as of the end of the year but that have not been deposited with the Plan until after the end of the year are reflected as participant contributions receivable in the accompanying financial statements. In addition, any contributions due and payable by the Company are reflected as Employer contributions receivable in the accompanying financial statements.

*Excess Contributions Payable* – Amounts payable to participants for contributions in excess of IRC limitations are recorded as a liability with a corresponding reduction in participant contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15 of the subsequent year.

*Payment of Benefits* – Benefit payments are recorded as deductions from the net assets when they are approved for payment and paid by the Plan.

**NOTES TO THE FINANCIAL STATEMENTS**

*DECEMBER 31, 2023 AND 2022*

---

**Note 5—Investment contracts with insurance company**

A portion of the Plan's assets are invested in a fully benefit-responsive investment contract with Principal Trust Company via the Principal Guaranteed Option ("Guaranteed Option"). The Guaranteed Option seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year United States Treasury bills. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The Guaranteed Option has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and there is no set maturity. The effective credited interest rate is set semi-annually and effective on the first day of the semi-annual period. Contract charges may reduce this return. The average yield for the year ended December 31, 2023 was 6.05%.

**Note 6—Related party and party-in-interest transactions**

The Plan invests in pooled separate accounts and a Principal Guaranteed Option managed by Principal Trust Company, the custodian. Transactions in such investments qualify as party-in-interest transactions but are exempt from the prohibited transaction rules.

**Note 7—Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, the assets of the Plan will be distributed to the participants in accordance with the Plan provisions.

**Note 8—Tax status**

The Plan adopted a non-standardized pre-approved profit-sharing plan. The non-standardized pre-approved profit-sharing plan received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2021, which stated that the volume submitter profit sharing plan was designed in accordance with the applicable sections of the IRC. The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since receiving the opinion letter. However, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax. Therefore, the Plan continues to be tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or an asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
