Tucker Paving, Inc. 401(k) Plan
Winter Haven, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Tucker Paving, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Plan Administrator and Participants
Tucker Paving, Inc. 401(k) Plan
Winter Haven, Florida

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**TUCKER PAVING, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

Note 1 - Description of Plan

The following description of the Tucker Paving, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, originally effective March 1, 2019, and most recently restated January 1, 2021, is a defined contribution plan covering all employees of Tucker Paving, Inc. (the Company) and participating employers, except certain non-resident aliens who have no earned income from sources within the United States and union employees whose employment is governed by a collective bargaining agreement, who have met the Plan's service and age requirements. To participate in the Plan, an employee must be at least 21 years of age and must have completed one year of service, as defined. Employees may enter the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date that the employee satisfies the eligibility requirements. Effective August 15, 2023, the Plan was amended to modify the Plan entry date to the date on which a participant satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute pre-tax and after-tax Roth deferrals up to 100% of eligible annual compensation, as defined in the Plan, not to exceed the Internal Revenue Service limitation of \$22,500 in 2023. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 to the Plan in 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan allows for the Company to make a discretionary matching contribution in an amount equal to a percentage of a participant's salary deferrals but not to exceed 4% of eligible compensation. The Plan also allows for the Company to make a discretionary non-elective profit-sharing contribution in an amount determined solely by the Company. Except in the event of death, disability, or termination of employment on or after normal retirement age, a participant must be employed as of the last day of the Plan year or have completed 500 hours of service during the Plan year in order to be eligible to share in the Company's discretionary matching and profit-sharing contributions. During the year ended December 31, 2023, the Company matched 50% of a participant's elective deferral up to the maximum of 4% of a participant's eligible compensation. The Company did not make a discretionary non-elective profit-sharing contribution for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, and allocations of the Company's discretionary non-elective profit-sharing contributions and Plan earnings and charged with benefit payments and an allocation of the Plan's losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan provisions. Participant transaction fees are charged directly to the accounts of the participants who incur those fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**TUCKER PAVING, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their accounts into various options offered by the Plan. Participants may change their investment options at any time.

Vesting

Participants are vested immediately in their elective contributions and rollover contributions plus actual earnings thereon. Participants vest in the Company's contributions at a rate of 20% per year, beginning with the second year of vesting service, and are fully vested after six years of credited service. Upon attaining normal retirement age, Company contributions vest immediately.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service distributions from a participant's vested account balance may be made provided the participant has attained age 59 ½. Hardship withdrawals are also permitted by the Plan and are payable in one lump-sum.

Forfeited Accounts

Forfeitures of non-vested Company contributions are used to pay Plan expenses or reduce Company contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$6,354 and \$8,465, respectively. During the year ended December 31, 2023, forfeitures of \$4,885 were used to pay Plan expenses.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements, in accordance with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

**TUCKER PAVING, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

Excess Contributions Payable

The Plan is required to pass annual compliance tests. For those plans that do not pass the tests, options for corrections are available. For Actual Deferral Percentage (ADP) and Actual Contribution Percentage (ACP) purposes, the Plan has two options for correction of testing failures: return excess contributions to highly compensated employees or make a qualified non-elective contribution to the non-highly compensated employees. At December 31, 2023 and 2022, the Plan did not pass the ADP and ACP tests and chose to return excess contributions to the highly compensated employees as the correction method. Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Expenses

The Company has elected to pay certain administrative expenses of the Plan. Expenses that are paid by the Company are excluded from these financial statements. Administrative fees paid by the Plan and included in the accompanying statement of changes in net assets available for benefits are primarily recordkeeping, investment management, and participant transaction fees. Investment-related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits. Any costs associated with the investment of a participant's account are charged to that participant.

Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2023, as of October 17, 2024, which is the date the financial statements were available to be issued. No material events have occurred since December 31, 2023, that require recognition or disclosure in the financial statements, except as follows:

Effective January 1, 2024, the plan was amended as follows:

- To add an automatic deferral provision to the Plan, whereby eligible participants will be automatically enrolled at a rate of 4% of eligible compensation, unless they elect otherwise. This provision applies to all existing participants regardless of prior salary deferral arrangement.
- To amend vesting provisions such that participants vest in the Company's contributions at a rate of 20% per year, beginning with the first year of vesting service, with full vesting after five years of credited service.
- To permit participant loans.

Note 3 - Information Certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule of assets (held at end of year), which was certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC as of December 31, 2023 and 2022, and for the year ended December 31, 2023, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan's independent accountants did not perform auditing procedures with respect to the

information certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4 - Fair Value Measurements

The Plan measures and reports its financial assets and liabilities using a three-tier hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2023 and 2022.

Mutual Funds: Valued as determined by quoted market price, which represents the net asset value of shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

**TUCKER PAVING, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	\$ 3,442,668	\$ 3,442,668	\$ -	\$ -
Total Investments, at Fair Value	\$ 3,442,668	\$ 3,442,668	\$ -	\$ -

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	\$ 2,813,202	\$ 2,813,202	\$ -	\$ -
Total Investments, at Fair Value	\$ 2,813,202	\$ 2,813,202	\$ -	\$ -

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100% vested in their account balances.

Note 6 - Exempt Transactions with Parties-In-Interest

Administrative fees paid to Empower Annuity Insurance Company of America, the Plan's third-party administrator and the Plan's financial advisor, totaled \$35,476 for the year ended December 31, 2023. These transactions qualify as exempt parties-in-interest transactions.

Note 7 - Tax Status

The Plan adopted a non-standardized pre-approved defined contribution plan, which received a favorable opinion letter dated June 30, 2020, in which the IRS stated that the pre-approved Plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**TUCKER PAVING, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

Note 8 - Risks and Uncertainties

The Plan invests in various investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment will occur in the near-term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Non-Exempt Transactions

During the Plan years ended December 31, 2023, 2021 and 2020, the Company did not remit certain employee deferrals within the appropriate time period prescribed by the Department of Labor. These transactions constitute prohibited transactions as defined by ERISA. The Company is in the process of correcting these late remittances and plans to remit the deferrals and lost earnings into the Plan in 2024.

Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023 and 2022:

	<u>December 31, 2023</u>	<u>December 31, 2022</u>
