## Independent Auditor's Report

Board of Directors  
The New Horizons Worldwide 401(k) Retirement Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The New Horizons Worldwide 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 18, 2024 (in liquidation), December 31, 2023 (in liquidation) and December 31, 2022 (ongoing), the related statements of changes in net assets available for benefits for the period from January 1, 2024 to June 18, 2024 (in liquidation), and the year ended December 31, 2023 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 18, 2024, December 31, 2023 and December 31, 2022, and for the period from January 1, 2024 through June 18, 2024 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter—Plan Termination and Liquidation Basis**

As discussed in Note 1 to the financial statements, the Board of Directors of New Horizons Worldwide, LLC, the Plan's sponsor, voted on October 10, 2023, to terminate the Plan, and management determined liquidation was imminent. As a result, the Plan changed its basis of accounting from the going concern basis of accounting used in presenting the 2022 financial statements to the liquidation basis of accounting used in presenting the 2024 and 2023 financial statements. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## The New Horizons Worldwide 401(k) Retirement Savings Plan

### Notes to Financial Statements

#### Note 1. Description of Plan

The following description of The New Horizons Worldwide (the Company) 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement (Plan Document) for a more comprehensive description of the Plan's provisions.

**General:** The Plan is a savings and profit sharing plan established by the Company under the provisions of Section 401(k) of the Internal Revenue Code (the Code), for the benefit of eligible employees of the Company. The Plan is available to all U.S. employees of the Company who are not members of a union, temporary, discretionary or per diem employment. The Plan Administrator is responsible for oversight of the Plan. The Plan's 401(k) Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Plan also includes an auto-escalation provision whereby participants are subject to an annual automatic deferral rate increase of 1% until their deferral rate reaches 7% of eligible compensation. Participants may elect to discontinue their participation in the automatic deferral rate increase at any time.

**Plan termination:** On October 10, 2023, the Board of Directors of the Plan's sponsor, voted to terminate the Plan. At that time, management determined that the liquidation of the Plan was imminent. Therefore, the Plan's 2024 and 2023 financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification 205, Presentation of Financial Statements: Liquidation Basis of Accounting. The final distribution payment was made on June 18, 2024.

**Contributions:** Eligible employees may contribute on a pre-tax basis from 1% to 100% of their compensation, subject to certain limitations. Participants are also permitted to contribute Roth after-tax deferrals to the Plan. Annual participant contributions are not to exceed the maximum allowed under the Code. Participants may also contribute amounts representing distributions from other qualified plans (Rollovers). The Company may make discretionary matching contributions to the Plan on behalf of all participants who make elective deferrals. Additionally, the Plan also allows for discretionary contributions by the Company to any participant who completed at least 1,000 hours of service as an active member of the Plan or who retired, became disabled or died. Allocation of any discretionary contributions must be made in accordance with the Plan Document. The Company did not make discretionary contributions to the Plan in 2023 or 2024. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Effective April 21, 2022, an amendment to the Plan was executed to update the employer's matching contribution to 20% of employees' contribution up to 5%. This is a discretionary match that the Plan Sponsor shall remit during 2023 for participants that were employed through December 31, 2023.

**Participant accounts:** Each participant's account is credited with the participant's elective and rollover contributions and an allocation of Plan investment earnings and the Company's contribution, and charged with withdrawals and distributions and a share of Plan investment losses and expenses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their self-directed investment options at any time.

## The New Horizons Worldwide 401(k) Retirement Savings Plan

### Notes to Financial Statements

#### Note 1. Description of Plan (Continued)

**Vesting:** Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Participants vest in Company contributions as follows:

	<u>Vested Percentage</u>
Years of vesting service:	
Less than 1 year	0%
1 but less than 2 years	20%
2 but less than 3 years	40%
3 but less than 4 years	60%
4 but less than 5 years	80%
5 or more years	100%

Additionally, participants become 100% vested in Company contributions upon death, disability or upon reaching normal retirement age.

As a result of the decision to terminate the Plan during 2023, all participants became fully vested in their account balances as of October 10, 2023, the date the Plan terminated.

**Payment of benefits:** Prior to the Plan termination, the Plan permitted withdrawals when a participant terminated employment, retired, or became disabled or deceased. In-service withdrawals were also permitted for certain financial hardships or when a participant attained age 59½. Hardship withdrawals could not be taken from money contributed by the Company. Minimum required distributions for participants who have reached age 72 also applied per IRS regulations. Benefits were payable in lump-sum payments with certain exceptions allowed. In connection with the Plan termination, participants options for existing balances were to elect lump sum cash distribution, an eligible rollover to a qualified account such as an IRA or a combination of a lump sum cash distribution, an eligible rollover to a qualified account such as an IRA or a combination of a lump sum cash distribution and an eligible rollover. Participant accounts were deemed fully vested at the time of distribution.

**Notes receivable from participants:** A participant may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years unless the loan is used for the purchase of a participant's primary residence, for which the term can be up to 30 years. Loans are secured by the vested balance in the participant's account and bear interest rates which approximate prevailing rates. Principal and interest are paid ratably through payroll deductions. Upon termination of employment, the outstanding principal and interest balance is immediately payable. As of December 31, 2023, interest rates on participant loans ranged from 4.25% to 7.25% and mature through 2027. All loans were paid by June 18, 2024.

**Forfeitures:** Invested employer matching contributions forfeited by an employee terminating from the Plan are retained in the Plan and used to reduce plan administrative expenses. For the period ended June 18, 2024 and the years ended December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0, \$2,726 and \$1,078, respectively. The Plan utilized \$1,750 in 2023 and \$0 in 2024 for Plan administrative expenses.

#### Note 2. Summary of Significant Accounting Policies

**Basis of presentation:** Due to the decision to terminate the Plan during 2023, management determined that liquidation of the Plan was imminent and the financial statements for 2024 and 2023 have been prepared using the liquidation basis of accounting. The 2022 financial statements were prepared as a going concern on the accrual basis of accounting.

## The New Horizons Worldwide 401(k) Retirement Savings Plan

#### Note 2. Summary of Significant Accounting Policies (Continued)

**Financial statement presentation:** The Plan elected to defer the filing of its financial statements with its Form 5500 for the year ended December 31, 2023, as permitted by 29 CFR 2520.104-50, since the following plan year ended June 18, 2024, and is a short year of seven months or less. Accordingly, the Plan has included statements of net assets as of June 18, 2024, December 31, 2023 and December 31, 2022, along with statements of changes in net assets for the period from January 1, 2024 to June 18, 2024, and the year ended December 31, 2023, as required by Department of Labor's (DOL) regulations when such election is made.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** All investments in the Statement of Net Assets Available for Plan Benefits (Liquidation Basis) at June 18, 2024 and December 31, 2023 are reported at liquidation value due to the Plan termination discussed in Note 1. For all investments, fair value approximates the amount the Plan expects to collect at liquidation. All investments in the Statement of Net Assets Available for Plan Benefits (Going Concern Basis) at December 31, 2022 are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See below for discussion on fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income is recorded on the liquidation basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded based on the terms of the Plan. No allowances for credit losses has been recorded as of June 18, 2024, and December 31, 2023 and 2022.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

**Subsequent events:** The Plan has evaluated subsequent events (events occurring after December 31, 2023) through November 26, 2024, the date the financial statements were available to be issued.

#### Note 3. Information Certified or Provided by Fidelity Management Trust Company (Trustee)

The following is a summary of the Plan's asset information as of June 18, 2024, December 31, 2023 and December 31, 2022, and for the period from January 1, 2024 to June 18, 2024 and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained from management and derived from information certified by Fidelity Management Trust Company, the trustee of the Plan. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	June 18, 2024	2023	2022
Investments at fair value:			
Registered investment companies	\$ -	\$ 7,627,795	\$ 8,276,017
Common collective trust stable value fund	-	1,139,952	1,211,368
	<u>\$ -</u>	<u>\$ 8,767,747</u>	<u>\$ 9,487,385</u>
Notes receivable from participants	<u>\$ -</u>	<u>\$ 10,842</u>	<u>\$ 38,382</u>

The trustee also certified to the completeness and accuracy of interest and dividends of \$26,753 and net appreciation in fair value of investments of \$372,649 and interest income from notes receivable from participants of \$247 for the period from January 1, 2024 to June 18, 2024.

The trustee also certified to the completeness and accuracy of interest and dividends of \$247,792 and net appreciation in fair value of investments of \$1,297,578 and interest income from notes receivable from participants of \$1,344 for the year ended December 31, 2023.

#### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability

## The New Horizons Worldwide 401(k) Retirement Savings Plan

### Notes to Financial Statements

#### Note 4. Fair Value Measurements (Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 18, 2024, December 31, 2023 and 2022.

**Registered investment companies (mutual funds):** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common collective trust stable value fund:** A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

There were no assets held as of June 18, 2024. The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 7,627,795	\$ -	\$ -	\$ 7,627,795
Investments measured at NAV (a)				1,139,952
Investments at fair value				<u>\$ 8,767,747</u>

  

Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 8,276,017	\$ -	\$ -	\$ 8,276,017
Investments measured at NAV (a)				1,211,368
Investments at fair value				<u>\$ 9,487,385</u>

- (a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

## The New Horizons Worldwide 401(k) Retirement Savings Plan

### Notes to Financial Statements

---

#### Note 4. Fair Value Measurements (Continued)

The following table summarizes investments for which fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2023 and 2022:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	December 31 2023	December 31 2022			
Common collective trust stable value fund (a)	<u>\$ 1,139,952</u>	<u>\$ 1,211,368</u>	None	Daily	None

(a) Seeks current income consistent with maintaining liquidity and preserving capital. The account invests primarily in high-quality short-term investments.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

#### Note 5. Related-Party and Parties-in-Interest Transactions

Fidelity Management Trust Company is the trustee of the Plan; therefore, transactions with the trustee qualify as party-in-interest transactions. Fees paid by the Plan to the trustee totaled \$1,667 for the period from January 1, 2024 to June 18, 2024, and \$24,078 for the year ended December 31, 2023. Therefore, these transactions qualify as party-in-interest transactions. The Plan Sponsor also paid certain administrative expenses of the Plan.

#### Note 6. Tax Status

Effective September 22, 2017, the Plan adopted a non-standardized form of a prototype plan sponsored by FMR LLC. The prototype plan has received an opinion letter, dated June 30, 2020, from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by the DOL or the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
