INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Petersen, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Petersen, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of November 1, 2023, and December 31, 2022, and the related statement of changes in net assets available for benefits for the period from January 1, 2023 to November 1, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Petersen, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of November 1, 2023, and December 31, 2022, and for the period from January 1, 2023, to November 1, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Petersen, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Assets Transferred to Another Plan

As discussed in Note I to the financial statements, the Plan Sponsor of the Precinmac 401(k) Plan approved a resolution and amendment to the Precinmac, Inc. 401(k) Plan. The agreement merged the Petersen, Inc. 401(k) Plan into the Precinmac, Inc. 401(k) Plan with an effective date of November 1, 2023.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Petersen, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted

in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Petersen, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Petersen, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit

findings, and certain internal control-related matters that we identified during the audits.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets transferred to another plan as of November 1, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PETERSEN, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

November 1, 2023

NOTE A - DESCRIPTION OF PLAN

The following description of the Petersen Inc. 401(k) Plan provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

1) General - The Plan is a defined contribution plan covering all full-time employees of the Company. Employees who are covered by a collective bargaining agreement, non-resident aliens or are employees of an affiliate that is not a participating employer are not eligible. Prior to December 31, 2022, employees of the Company who had a minimum of three months of service and attained age 21, were eligible to participate in the plan as of the first day of the calendar quarter once the eligibility requirements were met. Effective January 1, 2023, the plan's eligibility requirements were amended to one month of service and attainment of age 18. Employees were eligible to participate as of the first day of the month following the date eligibility requirements were met. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

2) Contributions - Each plan year, participants may contribute up to the lessor of 75% of their annual compensation, as defined by the plan, or the maximum statutory amount. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit plans, qualified defined contribution plans and individual retirement arrangements. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. The deferral rate increases automatically 1% per year to a maximum of 10% of eligible compensation. For the plan year, the Company matched 100% of employee salary deferrals up to the first 3% of compensation, then 50% of the next 2% of compensation. The matching contribution is paid each payroll period. Contributions are automatically invested in a designated fund until changed by the participant. Under the terms of the plan, the Company, at the discretion of the Board of Directors, may make an additional discretionary matching contribution and/or a profit-sharing contribution. However, at this time the Company's board of directors has determined not to make an additional match or

profit-sharing contribution to this plan. All contributions are invested in the Plan's available investments as directed by the participant. Contributions are subject to certain limitations.

3) Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (A) the Company's contribution, if any, (B) plan earnings (losses), and (C) may be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4) Vesting - Participants are immediately vested in their salary deferrals and rollover contributions plus actual earnings thereon. Vesting in the Company profit sharing and matching contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100 percent vested after 6 years of credited service.

5) Investment Options - Investments of the plan were held by Delaware Charter Guarantee & Trust Company dba Principal Trust Company at November 1, 2023 and December 31, 2022. Plan assets were invested in registered investment companies (mutual funds), pooled separate accounts, common/collective trusts and the guaranteed investment contract based solely upon instructions received from participants.

6) Payment of Benefits - On termination of service, disability, retirement, or death, a participant or their beneficiaries will receive a lump-sum amount equal to the vested value of his or her account. Under certain circumstances, including financial hardship, participants may withdraw their contributions prior to the occurrence of these events. The Plan Administrator determines financial hardship.

7) Forfeited Accounts – At November 1, 2023 and December 31, 2022, the value of forfeited non-vested accounts were \$0 and \$0 respectively. These accounts could be used to reduce employer contributions or pay plan expenses. During the plan period from January 1, 2023 to November 1, 2023, the employer used \$39,034 in forfeitures to offset the employer matching contribution.

8) Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. Participant loans are secured by the participant's vested balance and bear an interest rate based on the prime interest rate plus 1%, which are commensurate with local prevailing rates. Principal and interest are paid to the plan through payroll deduction or by a check from the participant.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Date of Management's Review – Subsequent events were evaluated through December 6, 2024 which is the date the financial statements were available to be issued.

Accounting Method - The financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of November 1, 2023 and December 31, 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividend income is accrued on the ex-dividend date.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses – The Plan and Plan Sponsor pays the costs of administering the Plan.

NOTE C – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active

markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

The fair values of the common/collective trusts and pooled separate accounts are generally based on publicly quoted pricing for the underlying securities that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Level 2 inputs may also include insignificant adjustments to market observable inputs.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of November 1, 2023 and December 31, 2022.

<u>Fair Value Measurements at</u> <u>End of Reporting Period</u> <u>Using:</u>			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
November 1, 2023			
Pooled Separate Accounts	\$ - 0 -	\$ - 0 -	\$ - 0 -
Mutual Funds	- 0 -	- 0 -	- 0 -
TOTAL	<u>\$ - 0 -</u>	<u>\$ - 0 -</u>	<u>\$ - 0 -</u>
December 31, 2022			
Pooled Separate Accounts	\$ 2,318,538	\$ - 0 -	\$ 2,318,538
Mutual Funds	<u>30,712,225</u>	<u>30,712,225</u>	<u>- 0 -</u>
TOTAL	<u>\$ 33,030,763</u>	<u>\$ 30,712,225</u>	<u>\$ 2,318,538</u>

Gains and losses included in changes in net assets available for benefits for the period from January 1, 2023 to November 1, 2023, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the period from January 1, 2023 to November 1, 2023, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE D – PLAN TERMINATION

Although it has not expressed any interest to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE E – TAX STATUS

The Plan has adopted a pre-approved defined contribution plan document whose document sponsor has received an opinion letter dated June 30, 2020. The Plan sponsor is placing reliance on this opinion letter. The plan administrator and the plan's legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and the trust established under the Plan is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate the tax position taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audit by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE F – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate.

Investments at fair value	2023	2022
Mutual funds	\$ - 0 -	\$ 30,712,225
Pooled Separate account	- 0 -	2,318,538
Guaranteed investment contract	- 0 -	2,193,490
Participant loans	- 0 -	869,392
Investment Income		
Combined total income net of expenses	\$ 2,241,997	\$ (3,762,731)
Other distributions and transactions		
Net distributions and other transactions	\$ (42,654,045)	\$ (4,378,793)
Contributions		
Net contributions	\$ 5,114,771	\$ 13,036,944

The Plan’s independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedules.

NOTE G – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2011, the Plan entered into a benefit-responsive guaranteed investment contract with Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value with an adjustment to contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at November 1, 2023 and December 31, 2022, was \$-0- and \$2,193,490, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1.75%. Such interest rates are reviewed on a semi-annual basis.

Certain events limit the Plan's ability to transact at contract value with Principal. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment option does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE H – EXCESS CONTRIBUTIONS

As of November 1, 2023, there were amounts distributed to participants totaling \$19,688 for contributions in excess of amounts allowed by the Internal Revenue Service. In addition, there were ADP failure excess contributions in the amount of \$1,060 that were not distributed to the affected participants before the Plan was merged in the Precinmac 401(k) Plan. The receiving Plan distributed the 2023 excess contributions in January 2024. There were no excess contributions payable as of December 31, 2022.

NOTE I – ASSETS TRANSFERRED TO ANOTHER PLAN

Effective November 1, 2023, Major Tool & Machine, Inc. approved a resolution and amendment to the Precinmac 401(k) Plan Agreement to merge the Petersen, Inc. 401(k) Plan into and with the Precinmac 401(k) Plan. As such, the Plan transferred net assets totaling \$34,803,324 to the Precinmac 401(k) Plan to complete the merger. In addition, the receiving Plan recognized Petersen, Inc. as an affiliated participating employer in the Plan

and related service for eligibility, contribution allocation, and vesting purposes. All protected benefits in the Petersen, Inc. 401(k) Plan were not reduced or eliminated as a result of the merger of the plans.

NOTE J - PLAN AMENDMENT

On January 15, 2023, the Employer restated and amended the Plan Agreement in its entirety, effective January 15, 2023 to: 1) update the Plan's eligibility service requirement to one month of service; 2) update the Plan's eligibility age to Age 18; and 3) update the entry date after eligibility is met to enter the Plan on the first day of every month.
