ES LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2020

NOTE 1 - PLAN DESCRIPTION

General

The following description of the ES LLC 401(k) Plan (the "Plan"), as amended, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan, which was established on July 1, 2017, is classified as a defined-contribution safe harbor plan, and covers eligible employees of ES, LLC (the "Plan Sponsor" or "Company") upon completion of one year of eligible service with at least 1,000 hours and who are age 21 or older. The primary purpose of the Plan is to provide retirement savings benefits to employees of the Company based on the respective eligibility requirements, applicable wages and contributions, and vesting schedule. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 100% of their pre-tax and after-tax annual compensation, as defined in the Plan and subject to Internal Revenue Service ("IRS") limitations. The Company may make a discretionary matching contribution on the behalf of each participant's total deferral contributions made during such Plan year. In addition to the matching contributions, the Company may make qualified non-elective contributions for the benefit of all eligible participants. The Company made no qualified non-elective contributions during the year ended December 31, 2020.

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, employer contributions, and allocations of Plan earnings, and is charged with an allocation of administrative expenses, if any. Participant contributions and employer contributions are allocated, at the participant's election, to investment funds held at Ascensus Trust Company (the "Plan Custodian"). Participants may change their investment options at any time with certain exceptions. Plan earnings are allocated based on the actual earnings of the respective participant's investments. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

NOTE 1 - PLAN DESCRIPTION *(Continued)*

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances by executing a note in accordance with the Plan's provisions. The notes are collateralized by the balance in the participant's account and bear interest at a rate ranging from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions and are generally repaid within five years from the date of the loan.

Vesting

Participants are fully vested in their voluntary and rollover contributions, plus actual earnings thereon. Vesting in the Company contributions is based on years of continuous service, as follows:

Years of Service	Percentage Vested
2	20%
3	40%
4	60%
5	80%
6	100%

Corrective Distributions

Corrective distributions may be required in the event that employee contributions exceed contribution limitations of the Plan. These amounts are recorded as a liability as of the Plan's year end and are reflected on the statement of changes in net assets available for benefits as an offset to contributions.

Payment of Benefits

Upon termination of employment by reason of death, disability, or retirement, a participant is entitled to the entire participant account balance, which includes all of the vested employer contributions allocated to the participant's account and all gains or losses attributed thereto. Terminating participants may elect to receive a distribution of their vested benefits in a lump sum distribution or partial payments. As of December 31, 2020 and 2019, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Forfeitures

Forfeitures of terminated participants' non-vested accounts are used to reduce Company matching contributions or pay Plan expenses. There were no forfeited non-vested accounts as of December 31, 2020 and 2019. There were no forfeitures used to reduce employer contributions or pay Plan expenses during the year ended December 31, 2020.

Cash and Cash Equivalents

Cash and cash equivalents include cash in depository accounts and certain investments in highly liquid instruments purchased with original maturities of three months or less.

Investment Valuation and Income Recognition

Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of marketable securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest income is recorded as earned on the accrual basis.

In accordance with the Plan's policy of stating marketable securities at fair value, the change in fair value for the year is reflected in the statement of changes in net assets available for benefits as net appreciation in fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus accrued but unpaid interest.

Contributions

Contributions to the Plan are recorded in the period in which they become obligations to the Company.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative and Other Costs

During the year ended December 31, 2020, Plan administrative expenses of approximately $17,000 were charged directly to the Plan. Certain other investment-related fees, commissions, and reporting expenses are included in net appreciation in fair value of investments.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles, and with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, require the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Company has evaluated subsequent events for recognition and disclosure through November 14, 2024, the date the financial statements were available to be issued.

NOTE 3 - PLAN CERTIFICATION

The Plan Custodian holds the Plan's investments and executes all investment transactions. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants at December 31, 2020 and 2019, net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritize the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Significant, unobservable inputs used for valuing the asset or liability in which little or no market data exists.

A financial instrument's level, within the fair value hierarchy, is based on the lowest level of input that is significant to the fair value measurement in its entirety.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2020 and 2019:

December 31, 2020

	Fair Value Measurements			
	Level 1	**Level 2**	**Level 3**	**Total**

Mutual funds	405,468	-	-	405,468
Total investments	$ 411,052	$ -	$ -	$ 411,052

There were no transfers of investments between any levels within the fair value hierarchy during the year ended December 31, 2020.

NOTE 5 - RISK AND UNCERTAINTIES

The Plan's investments are not insured and are subject to risk. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodian.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - INCOME TAX STATUS

The Plan is intended to be a qualified trust under Section 401 of the Internal Revenue Code ("IRC") and is subject to the provisions of ERISA. The Plan has received a determination letter from the IRS dated January 1, 2018, in which the IRS stated that the Plan was in compliance with the applicable requirements of the IRC. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax exempt. Therefore, no provision for income taxes has been included in the Plan's accompanying financial statements.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 8 - COVID-19 AND CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law. The CARES Act, among other things, added a new type of hardship withdrawal that waives the withdrawal penalty to participants that (1) are diagnosed with COVID-19, (2) have a spouse or dependent that are diagnosed; or (3) experience adverse financial consequence because of being quarantined, furloughed or laid off, or having reduced work hours, or who are unable to work because of a lack of childcare, or the closing or reduced hours of a business they own or operate, or other factors, as determined by the Secretary of Treasury. The CARES Act also provides relief for payments due under notes receivable from participants by increasing the maximum borrowing amount to $100,000 or 100% of the participant's vested account balance and permitting repayments of loans to be delayed by up to one year for qualifying participants. The CARES Act also allows plans to suspend making the required minimum distributions in 2020 that would otherwise have been required.
