INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Advantmed 401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Advantmed 401(k) and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Advantmed 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advantmed 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advantmed 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advantmed 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, line 4i-Schedule of Assets (Held at End of Year) and (2) Schedule H, line 4a – Schedule of Delinquent Participant Contributions as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Advantmed 401(k) and Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 19, 2024, we indicated that *(a)* because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and *(b)* the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Advantmed 401(k) and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

Effective January 1, 2015, the Board of Directors of Advantmed, LLC (the "Employer") adopted the Advantmed 401(k) and Profit Sharing Plan. The Plan is a contributory 401(k) and profit sharing plan which was established for the benefit of substantially all eligible employees of the Employer. The Plan meets all requirements for profit sharing plan qualification under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law and, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions:

- Special coronavirus distributions up to $100,000 beginning on or after January 1, 2020, and before December 31, 2020
- Increased the available loan amount to be the lesser of $100,000 (reduced for prior loans) or 100% of the participant's vested account balance for loans issued between March 27, 2020 and September 22, 2020
- Extended the period for loan repayments, if applicable, up to one year
- Temporary waiver in processing Required Minimum Distributions for 2020

2. Eligibility

An employee is eligible for participation in the Plan on quarterly entry dates of January 1, April 1, July 1, and October 1 upon attainment of age of 21, and the completion of six consecutive months and 1,000 hours of service. Residents of Puerto Rico are not eligible to participate in the Plan.

3. Contributions

Participants may elect to make pre-tax and/or after-tax Roth contributions up to the maximum deferral limit per Section 402(g)(1) of the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the plan year are eligible to make "catch-up" contributions.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

3. Contributions (Continued)

The Employer may make discretionary matching and profit sharing contributions, subject to determination on an annual basis by the Board of Directors of the Employer. To be eligible for a profit sharing contribution, participants must be employed on the last day of the plan year and have one year of service. There were no Employer matching or profit sharing contributions for the year ended December 31, 2021.

4. Investment Options

Upon enrollment in the Plan, a participant may direct employee and Employer contributions as desired, in any of a variety of options held by Minnesota Life Insurance Company ("Minnesota Life"), as chosen by the Employer. Participants may change their investment options daily.

5. Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer discretionary matching contributions, if any, and allocations of the discretionary Employer profit sharing contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

6. Vesting

Participant contributions, rollovers, qualified non-elective contributions, and actual earnings on all such contributions are fully vested at all times. However, vesting of the Employer matching and profit sharing contribution portions of participant accounts, plus actual earnings thereon, is based upon the participant's years of service with the Employer as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Forfeitures

Forfeitures of Employer matching and profit sharing contributions of terminated participants' non-vested accounts may be used to reduce Employer contributions or pay plan expenses. There were no outstanding forfeitures as of December 31, 2021 and 2020.

8. Notes Receivable from Participants

The Plan permits participants to borrow from their account a minimum of $1,000 up to 50% of their vested account balance not to exceed $50,000 reduced by the participant's highest outstanding loan balance in the previous twelve months. The loans are secured by the balance in the participant's account and will be charged a reasonable rate of interest as determined by the plan administrator. Loans must be repaid within 5 years, or longer if the loan is for the purchase of a principal residence. A participant may have no more than two loans outstanding at any one time, one for the purchase of a principal residence and one for any other purpose.

9. Benefit Payments

Upon termination of service, a participant is entitled to receive their vested account balance as a lump-sum, substantially equal installments, or as a partial withdrawal. Upon normal retirement age, or permanent disability or death while working for the Employer, a participant or a participant's beneficiary is entitled to the total value of the participant's account balance. Hardship and in-service distributions are permitted if certain criteria are met.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

2. Plan Administration

The Employer is the plan sponsor and the plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

3. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

4. Administrative Expenses

Administrative expenses incurred by Minnesota Life have been paid directly out of plan assets. Audit fees and certain third party administration fees are paid directly by the Employer as a benefit to the employees. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

5. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully-benefit responsive investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment adviser and the custodian. See Note D for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends, if any, are recorded on the ex-dividend date. Net appreciation/depreciation includes gains and losses on investments bought and sold as well as held during the year.

6. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

7. Payment of Benefits

Benefits are recorded when paid.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

8. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability in the Statements of Net Assets Available for Benefits with a corresponding decrease in participant deferrals in the Statement of Changes in Net Assets Available for Benefits. The Plan distributed portions of the excess contributions related to plan years ended December 31, 2021, 2020, and 2019 to the affected participants on various dates in 2021, 2022 and 2023 (see Note J).

NOTE C - INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Minnesota Life, the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule:

- Investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020
- Net investment income and interest income on notes receivable from participants reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021
- Investments and notes receivable from participants reflected on the Schedule of Assets (Held at End of Year)

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued on a unit value basis as determined by the custodian. The unit value of these accounts is based on the quoted market price of the underlying investments held in the account and is used as a practical expedient to estimate fair value. The number of units held in the account are adjusted for additional contributions or withdrawals. Investment income and gains and losses do not result in additional units, but rather change the value of each unit. The unit value is not a publicly quoted price in an active market.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	*Level 2*	*Level 3*	*Total*
Assets in the fair value hierarchy:	$ -	$ -	$ -	$ -
Investments measured at net asset value [(a)]				1,127,780
Investments at fair value				$ 1,127,780

	Assets at Fair Value as of December 31, 2020			
	Level 1	*Level 2*	*Level 3*	*Total*
Assets in the fair value hierarchy:	$ -	$ -	$ -	$ -
Investments measured at net asset value [(a)]				828,449
Investments at fair value				$ 828,449

[(a)] In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. Participant-directed transfers to other investment options are generally limited to two per calendar quarter. The following redemption notice period is applicable only for the Plan.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled separate accounts	$ 1,127,780	n/a	Daily	Up to 60 days

December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled separate accounts	$ 828,449	n/a	Daily	Up to 60 days

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan held an investment in a group annuity contract with Minnesota Life that met the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The following represents the traditional investment contract held by the Plan.

	December 31, 2021	December 31, 2020
MN Life Guaranteed Return Account	$ -	$ 5,631

The traditional investment contract held by the Plan guarantees principal and accumulated interest. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan and may not be less than 1%. The contract value of the account represents the sum of contributions, interest, and dividends less participant withdrawal amounts and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401 of the IRC
2. The Plan is terminated
3. The Plan does not assent to an amendment or modification required by Minnesota Life

No direct transfers to competing funds are allowed. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Securian Financial Group, Inc., a business unit of Minnesota Life, is the recordkeeper and third-party administrator of the Plan. Minnesota Life is the Plan's custodian. Transactions with these entities qualify as party-in-interest transactions. Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

During the years ended December 31, 2021 and 2020, the Employer failed to remit employee contributions totaling $21,024 and $17,482, respectively, to the Plan on a timely basis in accordance with Department of Labor Regulations. As result, lost earnings on the untimely contributions will be remitted to the Plan and allocated to participant accounts in 2024.

NOTE G - PLAN TERMINATION

Although it has not expressed such intent, the Employer reserves the right, at any time, to terminate the Plan by action of its Board of Directors, subject to the provisions of ERISA. Upon termination, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. The assets of the Plan would be distributed to the participants based on each individual participant's interest in the Plan. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such a manner prescribed by the Plan provisions and the IRC.

NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2021 and 2020:

	2021	2020
Net assets available for benefits per the financial statements	$ 1,176,568	$ 852,718
Plus (less):		
Participant contribution receivable	(2,391)	(9,181)
Employer qualified non-elective contributions	(168,315)	(117,001)
Refundable excess contributions payable	140,400	117,001
Net assets available for benefits per Form 5500	$ 1,146,262	$ 843,537

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for benefits per the financial statements	$ 323,850
Net change in:	
Participant contributions receivable	6,790
Employer qualified non-elective contributions receivable	(51,314)
Refundable excess contributions payable	23,399
Net increase in net assets available for benefits per the Form 5500	$ 302,725

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J - TAX STATUS

The Employer adopted a volume submitter profit sharing plan (volume submitter plan) which received a favorable opinion letter from the IRS dated March 31, 2014 which stated that the volume submitter plan was in accordance with applicable sections of the IRC. The Plan has been amended since receiving its most recent opinion letter. During the year ended December 31, 2021, the Employer discovered that it did not correct ADP testing failures timely for the years ended December 31, 2020 and 2019. Refunds to highly compensated employees for the plan year ended December 31, 2021 were also not disbursed timely. As a result, the Employer was required to fund qualified non-elective contributions to the Plan totaling $51,314, $88,459, and $28,542 for 2021, 2020 and 2019, respectively. The receivable and payable for these corrections are included in the Statements of Net Assets Available for Benefits. The refunds to highly compensated employees related to these plan failures were completed in full during 2023 (see Note B.8.). The Employer qualified non-elective contributions were remitted to the Plan and allocated to participant accounts in July, October, and November 2023. As a result of these corrections, the plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE K - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through November 27, 2024, the date the financial statements were available to be issued.

Effective April 1, 2022, the Plan was amended and restated for changes in laws.

Effective December 1, 2022, Standard Insurance Company acquired Securian Financial Group, Inc.'s retirement plan recordkeeping business and became the Plan's recordkeeper.
