## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
Atlanta Center for Reproductive Medicine, LLC.:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements***

We have performed an audit of the financial statements of the Atlanta Center for Reproductive Medicine 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### ***Opinion on the 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - 2022 Supplemental Schedules Required by ERISA***

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets Held at Year End as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a

required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter - Accountant's Compilation Report on the 2021 Financial Statement***

Management is responsible for the accompanying statement of net assets available for benefits of the Plan as of December 31, 2021, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. ## ATLANTA CENTER FOR REPRODUCTIVE MEDICINE 401(k) PLAN

### *Notes to Financial Statements*

#### *Year Ended December 31, 2022*

---

#### NOTE A--DESCRIPTION OF THE PLAN

The following brief description of the Atlanta Center for Reproductive Medicine 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

*General:* The Plan is a defined contribution plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Employees of Atlanta Center for Reproductive Medicine, LLC (ACRM) are eligible to participate in the Plan if they are age 20 on entry dates January 1 or July 1.

*Contributions:* Participants are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation unless changed by the participant. Participants may elect to contribute to the Plan, through salary reduction, for the Plan year up to the annual Internal Revenue Service (IRS) limit. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans.

ACRM also makes a flexible discretionary contribution to the Plan with the elective rate being 4.426% of eligible compensation. Participants direct all contributions into various investment options offered by the Plan. Participants must be hired by the last day of the plan year and have either been employed for 1 year or completed 1,000 service hours. An equivalency method is applied to employees who may not have records of actual hours of service (i.e., salaried employees). This method determines that for each week worked 45 hours will count towards completed service hours.

*Participant Accounts:* Each participant's account is credited with the participant's contributions, ACRM's discretionary contributions, an allocation of Plan earnings or losses, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the vested benefit of their account balance.

*Vesting:* Participants are immediately vested in their elective deferral and rollover contributions plus actual earnings thereon. Participants are vested in ACRM's matching contributions based on years of service according to the following schedule:

| <i><b>Years of Service</b></i> | <i><b>Vesting</b></i> |
|--------------------------------|-----------------------|
| 0-1                            | 0%                    |
| 2                              | 20%                   |
| 3                              | 40%                   |

## ATLANTA CENTER FOR REPRODUCTIVE MEDICINE 401(k) PLAN

### *Notes to Financial Statements - Continued*

#### ***Year Ended December 31, 2022***

---

*Forfeitures:* Plan investments consisting of forfeiture balances totaled \$26,519 and \$8,490 December 31, 2022 and 2021, respectively. Forfeitures will be used to reduce future employer matching contributions or pay Plan expenses. Forfeitures used to reduce employer matching contributions were \$34,456 during the year ended December 31, 2022.

*Notes Receivable from Participants:* Participants may borrow from their investment account balances a minimum of \$1,000, up to a maximum of \$50,000 of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates between 4.25% and 8.00% as of December 31, 2022. Participants are only permitted to have one outstanding loan at a time. The term of a loan is no longer than five years unless the loan is used to purchase a principal residence. Principal and interest are paid through payroll deductions.

*Payment of Benefits:* Upon termination of service, including due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested account balance or substantially equal installments over a specified period. Participants may also request in-service withdrawals due to hardship or upon reaching age 59 ½. The Plan also makes involuntary distributions to terminated participants with account balances of \$5,000 or less in the form of a lump-sum payment, or at the participant's election, as a rollover to another qualified retirement plan or to an individual retirement account.

#### NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting:* The accompanying financial statements are prepared on the accrual basis of accounting.

*Use of Estimates:* The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition:* Investments are reported at fair value. Investments in mutual funds are valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily closing price and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Year Ended December 31, 2022***

---

*Notes Receivable from Participants:* Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

*Benefit Payments:* Benefit payments are recorded when paid.

*Administrative Expenses:* Administrative expenses related to maintaining participant accounts and third-party administration are paid by the Plan and deducted from participant funds. Plan expenses related to legal and accounting fees may be paid by ACRM or the Plan.

#### NOTE C--INFORMATION CERTIFIED BY THE CUSTODIAN

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by Matrix Trust Company, the custodian of the Plan, and was not subjected to any auditing procedures performed by the Plan's independent public accountants:

- Cash of \$105,125 as shown in the accompanying Statement of Net Assets Available for Benefits as of December 31, 2022. The investments and notes receivable from participants of \$5,866,079 and \$35,484 respectively, as shown in the accompanying Statement of Net Assets Available for Benefits, as of December 31, 2022.
- Net depreciation in fair value of investments of \$1,394,991 and loan interest, dividends, and other income of \$231,992 as shown in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.
- All investment-related information in the accompanying supplemental Schedule H, Line 4i - Schedule of Assets Held at Year End as of December 31, 2022.

#### NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy based on valuation inputs. The three levels of the fair value hierarchy are described as follows:

- *Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- *Level 2:* Inputs to the valuation methodology include:

## ATLANTA CENTER FOR REPRODUCTIVE MEDICINE 401(k) PLAN

### Notes to Financial Statements - Continued

#### Year Ended December 31, 2022

---

- Quoted prices for similar assets and liabilities in active markets;
  - Quoted prices for identical or similar assets and liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability; and
  - Inputs that are derived principally from or are corroborated by observable market data by correlation or other means.
- *Level 3*: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The preceding methods described in Note B may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

|                          | <i>Level 1</i> | <i>Level 2</i> | <i>Level 3</i> | <i>Total</i> |
|--------------------------|----------------|----------------|----------------|--------------|

| Mutual funds             | \$ 5,866,079   | \$ -           | \$ -           | \$ 5,866,079 |

#### NOTE E--RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has contracted with FuturePlan to provide certain administrative and recordkeeping services. These transactions qualify as party-in-interest transactions. Fees paid by the Plan directly to FuturePlan totaled \$5,414 for the year ended December 31, 2022.

##### NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, ACRM has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their account balance.

##### NOTE G--INCOME TAX STATUS

On June 30, 2020, the IRS stated that the prototype adopted by the Plan, as then designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon by examination by the applicable authorities. The Plan administrator has evaluated the tax positions taken by the Plan and determined there are no uncertain tax positions as of December 31, 2022, that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

##### NOTE H--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

##### NOTE I--SUBSEQUENT EVENTS

In 2023, the Plan changed its custodian from FuturePlan to Fidelity Investments. This change in custodian will also result in changes in the investment options offered under the Plan.

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued. During this period, management did not note any additional, material recognizable subsequent events that required recognition or disclosure in the financial statements other than as disclosed above.
