Independent Auditor's Report

Investment Advisory Committee
John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audits). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Sensors, Inc. 401(k) Plan and PTS Products, Inc. 401(k) Plan merged into the Plan during 2023. All assets of the Sensors, Inc. 401(k) Plan and PTS Products, Inc. 401(k) Plan, were received by the Plan on April 5, 2023, and April 14, 2023, respectively. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4a—schedule of delinquent participant contributions, for the year ended December 31, 2023, and Schedule H, Line 4i—schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan originally effective July 1, 1985. The Plan has been amended throughout the years to comply with tax legislation and was most recently amended on June 30, 2020, and effective as of January 1, 2023. The Plan excludes leased employees, reclassified employees, nonresident aliens and employees covered by a collective bargaining agreement. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan's Investment Advisory Committee is responsible for the oversight of the Plan. The Investment Advisory Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Plan merger: On April 5, 2023, the Sensors, Inc. 401(k) Plan, a related plan through common ownership, was merged into the Plan. Beginning on February 1, 2023, Sensors, Inc. employees began participating in the Plan and on April 5, 2023, approximately \$1,163,000 of assets were transferred into the Plan.

On April 14, 2023, the PTS Products, Inc. 401(k) Plan, a related plan through common ownership, was merged into the Plan. Beginning on February 1, 2023, PTS Products, Inc. employees began participating in the Plan and on April 14, 2023, approximately \$205,000 of assets were transferred into the Plan.

Eligibility: Employees of John Henry Foster Minnesota, Inc. (the Company), except as noted above, are eligible to participate in the deferral component of the Plan upon turning 21 years of age and the completion of one month of service. An eligible employee becomes a participant on the first day of the month immediately following or coincident with the completion of the eligibility requirements. Employees must also complete one month of service and be employed on the last day of the plan year to participate in the matching and profit-sharing component of the Plan. Entry dates for the profit-sharing component are January 1 and July 1.

Contributions: The Plan includes a salary deferral arrangement allowed under section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pretax 401(k) or Roth contributions to the Plan. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect otherwise. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in the designated default fund until changed by the participant. Employee contributions will increase by 1% each year until reaching 10%, unless the employee elects another deferral percentage. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Company may, at its discretion, elect to make a qualified matching contribution or profit-sharing contribution to the Plan. For the year ended December 31, 2023, the Company matching contribution was 100% of eligible compensation that a participant contributes to the Plan up to a maximum matching contribution of \$3,000. There were no Company profit-sharing contributions for the year ended December 31, 2023.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Participant accounts: Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the Company's profit-sharing contribution and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company matching and profit-sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant vests ratably over a period of five years, and after five years of credited service, they become 100% vested. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death or permanent disability.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate of prime plus 2%, as determined at the inception date of the note. Principal and interest is paid ratably through payroll deductions, and must be repaid within five years, except for certain home notes for which the Plan may allow a longer repayment period. The interest rates on notes outstanding at December 31, 2023, ranged from 5.25% to 10.50%.

Benefit payments: Upon termination of employment, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump-sum distribution or installments. The Plan allows for in-service distributions if a participant reaches age 62 and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan Administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, and no election has been made, the Plan Administrator may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Forfeited accounts: As of December 31, 2023, there was a \$778 balance in the forfeited account. As of December 31, 2022, there was no balance in the forfeited account. These accounts are used to fund future Company contributions, pay Plan expenses or reallocated to participant accounts as an additional nonelective contribution. No forfeitures were applied during the year ended December 31, 2023.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Contributions: Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Advisory Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year).

Benefit payments: Benefits are recorded when paid.

Administrative expenses: The Company pays certain administrative expenses on behalf of the Plan, which are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent events: The Plan has evaluated subsequent events through December 5, 2024, the date the financial statements were available to be issued.

Note 3. Certification of Investment Information

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information provided by Principal Trust Company, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to following information provided by the trustee:

	December 31	
	2023	2022
Investments, at fair value:		
Mutual funds	\$ 15,756,903	\$ 10,948,194
Collective trust funds	3,583,411	2,498,787
Investments, at contract value:		
Guaranteed investment contract	1,114,834	1,719,463
Notes receivable from participants	83,190	65,429
	<u>\$ 20,538,338</u>	<u>\$ 15,231,873</u>

John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 3. Certification of Investment Information (Continued)

The trustee also certified to the completeness and accuracy of net appreciation in fair value of investments, interest and dividends related to the aforementioned investments, and interest income on notes receivable from participants for the year ended December 31, 2023.

The Plan provides for investments in a variety of investment options. In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is possible that changes in the values of investments have occurred since December 31, 2023, and that such changes could materially affect the participants' account balances and the amounts reported in the 2023 statement of net assets available for benefit.

Note 4. Fair Value of Investments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

Mutual funds: Mutual funds are valued at the quoted market price of shares held by the Plan at year-end in the active market in which the individual securities are traded.

John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4. Fair Value of Investments (Continued)

Collective trust funds: The collective trust funds are valued at the net asset value (NAV) as reported by the trustee at year-end based upon the funds audited financial statements. The funds underlying assets consist of investment contracts. The NAV, as provided by the trustee, is used as a practical expedient to estimate the fair value. The practical expedient is not used when it is determined to be probable that the trusts will sell their investments for amounts different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		Investments at Fair Value as of December 31, 2023			
		Level 1	Level 2	Level 3	Total
Investments measured at fair value:					
Mutual funds		\$ 15,756,903	\$ -	\$ -	\$ 15,756,903

		Investments at Fair Value as of December 31, 2022			
		Level 1	Level 2	Level 3	Total
Investments measured at fair value:					
Mutual funds		\$ 10,948,194	\$ -	\$ -	\$ 10,948,194

The Plan follows guidance on how entities should estimate fair value of certain alternative investments. The fair value of investments within the scope of the guidance can be determined by NAV per share as a practical expedient, when fair value is not readily determinable, unless it is probable the investment will be sold at something other than NAV. The following table summarizes investments measured at fair value based on NAV per share practical expedient as of December 31, 2023 and 2022:

Investment	Fair Value at December 31		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2023	2022			
Collective trust funds:					
BlackRock S&P 500 Index Fund	\$ 2,615,578	\$ 1,797,670	None	Daily	12 months
Small Cap Gr Fd Fee CI I1	967,833	-	None	Daily	12 months
Wilmington Small Cap Growth Fund	-	701,117	None	Daily	12 months
	<u>\$ 3,583,411</u>	<u>\$ 2,498,787</u>			

The redemption notice period disclosed in the table above reflects the notice period required if the Plan withdraws from the investment. There is no redemption notice period required for individual participants who choose to withdraw from the investment.

John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 5. Guaranteed Investment Contract

The Plan has a traditional group annuity contract with Standard Insurance Company that invests contributions in the Standards Stable Asset Fund. The fund is credited with interest earned based on the stated interest rates over the life of the contract. Withdrawals can be made at any time for the purpose of participant withdrawals or benefit payments at contract value. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer, but may not be less than 1.00%. The crediting rate is reviewed quarterly for resetting. The contract cannot be terminated before the scheduled maturity date. The fund is included in the financial statements at contract value, as it is fully benefit-responsive, as reported to the Plan Administrator by Standard Insurance Company. Contract value represents contributions made under the contract, plus earnings, less any participant withdrawals, benefit payments and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract.

Examples of such events include the following:

1. The Plan's failure to qualify under section 401(a) of the IRC or the failure of the trust to be tax-exempt under section 501(a) of the IRC
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

John Henry Foster Minnesota, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their accounts.

Note 7. Income Tax Status

The Plan has adopted a non-standardized pre-approved plan sponsored by Principal Life Insurance Company. Principal Life Insurance Company has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Related-Party and Party-in-Interest Transactions

Certain Plan assets are invested in shares of mutual funds managed by Principal Financial Group, the trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are recorded as administrative expenses.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2023	2022
Net assets available for benefits per financial statements	\$ 20,956,799	\$ 15,506,130
Employer contribution receivable not already included in Form 5500	-	(235,454)
Defaulted loans	(9,310)	(9,329)
Net assets available for benefits per Form 5500	<u>\$ 20,947,489</u>	<u>\$ 15,261,347</u>

The following is a reconciliation of the net increase in net assets available for benefits as presented in the financial statements to Form 5500 for the year ended December 31, 2023:

	2023
Net increase per financial statements	\$ 4,082,369
Change in defaulted loans	19
Change in employer contribution receivable	235,454
Net income per Form 5500	<u>\$ 4,317,842</u>

Notes to Financial Statements

Note 10. Nonexempt Transactions

During the year ended December 31, 2023, the Company inadvertently failed to deposit \$5,382 of participant contributions within the required time frame as stated by the United States DOL regulations. The Plan Sponsor intends to deposit lost earnings to correct this failure in 2024. The Plan Sponsor intends to file Form 5330 and intends to pay applicable excise tax to the IRS. The correction and any excise taxes, if applicable, will be made from the Plan Sponsor's assets and not from the assets of the Plan.

During the 2022 Plan year, the Company inadvertently failed to deposit \$789 of participants' contributions within the required time frame as stated by the Department of Labor regulations, as such these qualify as prohibited transactions. The Company deposited these participant contributions during the 2023 Plan year with lost earnings deposited in 2023 and reported these as late contributions on Form 5500 in the prior year.

No Plan assets were used to correct these delinquent contributions.
