Independent Auditors' Report

To the Plan Administrator
CRB Group, Inc. 401(k) Plan
Kansas City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CRB Group, Inc. 401(k) Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution(s) that management determined meet(s) the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification(s), comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

1. Description of Plan

The following description of the CRB Group, Inc. 401(k) Plan, (the “Plan”), provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

a. General

The Plan, adopted January 1, 1987 and formerly known as Clark Richardson & Biskup Consulting Engineers, Inc. 401(k) Profit Sharing Plan & Trust, is a defined contribution plan covering all eligible employees of CRB Group, Inc., (the “Company”), who are age 21 or older. The Plan also covers all eligible employees of CRB Builders, L.L.C. (Affiliate) and CRB Architects - Engineers, P.C. (Affiliate). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Employees participating in the Plan may enter into an elective deferral agreement authorizing the employer to withhold a portion of such participants’ compensation, up to the Code Section 415 limit, to deposit to the Plan. The Company matches participants’ deferrals in an amount equal to 50% of the elective deferral. Only elective deferrals up to 6% will be matched. Participants are immediately eligible for employer matching contributions.

The Company may make an annual discretionary contribution to the Plan during the continuance of the Plan in an amount, if any, determined solely by the Company.

c. Participant Accounts

Each participant's account is credited with the participant's contribution, the employer matching contribution and allocations of the Company’s discretionary contribution and plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant’s vested account.

d. Vesting

Vesting in the Company’s match on salary deferral, discretionary contribution, and the earnings thereon, is based on years of credited service. A participant is 100% vested after six years of credited service. Effective January 1, 2023, the vesting schedule was modified such that a participant is 100% vested after three years of credited service.

1. Description of Plan (Continued)

e. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at 1% over the Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated. General purpose loans have a term of 12-60 months. Principal residence loans have a term of 61-180 months. The maximum number of loans a participant may have outstanding at one time is two. Principal and interest are paid ratably through payroll deductions.

f. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Benefits are recorded when paid.

g. Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$86,503 and \$176,359, respectively. These accounts will be used to reduce future employer contributions or Plan expenses. In 2023, employer contributions were reduced by \$487,228 and \$29,280 in Plan expenses were paid from forfeited non-vested accounts.

2. Summary of Significant Policies

The following are the significant policies followed by the Plan:

a. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

CRB GROUP, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

DECEMBER 31, 2023

2. Summary of Significant Policies (Continued)

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

e. Operating Expenses

The plan sponsor bears a significant portion of the administrative costs for the Plan, including the costs of officers and employees who perform certain administrative functions. Expenses that are paid by the Company are excluded from these financial statements. Plan expenses that are paid by the Plan consist of fees charged by the Plan's trustee, investment advisor, auditor, and contract administrator.

f. Income Taxes

The Plan's income tax filings are subject to examination by various taxing authorities. The Plan's open examination periods are 2020 and forward.

g. Subsequent Events

Subsequent events have been evaluated up to December 17, 2024, the date these financial statements were available to be issued.

CRB GROUP, INC. 401(k) PLAN

3. Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy within is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies, as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust: Valued at the net asset value (NAV) of units of the collective investment trust. The NAV is based on the fair value of the underlying investments and is used as a practical expedient to estimate fair value.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, common stocks and interest-bearing cash equivalents. Mutual funds, common stocks, and unit investment trusts are valued on the basis of readily determinable market prices (level 1). Interest-bearing cash and cash equivalents are valued at cost, which approximates fair value (level 2).

4. Financial Data Certified by the Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments held at December 31, 2023 and 2022.
- Notes receivable from participants December 31, 2023 and 2022.
- Net appreciation in fair value of investments for the year ended December 31, 2023.
- Interest and dividends for the year ended December 31, 2023.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. Tax Status

The Plan obtained its latest opinion letter on November 14, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. No provision for income taxes has been included in the Plan's financial statements.

7. Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

8. Exempt Party-In-Interest Transactions

Some plan investments are managed by Putnam Investments, LLC, an affiliate of Empower Trust Company, LLC. Empower Trust Company, LLC is the trustee as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions.
