INDEPENDENT AUDITORS' REPORT

Trustees of
L&G Law Group Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of L&G Law Group Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2022 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of L&G Law Group Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of L&G Law Group Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note F to the financial statements, the governing board of L&G Law Group Savings Plan approved a plan of liquidation on February 27, 2023, and management determined liquidation is imminent. As a result, the Plan has changed its basis of account from the ongoing basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of L&G Law Group Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

L&G Law Group Savings Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The following description of the L&G Law Group Savings Plan (“the Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions:

1. General

The Plan is a defined contribution plan covering all full-time employees (except law clerks, employees scheduled to work less than 1,000 hours and contract employees) of L&G Law Group LLP (the “Company”) who are age 21 or older. Such employees are eligible to participate in the Plan as of the first of the month following hire. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA). The Plan Trustees are responsible for oversight of the Plan. The Audit Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Trustees.

2. Contributions

Each year, participants may contribute up to 100 percent of pretax gross wages as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various mutual funds offered by American Funds Service Company (American Funds) and several other mutual fund companies. Contributions are subject to certain statutory limitations. Additional discretionary contributions may be made by the Company to eligible participants. Discretionary contributions made for the year ended December 31, 2023 and 2022 amounted to \$-0- and \$133,014, respectively.

3. Participants’ Accounts

Participants’ accounts are credited with their contributions, an allocation of the Company discretionary contribution, if any, and Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. The Company’s discretionary contribution is allocated based upon each participant’s compensation and classification, as defined by the Plan. Plan earnings (losses) are allocated based on participants’ account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

4. Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. A participant is 100 percent vested in the Company’s discretionary contribution portions of their account after five (5) years of credited service. A participant becomes fully vested upon death or disability.

5. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by 50% of the participant’s benefits under the Plan and bear a reasonable interest rate. Principal and interest is paid ratably through payroll deductions for a time period of not more than 5 years.

In response to COVID-19 and as permitted by the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”), qualified participants were allowed a one-year extension of loan repayments and the maximum participant loan amount was temporarily increased up to \$100,000 or 100% of their vested account for withdrawals before December 31, 2020.

NOTE A – DESCRIPTION OF PLAN - CONTINUED

6. Payment of Benefits

Upon termination of service, a participant may elect to receive either a lump sum or periodic payments. If an active employee dies or becomes totally disabled, the participant's account balance becomes fully vested and will be paid in a lump sum or periodic installments at the option of the participant or beneficiary. In addition, vested accounts for terminated participants will be automatically distributed to the participant if the vested balance is \$5,000 or less. The Plan provides for the payment of in-service distributions after attainment of age 59 ½ for all accounts. In-service distributions included in distributions to participants for the plan year ended December 31, 2023 and 2022 were \$-0- and \$39,992, respectively.

7. Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$-0- and \$44,511, respectively. These accounts may be used to reduce future employer contributions and/or pay plan expenses. Employer contributions were reduced by \$-0- and \$33,825 for the years ended December 31, 2023 and 2022, respectively.

8. Certification

The Plan custodian is Capital Bank and Trust Company (CB&T). The Plan Custodian has certified to the accuracy of the investment transactions, recognition of income (loss), expenses, and assets held as of December 31, 2023.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements have been prepared using the liquidation basis of accounting for year ended December 31, 2023 and the accrual method of accounting for year ended December 31, 2022. The trustee reports assets at liquidation value for year ended December 31, 2023 and fair value for the year ended December 31, 2022 but report distributions and receipts on a cash basis.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments are reported at liquidation value at December 31, 2023 and at fair value at December 31, 2022, except for fully benefit-responsive investment contracts, which are reported at liquidation value at December 31, 2023 and at contract value at December 31, 2022. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Audit Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

4. Administrative Expenses

Certain expenses are absorbed by the Plan Sponsor, including audit fees, and are excluded from these financial statements. Custodial and transaction fees are paid out of the Plan's assets and included in administrative expenses.

5. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in fees when incurred. As of December 31, 2023 and 2022, no allowance for doubtful accounts has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Amounts due from related parties included in notes receivable from participants at December 31, 2023 and 2022 were \$-0- and \$20,186, respectively.

6. Date of Management's Review

Subsequent events were evaluated through December 9, 2024, which is the date the financial statements were available to be issued.

NOTE C – LIQUIDATION VALUE/FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability; and• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's liquidation value/fair value measurement level within the liquidation value/fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTE C – LIQUIDATION VALUE/FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at liquidation value/fair value. The Plan used the liquidation value methodology at December 31, 2023 and the fair value methodology at December 31, 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at liquidation value as of December 31, 2023 and fair value as of December 31, 2022.

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2023		
Mutual Funds, at liquidation value	\$ -	\$ -
December 31, 2022		
Mutual Funds, at fair value	\$ 20,770,615	\$ 20,770,615

NOTE D – COLLECTIVE INVESTMENT TRUST (CIT)

The Plan invests in the Reliance Trust Stable Value Fund, MetLife Series 25157 (the “Stable Value Fund”), a fully benefit-responsive common collective trust fund. The Stable Value Fund invests entirely in the MetLife Annuity Contract 25157, which consists of separately managed investment portfolios in fixed income securities, and also enters into wrapper contracts, which are issued by third-parties and are designed to allow the Stable Value Fund to maintain a constant asset value. The Stable Value Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Contract value is the relevant measurement attribute for the Stable Value Fund that is a fully benefit-responsive investment. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value with the Stable Value Fund. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan that requires liquidation of the Stable Value Fund), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary that require liquidation of the Stable Value Fund), or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. The plan administrator does not believe that any events which would limit the Plan’s ability to transact at contract value with participants have occurred or are probable of occurring.

NOTE F – PLAN TERMINATION

On February 27, 2023, the Company’s partners approved the termination of the L&G Law Group Savings Plan. As a result, all participant balances became fully vested. All Plan assets were distributed according to the terms of the Plan and federal regulations in 2023.

NOTE G – RELATED-PARTY/ PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by American Funds. Capital Group Retirement Plan Services (CGRPS) is the record keeper and Capital Bank and Trust Company (CB&T) is the custodian of the Plan. CB&T, CGRPS, and American Funds are affiliated entities. These transactions qualify as party-in-interest transactions; however, are exempt from the prohibited transaction rules under ERISA. Fees paid by the Plan for record management services amounted to \$9,005 and \$13,485 for the years ended December 31, 2023 and 2022, respectively.

American Funds provides certain administrative services to the Plan pursuant to a PlanPremier-TPA Recordkeeping Service Agreement (Service Agreement) between the Company and American Funds. American Funds receives revenue from mutual fund service providers for services American Funds provides to the funds. This revenue is used to offset certain amounts owed to American Funds for its administrative services to the Plan.

If the revenue received by American funds from such mutual fund service providers exceeds the amount owed under the Service Agreement, American Funds remits the excess to the Plan’s trust on a quarterly basis. Such amounts are held in a separate account and may be applied to pay Plan administrative expenses or allocated to the accounts of participants. During 2023 and 2022 the excess amounted to \$-0-. Amounts applied by the Plan during 2023 and 2022 to pay for recordkeeping services amounted to \$-0- and \$-0-, respectively.

NOTE H – FEDERAL INCOME TAX STATUS

The Plan Sponsor has received, from the Internal Revenue Service (IRS), an opinion letter dated June 30, 2020, stating that the written form of the underlying non-standardized pre-approved plan is qualified under Internal Revenue Code (the “Code”) Section 401 and that any employer adopting this form of the Plan will be considered to have a plan qualified under Sections 401 of the Code, except for the requirements of IRC Sections 401(a)(4) and 401(l). The Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Code and the Plan is qualified, and the related trust continues to be tax-exempt. Therefore, no provisions for income taxes have been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset for any uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions that would require recognition of a liability or asset or disclosure in the financial statements and has determined that there are no unrecognized tax benefits at December 31, 2023 and 2022. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to the investment information certified by the Custodian, which included total investments and notes receivables from participants as of December 31, 2023 and 2022, the total investment income for the year ended December 31, 2023, and all information included in the supplemental schedule H, line 4i—schedule of assets (held at end of year).

NOTE J – COVID RESPONSE

On March 11, 2020, the World Health Organization characterized an outbreak of a novel strain of coronavirus (COVID-19) as a pandemic. Due to the COVID-19 outbreak in the United States, as of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") of 2020 that included numerous employee benefit plan provisions to assist plan sponsors and participants. This includes COVID-19 related distributions, COVID-19 related participant loans and required minimum distributions (RMD's) affecting participants impacted by COVID-19.

On February 7, 2023, the Plan Sponsor adopted a good faith amendment governed by the SECURE Act of 2019 and the CARES Act of 2020. The amendment was effective January 1, 2023 and is required to be executed by December 31, 2025.
