In our opinion based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 financial statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Detroit Brewers and Distributors 401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103 (a) (3) (C) audit opinion.

## **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a) (3) (C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Detroit Brewers and Distributors 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a) (3) (C) Audit of the 2023 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Detroit Brewers and Distributors 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Detroit Brewers and Distributors 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **2023 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# DETROIT BREWERS AND DISTRIBUTORS 401(K) PLAN

## Notes to Financial Statements

### 1. Description of Plan

The following brief description of the Detroit Brewers and Distributors 401(k) Plan, a multi-employer plan, provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### General

Various associations and individual employers have executed a labor agreement with Local Union No. 1038 of the National Conference of Brewery and Soft Drink Workers of the United States of America and Canada affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America. In connection therewith the employers and the Union entered into an agreement whereby the employers established the Detroit Brewers and Distributors 401(k) Plan effective January 1, 1997. The Plan is a defined contribution retirement plan, subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Board of Trustees is responsible for the Plan. The custodian holds all the Plan assets and executes all of the administration of the Plan's transactions.

#### Contributions

Each year, a participant may contribute an amount of pretax compensation, as defined by the Plan, subject to various limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollovers).

Participating employers commenced making employer contributions on behalf of each participant who is a seniority employee as defined in the applicable basic agreement in the amount specified in the applicable basic agreement. In addition, an employer shall make additional employer contributions to meet applicable coverage and non-discrimination requirements as determined at the sole discretion of the Board of Administration. For the year 2023, the rate for employer contributions was \$1.64 per hour worked. Contributions are subject to certain Internal Revenue Service limitations and are directed by the participants in any one or more of several investment options.

#### Participant Accounts

Each participant account is credited with the participant's contributions and the allocation of (a) the employer's contribution and (b) plan earnings. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined.

**1. Description  
of Plan**  
- continued**Vesting**

Participants are immediately 100% vested in their contributions, plus actual earnings. In addition, all employer contributions made prior to January 1, 2018 are 100% vested. Vesting in employer contributions made after January 1, 2018 are based on years of service, as defined by the Plan. A participant begins vesting after one year of service (20%) and is fully vested upon five years of service.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their vested account balance. The portion of a participant's account attributable to employer contributions made after January 1, 2018 will not be considered in determining the account balance available for purposes of determining the maximum amount available for a loan. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the plan administrator at the time loans are made.

**Payment of Benefits**

On termination of service, a participant may elect to receive either a (a) lump-sum amount equal to the value of the participant's vested interest in his or her account, or (b) or annual installments not extending beyond the joint life and survivor expectancy of the participant and designated beneficiary.

If a participant becomes subject to financial hardship, the participant may make written application to the plan administrator for a hardship distribution. A hardship distribution may only be made from the elective deferral available in the participant elective deferral account as of the date of distribution and shall not include income on such elective deferrals. A hardship distribution will only be made on account of an immediate and heavy financial need of the participant and on whether it is necessary to satisfy the financial need. The plan administrator shall determine whether the financial need exists and the amount available for distribution. A hardship distribution will only be authorized if the distribution complies with the "safe harbor need" and the "safe harbor necessity" rules under Treasury Regulation 1.401(k)-1(d)(3) and other applicable IRS rules and regulations.

**Forfeited Accounts**

Forfeitures are applied to the payment of ordinary expenses of administration of the plan and any excess forfeitures are allocated among participants who are actively engaged in covered employment in the same proportion as the employer contributions for the Plan year allocated to that participant bears to the total employer contributions of all participants for each plan year. The amount of forfeitures for the year ended December 31, 2023 was \$42,965.00.

### 2. Summary of Accounting Policies

#### Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan sponsor determines the plan's valuation policies utilizing information provided by the investment custodian and advisers. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

#### Contributions

Contributions from plan participants and employers are recorded in the year in which the employee contributions are withheld from compensation.

#### Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

#### Payment of Benefits

Benefits are recorded when paid.

#### Expenses

Expenses incurred in maintaining the plan are paid by the Plan and are included as administrative expenses on the statement of changes in net assets available for plan benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses.

### 2. Summary of Accounting Policies

- continued

#### Subsequent Events

The Plan has evaluated subsequent events through the date of the independent auditors report, the date the financial statements were available to be issued.

### 3. Fair Value Measurements

#### Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

### 3. Fair Value Measurements

- continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

#### Pooled Separate Accounts

Pooled Separate Accounts are valued based on the net asset value of units as determined by the John Hancock Life Insurance Company. The values of the participant units in the pooled separate accounts are based on the value of the underlying assets owned by the Plan. Net asset value (NAV) is a readily determinable fair value and is the basis for current transactions.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value.

#### Assets at Fair Value as of December 31, 2023:

|                                | <u>Level 1</u> | <u>Level 2</u>       |
|--------------------------------|----------------|----------------------|
| <u>Valuation Inputs</u>        |                |                      |
| Pooled Separate Accounts       |                |                      |
| Asset Allocation - Target Date | \$ -           | \$ 5 992 367         |
| Asset Allocation - Target Risk | -              | 10 265 045           |
| Growth Funds                   | -              | 16 175 532           |
| Conservative                   | -              | 6 216 367            |
| Income Funds                   | -              | 656 495              |
| Total                          | <u>\$ -</u>    | <u>\$ 39 305 806</u> |

### 4. Related Party Transactions

Certain plan investments are managed by John Hancock Life Insurance Company, who is the plan's custodian. Additionally, the plan pays direct compensations to the third-party administrator related to recordkeeping and administration services. Indirect compensation is also paid to the custodian and is netted against net appreciation of assets. Transactions involving these investments and services qualify as party-in-interest transactions.

### 5. Plan Termination

Although it has not expressed any intent to do so, the Board of Administration has the right, under the plan to discontinue contributions and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

**6. Tax Status**

The Internal Revenue Service has determined and informed the Board of Administration by a letter dated March 3, 2013, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United State of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**7. Risks and  
Uncertainties**

Participants invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**8. Unaudited  
Information  
Certified By the  
Custodian**

During the year, the Company engaged in John Hancock Life Insurance Company to act as custodian of the plan. For the year ended December 31, 2023, the financial statements were prepared based on information certified by the custodian. The plan administrator has elected the method of compliance permitted by 29 CFR 2520.10-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, as of December 31, 2023, and for the year ended December 31, 2023, the financial statements have been prepared based on information certified as complete and accurate by the custodian as shown in Note 3. This includes the investment information reflected in the accompanying statements of net assets available for benefits, the statement of changes in net assets available for benefits, and the schedule of assets (held at year end).
