INDEPENDENT AUDITOR'S REPORT

Participants and Administrator of
Jewish Federation Council of Greater Los Angeles
Defined Contribution Plan
6505 Wilshire Boulevard
Los Angeles, California 90048

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Jewish Federation Council of Greater Los Angeles Defined Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Participants and Administrator of
Jewish Federation Council of Greater Los Angeles
Defined Contribution Plan

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

A. General

The Jewish Federation Council of Greater Los Angeles Defined Contribution Plan (the "Plan") is a multiemployer defined contribution plan established effective January 1, 2006 to provide a retirement benefit for eligible employees of the plan sponsor, the Jewish Federation Council of Greater Los Angeles (the "Federation") and participating affiliate agencies (collectively the "Participating Employers"). In December 2017, two participating agencies withdrew from the Plan. The remaining participating agencies withdrew at the beginning of 2019. The Plan was restated and the only remaining participant, the Federation, transferred all of its assets to Empower Trust Company, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Officers and employees of the Federation serve as the Plan's administrator. The specific provisions of the Plan are contained in the Plan document, which governs the legal operations of the Plan.

Under the terms of the Plan Document, employees become eligible to enter the Plan on or after January 1, 2006, at the start of the quarter following the date on which they attain both one year of eligibility service and are credited with a minimum of 1,000 hours of service. The Plan is subject to a Collective Bargaining Agreement between the Federation and its employees' union. A copy of the Collective Bargaining Agreement may be obtained by participants who are covered by the Collective Bargaining Agreement and their Beneficiaries upon written request to the Federation as plan administrator, and is available for examination by such participants and beneficiaries.

B. Plan Administrator

The Federation is plan administrator and is responsible for the day-to-day administration of the Plan. Certain costs incurred by the Federation to administer the Plan are absorbed by the plan administrator.

C. Contributions

Federation contributions are made as soon as practicable for participants who were employed as of the last business day or ceased to be an eligible employee due to death, disability, or a break in employment following the attainment of normal retirement age, which is the later of age 65 or the fifth anniversary of the date on which the participant commenced participation in the Plan.

Under the Plan, the contributions made on behalf of the employees are credited to an account in each of the participants' names. The actual amount credited to the participants' accounts each period is determined by the Federation, unless the participant is covered under the Collective Bargaining Agreement, in which case the contribution rate is determined by the terms of the Collective Bargaining Agreement. The contribution rate for the Plan years ended December 31, 2023 and 2022 for participants in the Plan was 5% of eligible compensation for employees who are covered by the Collective Bargaining Agreement and those who are not. After the Federation makes its contribution and the employees' accounts are credited, the money held in a trust is then invested in accordance with the participants' investment direction.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Participant Accounts and Designation of Investments

Each participant has an account established in his or her name. It is the responsibility of the participant to designate how the contributions in his or her account are to be invested. Any participant who does not identify his or her choice of investments will have his or her contributions invested in a default investment fund as designated by the plan administrator. The default investment fund for the Plan is one of a suite of funds that is assigned based upon the age of the participant at the time of the investment. Participants can elect to change their designations for the investment of new contributions as well as change the allocation of their accounts among the investment funds.

E. Investment Funds

Separate investment funds have been established and are maintained under the Plan by the plan administrator. The plan administrator may terminate any investment fund, and is also responsible to determine the number of investment funds available to the Plan. The value of the accounts in the investment funds is established on each business day by the trustees. Investment gains and losses are allocated to the accounts according to the investment elections of the participants.

F. Vesting

Participants are 100% vested after three years of vesting service. A year of vesting service represents a year during which an employee is credited with at least 1,000 hours of service. When a participant ceases to participate and has not attained three years of vesting service, he or she forfeits the account balance. Additionally, if a participant who forfeits an account balance is re-employed as an eligible employee of the Federation before incurring five consecutive one-year breaks in service years, his or her account balance is reinstated. The Federation may terminate the Plan at any time. Upon complete termination or partial termination of the Plan, the entire interest of each affected participant is immediately 100% vested.

G. Forfeitures

Forfeitures are used first to restore forfeitures of reemployed participants, second to pay any expenses lawfully payable from the assets of the Plan, and third to reduce the amount of Federation contributions.

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$20 and \$376, respectively. Non-vested contributions forfeited and actual earnings thereon during 2023 totaled \$0 and \$9, respectively. During 2022, the amounts totaled \$7,052 and \$22, respectively. Forfeitures totaling \$366 and \$7,118 were used to offset Federation contributions during 2023 and 2022, respectively; and no forfeitures were used to pay administrative expenses in 2023 or 2022.

H. Rollover Contributions

An eligible employee who has received an eligible rollover distribution may make a rollover contribution of the distribution received from the other plan to the Plan, provided that the distribution is eligible for rollover treatment in accordance with Internal Revenue Code (the "Code") Section 402(c), and the rollover contribution is in cash. Participants' rollover accounts are 100% vested and are non-forfeitable.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

I. Payment of Benefits

Benefits are distributable to a participant upon the termination of employment as a result of resignation, discharge, retirement, disability, death, or acts of the Federation to terminate or partially terminate the Plan. Generally, the participant will receive his or her entire vested account balance as lump-sum payment. If the participant's vested account balance is \$5,000 or more, the participant may elect to receive a form of annuity that is purchased with the participant's vested account balance.

J. Administrative Expenses

As described in Note 1-G, forfeitures can be used to pay any lawful expense of the Plan. However, if forfeitures are not sufficient to offset administrative expenses then the administrative expenses are paid by the Federation. In 2023 and 2022, the Federation paid (on a cash basis) expenses totaling \$11,900 and \$11,200 respectively, on behalf of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management, as plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are designed to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables summarize the Plan's investments based on the inputs used to value them:

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual Funds	<u>\$ 4,729,521</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 4,729,521
Investments Measured at Net Asset Value ^A				<u>10,921</u>
				<u>\$ 4,740,442</u>
	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Mutual Funds	<u>\$ 3,873,331</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 3,873,331
Investments Measured at Net Asset Value ^A				<u>5,719</u>
				<u>\$ 3,879,050</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments include mutual funds reported at fair value based on quoted market prices.

The Morley Stable Value Fund is valued at net asset value. There are no unfunded commitments or restrictions on redemptions. The investment strategy is to maximize its performance through a diversified portfolio of stable value investment contracts issued by life insurance companies, banks and other financial institutions.

D. Payment of Benefits

Benefit payments to participants are recorded upon distribution.

E. Risks and Uncertainties

The Plan provides for investment options in any combination of investment offered by the Plan. Investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 3 - INCOME TAX STATUS

The Plan received a favorable letter of determination, issued by the Internal Revenue Service on September 18, 2015, stating the Plan constitutes a qualified plan under Section 401(a) of the Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Federation has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and net assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2023 and 2022 and investment income (loss) for the years then ended that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC, the trustee of the Plan.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Empower Trust Company, LLC is the trustee of the Plan. Certain investments held by the Plan may be issued or managed by the trustee or related entities. Transactions involving these investments are considered party-in-interest transactions; however, they are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 8, 2024, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
