We have performed an audit of the accompanying financial statements of Specialty Networks 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (in liquidation) for the period ended September 30, 2024, the related statement of changes in net assets available for benefits (in liquidation) for the period of January 1, 2024 through September 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Specialty Networks 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution for the period ended September 30, 2024 and the period of January 1, 2024 through September 30, 2024 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Emphasis of Matter – Basis of Accounting**

As discussed in Note 2 to the financial statements, the governing body of Specialty Networks 401(k) Plan approved a Plan liquidation on September 30, 2024, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the accrual basis used in presenting 2024 financial statements to the liquidation basis. Our opinion is not modified with respect to the matter.

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Specialty Networks 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Specialty Networks 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Specialty Networks 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Specialty Networks 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*2023 Financial Statement*

We did not audit, review, or compile the 2023 financial statements of Specialty Networks 401(k) Plan, and accordingly, express no opinion or other form of assurance on it.

NOTES TO FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED SEPTEMBER 30, 2024 AND  
YEAR ENDED DECEMBER 31, 2023 (UNAUDITED)**

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Specialty Networks 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan and Trust Agreement (Plan Document) for a more complete description of the Plan's provisions.

*General*

The Plan is a 401(k) profit sharing plan established on February 16, 2018. Employees of Specialty Networks, LLC (the Company or Plan Sponsor) are eligible to participate in the Plan once they have reached twenty-one years of age and completed two months of service. Participants may enter the Plan on the first day of the quarter coinciding with or the next following date requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Plan Termination*

The Company elected to terminate the Plan effective March 17, 2024. All Plan assets were distributed out of the Plan on September 30, 2024.

*Contributions*

Participants may make voluntary salary reductions (participant contributions) up to the maximum amount allowed by the IRS. For 2024, this deferral limit was \$23,000. Participants may also rollover amounts from other qualified plans. Participants over the age of 50 are eligible for catch-up contributions, not to exceed \$7,500 in 2024. Participants are automatically enrolled in the Plan upon satisfaction of eligibility requirements at a deferral rate of 6% of eligible gross compensation unless opted out.

The Company provides a safe harbor matching contribution that matches 100% up to the first 3% of participant's eligible compensation. During 2024, the Company made safe harbor matching contributions of approximately \$65,000.

The Company may make discretionary profit sharing contributions to the Plan, an amount determined by resolution of the owner or other governing authority of the Plan Sponsor. During 2024, the Company did not make any employer matching contributions.

*Participant Accounts*

Individual accounts are maintained to record participant contributions, safe harbor matching contributions, profit sharing contributions, rollover contributions, and earnings thereon for each participant. The benefit to which a participant is entitled is the total benefit, which can be provided from the vested portion of these individual accounts.

FOR THE PERIOD ENDED SEPTEMBER 30, 2024 AND  
YEAR ENDED DECEMBER 31, 2023 (UNAUDITED)**

**NOTE 1 - DESCRIPTION OF THE PLAN, CONTINUED**

*Vesting*

Upon entry into the Plan, participants are 100 percent vested in their participant contributions, rollover contributions, safe harbor matching contributions, discretionary profit sharing contributions, and earnings thereon.

*Notes Receivable from Participants*

Participants may borrow from their accounts. The amounts borrowed must be greater than \$1,000 and are limited to the lesser of \$50,000 (less the excess, if any, of the highest outstanding balance in the one-year period preceding the date a new loan is issued) or 50 percent of the participant's vested account balance. Loans will bear an interest rate of the prime plus two percent and must be repaid within five years.

*Payment of Benefits*

On termination of service due to death, disability, or retirement, a participant may request a distribution of their vested account balance. Furthermore, upon approval of the Plan Administrator, participants may be entitled to take hardship distributions. Participants may elect to withdraw all, or a portion, of their account while still employed upon attainment of age 59 ½. Participants that have terminated employment and have a vested account balance less than \$5,000 will receive a distribution as soon as administratively feasible. Benefits are recorded when paid.

*Forfeited Accounts*

Forfeited accounts will be used to either pay Plan expenses or to reduce Company contributions. Forfeitures as of September 30, 2024, were approximately \$0. During 2024, no forfeitures were used to reduce Company contributions or pay Plan expenses.

*Subsequent Event*

Management has evaluated subsequent events through December 18, 2024 the date the financial statements were available to be issued.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

**SPECIALITY NETWORKS 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED SEPTEMBER 30, 2024 AND  
YEAR ENDED DECEMBER 31, 2023 (UNAUDITED)**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

*Basis of Accounting*

The Plan Sponsor has determined that Plan liquidation is imminent, and the Plan has elected to prepare the financial statements using the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

*Administrative Expenses*

All expenses of maintaining the Plan are paid out of the Plan assets or by the Plan Sponsor. Investment-related expenses are included in net appreciation of fair value of investments.

*Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Investment Contracts*

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The investment contract held by the Plan is fully benefit-responsive. Therefore, the investment is recorded at contract value as of December 31, 2023. See Note 5 for a description of the investment contract.

*Fair Value Measurements*

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits (in liquidation). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

FOR THE PERIOD ENDED SEPTEMBER 30, 2024 AND

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED**

*Market Risk*

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Furthermore, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes, could materially affect the amounts reported in the Statement of Net Assets Available for Benefits (in liquidation).

**NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively Empower), the custodians of the Plan, have supplied the Plan administrator with a certification as to the completeness and accuracy of all investment and notes receivable from participant information reflected on the accompanying statements of net assets available for benefits (in liquidation) for the period ended September, 2024 and the related statement of changes in net assets for benefits (in liquidation) for the period of January 1, 2024 through September 30, 2024.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobserved inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

See Independent Auditor’s Report

FOR THE PERIOD ENDED SEPTEMBER 30, 2024 AND  
YEAR ENDED DECEMBER 31, 2023 (UNAUDITED)**

**NOTE 4 – FAIR VALUE MEASUREMENTS, CONTINUED**

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023:

	<b>2023 (UNAUDITED)</b>			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ 4,305,256

**NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The key guaranteed portfolio is a guaranteed return contract with a quarterly interest rate guarantee. Deposits are guaranteed in both principal and interest by Empower. Amounts are held in Empower’s general account and are credited on a net daily basis at annual effective rates. This contract is fully benefit responsive and is reported at contract value using the net investment factor (NIF) at the accumulated cash contributions, transfers, and interest credited to the Plan’s contract less any withdrawals. The fair market value is equal to contract value less any contingent deferred sales charge, if applicable.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include premature termination of the contracts by the Plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives. The Plan does not believe that any events which would limit the Plan’s ability to transact at contract value with participants are probable of occurring. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The fixed contract crediting rate is reset quarterly. The fixed contract does not have a maturity date. The fixed contract’s provisions do not provide for a distribution at book value at some specified future date. A contract holder can request a lump sum distribution with a market value adjustment, or an installment payout, at book value, over a period of years. The fixed contract continues in force until all assets have been distributed, or no further payments are due.

NOTES TO FINANCIAL STATEMENTS  
FOR THE PERIOD ENDED SEPTEMBER 30, 2024 AND  
YEAR ENDED DECEMBER 31, 2023 (UNAUDITED)**

**NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY, CONTINUED**

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan’s investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

**NOTE 6 – TAX STATUS**

The Plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020 stating that the written form of the underlying volume submitter profit sharing plan document is qualified under Section 401(a) of the Internal Revenue Code (the Code), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

The Plan follows the provisions of ASC 740, Income Taxes of the FASB Accounting Standards Codification. The Plan believes it has no uncertain tax positions that qualify for either recognition or disclosure. As of September 30, 2024, due to the statutes of limitations, the Plan is no longer subject to examination of its 5500 by the IRS for years prior to 2021.

**NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS**

Empower performs the Plan’s recordkeeping and holds the Plan’s investments. TSC 401k performs the third party administration. Investment advising is provided by Empower Advisory Group, LLC. Therefore, any investment or administrative fees paid during the year to these entities qualify as party-in-interest transactions.
