## Report of Independent Auditor

To the Plan Administrator  
TriSMART Solar 401(k) Plan  
Houston, Texas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of TriSMART Solar 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of August 25, 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the period January 1, 2023 through August 25, 2023 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of August 25, 2023 (in liquidation), and for the period January 1, 2023, through August 25, 2023 (in liquidation), stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting for the 2023 Financial Statements**

As further discussed in Notes 1, 2, and 8 to the financial statements, the governing body of the Plan approved a plan of liquidation on July 14, 2023, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter – 2023 Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a for the period January 1, 2023, through August 25, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2022 Financial Statements**

The financial statements as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated November 16, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## TRISMART SOLAR 401(k) PLAN NOTES TO THE FINANCIAL STATEMENTS

AUGUST 25, 2023 (IN LIQUIDATION) AND DECEMBER 31, 2022 (ONGOING)

---

### Note 1—Description of the Plan

The following description of the TriSMART Solar 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

*General* – The Plan is a qualified retirement plan adopted by TriSMART Solar LLC (the “Company” or “Sponsor”) effective January 1, 2022, to provide employees with the opportunity to save for retirement on a tax-advantaged basis. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

*Eligibility* – The Plan covers all eligible employees (excluding employees covered by a collective bargaining agreement, certain nonresident aliens, and leased employees). Eligible employees will be eligible to participate for purposes of elective deferral contributions, employer matching contributions, and nonelective contributions when they have completed three months of service.

*Administration* – The Plan is administered by the Company, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities.

*Plan Termination* – On July 14, 2023, the Plan sponsor approved a plan of termination and management determined that liquidation was imminent. Effective with the Plan’s termination, all participants with an account balance remaining in the Plan became fully vested in all contribution sources, regardless of status or years of vested service. The Plan’s termination also ceased employee and employer contributions into the Plan.

Concurrently with the termination of the Plan, the Plan sponsor adopted a new plan, the Compliance 401(k) Multiple Entity Employer Plan. In connection with the Plan’s termination, participants could direct a distribution of their account balances or, if an employee of the Company, have their remaining account balance transferred into Compliance 401(k) Multiple Employer Plan. Participant account balances totaling \$338,095 were rolled into Compliance 401(k) Multiple Employer Plan in August 2023. All participant balances were liquidated and distributed by August 25, 2023.

*Contributions* – Each participant may elect to reduce their compensation by a specific percentage or dollar amount and have that amount contributed to the Plan as a pre-tax 401(k) deferral or Roth 401(k) deferral. Total deferrals in any taxable year may not exceed a dollar limit which is set by law. Participants who are at least age 50 or will attain age 50 before the end of a calendar year may elect to defer additional amounts as catch-up contributions. The Plan also includes an automatic salary deferral feature. Unless a participant makes an affirmative election to opt out of the automatic salary deferral, the Company will automatically withhold 3% of a participant’s compensation each payroll period. Participants are permitted to modify or revoke their salary deferral election at any time during the Plan year.

The Company may, in its sole discretion, make a matching contribution or nonelective contribution to the Plan on behalf of participants if participants make a matched employee contribution. A matched employee contribution is any elective deferral contribution or catch-up contribution that a participant may make during the Plan year. If the participant makes a matched employee contribution and has completed at least 1,000 hours of service during the plan year and is employed by the Company on the last day of the plan year the Company may contribute to the participants’ employer matching contribution account or nonelective contribution account in an amount and allocation formula as determined by the Company in its sole discretion. For the period January 1, 2023, through August 25, 2023, the Company did not make any matching or nonelective contributions to the Plan.

Participants are also permitted to deposit into the Plan distributions that have been received from other retirement plans and certain IRAs as rollover contributions.

## NOTES TO THE FINANCIAL STATEMENTS

AUGUST 25, 2023 (IN LIQUIDATION) AND DECEMBER 31, 2022 (ONGOING)

---

### Note 1—Description of the Plan (continued)

*Participant Accounts* – Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions and Plan earnings (losses). Allocations of earnings (losses) are based on participant earnings (losses) or account balances, as defined by the Plan. Plan expenses are charged to participant accounts on a per capita flat dollar amount, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

*Retirement, Death, and Disability* – A participant is entitled to 100% of his or her account balances upon retirement, death, or disability.

*Vesting* – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary employer matching and nonelective employer contributions plus actual earnings thereon is based on years of credited service. A year of service is credited on each anniversary of a participant's employment with the Company. Participants also become fully vested upon attainment of normal retirement age or upon termination of employment due to disability or death. Participants are 100% vested after six years of credited service as summarized as follows:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| Less than 2 years       | 0%                       |
| 2 years                 | 20%                      |
| 3 years                 | 40%                      |
| 4 years                 | 60%                      |

*Payment of Benefits* – Upon attainment of age 59½, death, disability, retirement, or termination of employment, a participant may elect to receive a lump-sum payment equal to the participant's vested account balance. For terminated participants' account balances that are less than \$1,000, the Plan administrator may distribute the entire amount in a lump sum without the participant's consent. For terminated participants' account balances that are at least \$1,000 but less than \$5,000, the Plan administrator may transfer the entire amount into an individual retirement account without the participant's consent. If the terminating participant's account balance exceeds \$5,000, the participant may choose to keep the funds in the Plan, request a direct rollover to another qualified plan, or take a distribution (with consent of the participant's spouse, if applicable).

A participant is required to begin taking minimum distributions no later than April 1 of the calendar year following the calendar year the participant turns 72 or terminates employment, whichever is later.

*Distributions During Employment* – A participant may be entitled to receive an in-service distribution. Generally, a participant may receive a distribution from the Plan from certain accounts prior to termination of employment provided they have attained normal age of 65, attained age 59 1/2, or need to satisfy certain immediate and heavy financial needs in the event of financial hardship. Participants may also receive a distribution from their rollover contribution account at any time.

### NOTES TO THE FINANCIAL STATEMENTS

AUGUST 25, 2023 (IN LIQUIDATION) AND DECEMBER 31, 2022 (ONGOING)

---

#### Note 2—Summary of significant accounting policies

*Basis of Accounting* – The financial statements of the Plan as of December 31, 2022, are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). As a result of the July 14, 2023, decision to terminate the Plan, and in accordance with U.S. GAAP, the Plan’s financial statements as of August 25, 2023 and for the period January 1, 2023 through August 25, 2023 are presented using the liquidation basis of accounting. Under the liquidation basis of accounting, assets are stated at their estimated net realizable cash value and liabilities are stated at their anticipated settlement amounts. There are no material changes to the 2023 financial statements as a result of the change under the liquidation basis of accounting.

*Investment Valuation* – Investments are typically reflected in the accompanying statements of net assets available for benefits at their fair values. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value at December 31, 2022, as determined by the trustee, is based primarily on the quoted market prices of the underlying securities or net asset value (“NAV”).

*Income Recognition* – The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned daily and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

*Use of Estimates* – The preparation of financial statements in conformity with U.S. GAAP requires the Plan’s management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Such estimates include those regarding the fair value of investments. Actual results could differ from those estimates.

*Payment of Benefits* – Benefits are recorded as deductions from the net assets when paid.

*Administrative Expenses* – Expenses paid by the Plan include third party administration fees and investment fees. Investment related expenses are included in the net appreciation or net depreciation of the fair value of investments. Certain expenses of operating and maintaining the Plan have been paid by the Company and, accordingly, are not reflected in the accompanying financial statements of the Plan. In the event the Plan sponsor does not continue to pay the Plan expenses, the Plan expenses will be paid by and charged to participant accounts on a per capita flat dollar amount, as defined by the Plan.

*Recently Issued Accounting Pronouncements* – Plan management is not aware of any recently issued accounting pronouncements that would have a material impact on the Plan’s financial statements.

### NOTES TO THE FINANCIAL STATEMENTS

AUGUST 25, 2023 (IN LIQUIDATION) AND DECEMBER 31, 2022 (ONGOING)

---

#### Note 3—Information prepared and certified by the Custodian (unaudited)

The Plan administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the "Custodian" of the Plan, has certified to the completeness and accuracy of the following data included in the accompanying financial statements and supplemental schedule:

- Investments, at fair value as shown on the statements of net assets available for benefits for the period January 1, 2023 through August 25, 2023 and December 31, 2022.
- Net appreciation in fair value of investments as shown in the statement of changes in net assets available for benefits for the period January 1, 2023 through August 25, 2023.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements as of August 25, 2023.

#### Note 4—Fair value measurements

U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The framework for measuring fair value provides a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The three levels of the fair value hierarchy that may be used to measure fair value are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets as of the reporting date;

*Level 2* – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

*Level 3* – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The hierarchy gives the highest priority to Level 1 inputs and the lowest priority to Level 3 inputs. The following is a description of the valuation methodology used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

*Mutual Funds* – These investments are public investment vehicles valued using NAV provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

The Plan believes its valuation method is appropriate and consistent with those of other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodology used at August 25, 2023 and December 31, 2022.

**Note 5—Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements and supplemental schedule.

**Note 6—Party-in interest transactions**

Certain members of the Company's management perform administrative and fiduciary duties for the Plan without compensation, that qualify them as parties-in-interest and/or related parties of the Plan. Transactions between such members of management and the Plan were routine in nature and conducted pursuant to the Plan's provisions as of August 25, 2023 and the period from January 1, 2023 through August 25, 2023. The Plan pays both direct and indirect fees to the Custodian for investment management services.

### **NOTES TO THE FINANCIAL STATEMENTS**

*AUGUST 25, 2023 (IN LIQUIDATION) AND DECEMBER 31, 2022 (ONGOING)*

#### **Note 7—Income tax status**

The Company adopted a non-standardized pre-approved profit-sharing plan and it received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020 which stated that the Plan is designed in accordance with applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan also has no income subject to unrelated business income tax and, therefore, continues to be tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of August 25, 2023 and December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 8—Plan termination**

In July 2023, the Plan sponsor elected to terminate the Plan. The Plan assets were liquidated as of August 25, 2023, and were rolled over into a new plan.

#### **Note 9—Subsequent events**

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events through December 10, 2024, the date these financial statements were available to be issued.
