INDEPENDENT AUDITOR'S REPORT

December 10, 2024

To the Plan Administrator and Management of
Clifford Fuel Co., Inc. Employees' 401(k) Savings and Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Clifford Fuel Co., Inc. Employees' 401(k) Savings and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Clifford Fuel Co., Inc. Employees' 401(k) Savings and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Clifford Fuel Co., Inc. Employees' 401(k) Savings and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clifford Fuel Co., Inc. Employees' 401(k) Savings and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Clifford Fuel Co., Inc. Employees' 401(k) Savings and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clifford Fuel Co., Inc. Employees' 401(k) Savings and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

1. DESCRIPTION OF PLAN

The following description of the Clifford Fuel Co., Inc. Employees' 401(k) Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Clifford Fuel Co., Inc. and Clifford Sunrise to Sunset Markets, Inc. (collectively, the "Company"), who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to receive employer contributions after the attainment of age twenty-one and have completed one year of service.

Contributions

Each year, the Company may make a discretionary contribution, which is not conditioned on profits. The discretionary contribution is allocated based on each participant's compensation and a classification group in order to pass compliance testing. Contributions are subject to certain limitations.

Effective July 1, 1995, elective contributions are no longer allowed under the Plan. Any elective contributions made prior to this date have been maintained in a separate elective contribution account.

Participant Accounts

Each participant's account is credited with an allocation of the Company's discretionary contribution, Plan earnings/losses and investment expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the Company's discretionary contribution portion of their accounts plus earnings/losses thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum amount, or in monthly, quarterly, or annual cash installments over a period to be determined by the participant or his beneficiary. The period over which such a payment is to be made shall not extend beyond the participant's life expectancy or the life expectancy of the participant and his designated beneficiary. Options for a life annuity or a joint life and last survivor annuity are also available. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as an automatic rollover IRA unless the participant elects otherwise. If a participant's account balance is less than \$5,000 upon retirement or termination of employment, the vested balance will be immediately distributed in a lump-sum payment.

Hardship withdrawals are permitted by the Plan for the purchase of a principal residence, tuition and related expenses for post-secondary education, medical expenses not covered by insurance, to prevent eviction from or foreclosure on a principal residence, for certain burial or funeral expenses, and for the repair to a principal residence resulting from a casualty. Participants may withdraw employee contributions plus their respective earnings subject to certain limitations.

In service withdrawals are permitted for participants that are 59 ½ or older.

Forfeited Accounts

At June 30, 2024 and 2023, forfeited non-vested accounts totaled \$119,365 and \$16,388, respectively. These amounts are used to reduce future employer contributions. The Company used \$124,934 and \$16,388 in forfeited funds to reduce the Company's contribution for the Plan years ending June 30, 2024 and 2023, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investments' advisors and qualified institutions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Allocated Contract

The Plan has a contract with an insurance company for an individual life insurance policy on a key employee. The insurance benefits are fully guaranteed by the insurance company. Therefore, the allocated contract and related benefit obligation are excluded from the Plan's financial statements.

Administrative and Investment Expenses

At the Company's discretion, administrative expenses of the Plan may be paid out of the Plan's assets or may be paid by the Company. Expenses paid by the Company may include expenses related to the function of the plan, including investment advisory, legal, audit expenses, and trust and record keeping expenses. Investment management fees are charged directly against the related investments of the Plan. Expenses related to distribution processing are deducted from those participant accounts transactions occur.

Fair Value Measurement - Definition and Hierarchy

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- *Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- *Level 2:* Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- *Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of where the Plan's investments fall within the ASC 820 hierarchy is provided in Note 3. There were no transfers between levels of the fair value hierarchy during the Plan years ended June 30, 2024 or 2023.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

3. FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

- *Mutual funds*: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Fixed Annuities*: valued based on observable inputs of existing contracts and readily available financial information of the issuing annuity provider.

The following is a description of the valuation methodologies used for assets and liabilities for which fair values are estimated using the net asset value (NAV) practical expedient:

- *Common collective trust fund*: valued at the NAV provided by the manager of the fund. The NAV is calculated as the underlying net assets owned by the fund, divided by the number of units outstanding. The NAV is based on the fair value of the underlying securities within the fund. The fund is presented using NAV per unit as a practical expedient for the fair value of the investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurement at June 30, 2024 and 2023.

Fair value measurement at June 30, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 620,592	\$ -	\$ -	\$ 620,592
Fixed annuities	<u>-</u>	<u>1,207,030</u>	<u>-</u>	<u>1,207,030</u>
	<u>\$ 620,592</u>	<u>\$ 1,207,030</u>	<u>\$ -</u>	1,827,622
Investments using NAV as practical expedient (a)				<u>6,479,914</u>
Total investments, at fair value				<u>\$ 8,307,536</u>

3. FAIR VALUE MEASUREMENTS (Continued)

Fair value measurement at June 30, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 390	\$ -	\$ -	\$ 390
Fixed annuities	<u>-</u>	<u>1,785,521</u>	<u>-</u>	<u>1,785,521</u>
	<u>\$ 390</u>	<u>\$ 1,785,521</u>	<u>\$ -</u>	<u>1,785,911</u>
Investments using NAV as practical expedient (a)				<u>5,751,631</u>
Total investments, at fair value				<u>\$ 7,537,542</u>

(a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share practical expedient as of June 30, 2024 and 2023.

<u>Investment</u>	<u>2024 Fair Value</u>	<u>2023 Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Great Gray Trust American Funds Collective Trust Funds	\$ 6,296,320	\$ 5,751,631	\$ -	Daily	None
Wilmington Trust Blackrock Total Return Bond Funds	\$ 183,594	\$ -	\$ -	Daily	None

The common collective trust funds of Great Gray Trust American Funds and Wilmington Trust Blackrock Total Return Bond Funds are funds that seek to provide long-term investors with an asset allocation strategy designed to maximize their retirement savings consistent with the projected retirement date associated with each fund. The net asset value of these investments is derived from the market value of the underlying investments. The unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are primarily based on observable inputs. These investments do not have any unfunded commitments. The Plan can redeem these investments daily. There are currently no redemption restrictions on these investments.

The above common collective trust funds provide for the payment of certain withdrawals and exchanges at contract value subject to certain restrictions. Withdrawals prompted by certain events may be paid at the fair market value of the Fund, which may be less than the contract value. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at NAV with participants are probable of occurring.

4. NONPARTICIPANT-DIRECTED INVESTMENTS

Prior to July 1, 2022, all Plan investments were nonparticipant-directed investments. During the plan year ended June 30, 2023, Plan investments were transferred to Empower Trust Company, LLC and participants were able to self-direct their investments. Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments (held with Morgan Stanley Smith Barney) as of June 30, 2023 and for the year then ended, are as follows:

Changes in net assets:

Net appreciation in fair value of investments	\$ 189,437
Interest and dividend income	7,113
Net transfers to participant-directed investments	(6,882,704)
Administrative and investment expenses	<u>(5,373)</u>

6. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Empower Trust Company, LLC, who acts as trustee of the Plan. Additionally, Morgan Stanley Smith Barney is the Plan's investment advisor. Transactions with these entities qualify as party-in-interest transactions.

7. INCOME TAX STATUS

The Plan adopted a pre-approved plan offered by Scolaro Fetter Grizanti & McGough, P.C. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become one hundred percent vested in their accounts.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

While total net assets available for benefits and the total change in net assets available agree between the financial statements and Form 5500 for 2024 and 2023, certain classifications differ between the financial statements and Form 5500.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through December 10, 2024, the date the financial statements were available to be issued.
