INDEPENDENT AUDITOR'S REPORT

To the Trustee of LendingClub Corporation 401(k) Plan
and LendingClub Corporation 401(k) Plan Committee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the LendingClub Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

LENDINGCLUB CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – PLAN DESCRIPTION

The following description of the LendingClub Corporation 401(k) Plan (the Plan), which describes the terms of the Plan as of December 31, 2023 and 2022, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan, which began on February 1, 2013, is a defined contribution plan of LendingClub Corporation (LendingClub) and covers all eligible employees of LendingClub and participating affiliates. The Board of Directors of LendingClub has appointed the LendingClub 401(k) Plan Committee to control and manage the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Eligible employees may participate in the Plan on the first day of the month coinciding with or following the date the employee satisfies 90 days of service and reaches age 21. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Participants may elect to have up to 75% of their eligible compensation (generally defined as wages reported on Form W-2) contributed directly to the Plan, not to exceed the limit on 401(k) deferrals under the Internal Revenue Code (IRC) (\$22,500 and \$20,500 for 2023 and 2022, respectively). Such contributions are not currently taxable to participants. The Plan also permits eligible participants who will reach age 50 before the end of the Plan year and eligible participants older than age 50 to make catch-up contributions up to 75% of their eligible compensation subject to the limit on catch-up contributions under section 414(v) of the IRC (\$7,500 and \$6,500 for 2023 and 2022).

Employees eligible to participate in the 401(k) salary deferral program are eligible to elect and make Roth 401(k) contributions, which are made on an after-tax basis. Combined pre-tax contributions and Roth 401(k) contributions may not exceed the limit on 401(k) deferrals under the IRC. LendingClub may match Roth 401(k) contributions in the same manner as the pre-tax 401(k) Basic Match. Any of LendingClub's Roth 401(k) match contributions are made on a pre-tax basis and will be taxed to the participant upon distribution from the Plan. Participants could also contribute regular after-tax contributions, up to 10% of compensation. Total pre-tax, Roth, and after-tax contributions from participants and Basic Match and Profit Contributions from LendingClub are subject to annual limits established by the IRC (\$66,000 and \$61,000 for 2023 and 2022, respectively).

Participant contributions may be matched by LendingClub's contribution (Basic Match) equal to 4% of eligible compensation per pay period, up to a maximum of \$5,000 per year. The Basic Match allocation is based on the participant's salary deferral contribution and eligible compensation. The Plan will include catch-up deferrals in the elective deferral amount used to determine the amount of matching contributions. The Basic Match contribution was provided by LendingClub in 2023 and 2022 in the amounts of \$4,014,361 and \$3,995,563, respectively.

At the discretion of LendingClub, an additional contribution (Profit Contribution) based on LendingClub's performance may also be made. The Profit Contribution allocation is based on a participant's eligible compensation during such Plan year. No Profit Contribution was made by LendingClub in 2023 or 2022.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant directs the investment of his or her account to any of the investment options available under the Plan. Each participant account is credited with the participant's contribution, the Basic Match, the Profit Contribution, if any, and Plan earnings. Participant accounts are also reduced by withdrawals and an allocation of Plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan document. The maximum benefit to which a participant is entitled is the participant's vested account balance.

LENDINGCLUB CORPORATION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – PLAN DESCRIPTION (Continued)

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting: Participants are immediately vested in their 401(k) contributions, rollovers, profit contribution, if any, and investment earnings on these amounts. The Basic Match and investment earnings on these amounts vest 100% after one year of service.

Participant Notes Receivable: Participants may borrow a minimum of \$1,000 up to a maximum of 50% of their 401(k) account balances or \$50,000, whichever is less. Loan terms may not exceed 5 years (or 30 years for the purchase of a primary residence). A loan is secured by the balance in the participant's account and bears interest at a commercially reasonable rate at the time the loan application is made. The interest rate remains fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions, or by check for repayments or payments by terminated participants. Loan payoffs can be made with no prepayment penalties. As of December 31, 2023 and 2022, participant loans have maturities through 2047 and interest rates of up to 8.50%, respectively.

Distributions: A participant is entitled to receive a distribution of the vested portion of his or her account upon termination of employment for any reason, including on account of death, disability, or retirement. Distributions may be made in the form of a single lump sum or installments, unless the participant is receiving a minimum required distribution as defined by the Plan. Distributions are also available in the event of certain defined events constituting financial hardship or upon meeting specific criteria. Once distributed to the participant, a hardship distribution cannot be deposited back into the participant's account.

Termination of the Plan: LendingClub has the right under the Plan to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. LendingClub has not expressed any intent to terminate the Plan.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by LendingClub and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Plan Transfer: Effective February 1, 2021 and subsequent to the acquisition of Radius Bank, all participants of the Radius Bank Incentive Saving Plan ("Radius Plan") became participants of the Plan. Effective June 14, 2021, the assets, with the exception of the Principal Fixed Income Guaranteed Option, which remained assets of the Radius Plan and were subsequently transferred after a mandatory lock-up period, were merged into the Plan. This resulted in the transfer of \$203,515 in net assets from the Radius Plan into the Plan during 2022.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through December 12, 2024, which is the date the financial statements were available to be issued.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting.

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments, other than fully benefit-responsive investment contract, are reported at fair value as further described in Note 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contract, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable: Participant notes receivable are measured at their unpaid principal balance plus accrued but unpaid interest. Participant loans are considered delinquent upon becoming 90 days past due as to interest or principal.

Payment of Benefits: Benefit payments to participants are recorded upon distribution.

Risks and Uncertainties: The investments of the Plan are exposed to various risks, such as interest rate, credit, and market, including global events, such as the coronavirus pandemic. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the financial statements.

NOTE 3 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (the trustee of the Plan) and Empower Annuity Insurance Company of America as of and for the years ended December 31, 2023 and 2022.

December 31, 2023 and 2022

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments:

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Investments measured at fair value on a recurring basis are summarized below:

Fair Value Measurements at December 31, 2023, Using				
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 126,688,607	\$ 126,688,607	\$ -	\$ -
Total	\$ 126,688,607	\$ 126,688,607	\$ -	\$ -

Fair Value Measurements at December 31, 2022, Using				
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 104,062,303	\$ 104,062,303	\$ -	\$ -
Total	\$ 104,062,303	\$ 104,062,303	\$ -	\$ -

(Continued)

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

As of December 31, 2023 and 2022, the Plan held a fully benefit-responsive investment contract (“FBRIC”) in the general account of Empower Annuity Insurance Company of America (formerly Great-West Life and Annuity Insurance Company) (the “Issuer”). The Issuer maintains the contributions in its general account. The Issuer guarantees the Plan a return of principal and interest under the terms of the contract. The interest crediting rate is updated quarterly based upon contract provisions, and it may not be less than 0.00%. The Issuer’s general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. The contract value of the FBRIC was \$3,686,820 and \$3,604,607 at December 31, 2023 and 2022, respectively.

The Plan’s investment contract specifies certain conditions under which distributions from the contract would be payable at amounts below contract value. Such circumstances include Plan termination, Plan merger, premature contract termination initiated by LendingClub, and certain other LendingClub-initiated events that result in distributions exceeding a set amount. The contract limits the circumstances under which the Issuer may terminate the contract. Examples of circumstances which would allow the Issuer to terminate the contract include the Plan’s loss of its qualified status, uncured material breaches of responsibilities, or material and adverse changes to the provisions of the Plan. If one of these events were to occur, the Issuer could terminate the contract at an amount less than contract value. Currently, management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

NOTE 6 – INCOME TAX STATUS

The Internal Revenue Service (IRS) issued an opinion letter dated November 14, 2022, indicating that the prototype plan adopted by the Plan as of February 1, 2022 through Empower Retirement, LLC (formerly known as Great-West Trust Company, LLC), as then designed, was in compliance with applicable requirements of the IRC. The Plan has not been amended from the original prototype document, and Plan management believes that the Plan is currently being operated in accordance with the IRC.

Management evaluates tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor’s regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of LendingClub. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by LendingClub. At December 31, 2023 and 2022, the Plan held an unallocated investment contract with Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America is a service provider to the Plan as of and or the years ended December 31, 2023 and 2022, and therefore, these transactions and the Plan’s payment of fees to it qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.
