Independent Auditors' Report

The Plan Administrator of Delos Living, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Delos Living, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of February 29, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period from January 1, 2024 to February 29, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of February 29, 2024 and December 31, 2023 and for the period from January 1, 2024 to February 29, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Transfer of Assets

As stated in Note 1 to the financial statements, in February of 2024, the Plan transferred all of its assets into the Aon Pooled Employer Plan. As a result of this transfer, the Plan ceased to exist.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

**The Plan Administrator of
Delos Living, LLC 401(k) Plan**
Page 3

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Delos Living, LLC 401(k) Plan

Notes to Financial Statements
February 29, 2024

1. Description of Plan

The following description of Delos Living, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering substantially all employees of Delos Living, LLC (the "Company"). An employee was eligible for participation in the Plan upon completion of three months of service and attainment of age 21 or older. The Plan was effective July 1, 2021 (inception). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On February 29, 2024, the Plan transferred its assets into the Aon Pooled Employer Plan ("PEP").

Contributions

Each year, participants could elect to have a percentage deducted on a pre-tax or after-tax (Roth) basis from their eligible compensation as defined by the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. A participant could elect to increase, decrease or suspend their contributions according to procedures established by the Company. There was an annual limit as to the amount that could be contributed that was determined by the Internal Revenue Code ("IRC"). Participants could also contribute amounts representing distributions from other qualified plans.

In addition, the Company made a safe harbor matching contribution on behalf of each participant in the amount equal to 100% of a participant's elective deferrals not to exceed 4%. The Company could also make a discretionary non elective contribution. For the period from January 1, 2024 to February 29, 2024, the Company did not make any discretionary non elective contributions to the Plan.

Vesting

A participant was 100% vested in their accounts including, Company safe harbor contributions and allocated earnings (losses) thereon at all times. A participant vested in the Company non elective contributions at a rate of 20% after two years of service with full vesting upon completion of six years of service.

Forfeitures

At February 29, 2024 and December 31, 2023, forfeited non-vested accounts totaled \$0 and \$32. Forfeitures were used to reduce future employer contributions. During 2024, no forfeitures were used to reduce employer contributions.

Delos Living, LLC 401(k) Plan

Notes to Financial Statements
February 29, 2024

1. Description of Plan (*continued*)

Notes Receivable from Participants

Participants could borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. The maximum number of loans that could be outstanding at any time was two. Participant loans were secured by the balance in the participant's account and bore interest at prime rate plus 1%. Principal and interest was paid ratably through payroll deductions.

Participant Accounts

Each participant's account was credited with the participant's contribution, safe harbor contributions and allocations of Plan earnings (losses). Employer discretionary contributions, if any, were allocated based on a percentage determined by the Company. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account. All investments were participant directed.

Payment of Benefits

Upon termination of service due to death, disability, retirement, in-service or other reason, a participant was entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account. This could be distributed in either a single lump-sum amount, installments or partial withdrawals. Benefits could also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which were considered hardship withdrawals, were subject to restrictions as to the use of the proceeds.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which required management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan followed U.S. GAAP guidance on *Fair Value Measurements* which defined fair value and established a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. The Plan's investments, that were valued at fair value, were valued using level 1 inputs.

Investment Valuation and Income Recognition

All of the Plan's investments were stated at fair value. Mutual funds were valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value ("NAV") and to transact at that price and were deemed to be actively traded.

Purchases and sales of investments were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Delos Living, LLC 401(k) Plan

Notes to Financial Statements
February 29, 2024

2. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceased to make loan repayments and the plan administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment was recorded.

Payment of Benefits

Benefits were recorded when paid.

Expenses

Certain expenses of maintaining the Plan were paid by the Company and were excluded from these financial statements. Investment related expenses were included in the NAV of the respective funds and, consequently, those expenses were not separately reflected but were a component of net appreciation in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is December 12, 2024.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements including investments and notes receivable from participants held at February 29, 2024 and December 31, 2023, and net appreciation in fair value of investments, dividends, and interest on notes receivable from participants for the period from January 1, 2024 to February 29, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, a qualified institution.

4. Tax Status

The Plan's prototype plan document preparer has obtained an opinion letter dated October 6, 2020 from the Internal Revenue Service ("IRS") stating that the Plan was designed in accordance with applicable sections of the IRC. The plan administrator believed that the Plan was currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP required Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan was subject to routine examinations by taxing jurisdictions for periods since 2021; however, there are currently no examinations for any tax periods in progress.
