To the Administrative Plan Committee
Torrance Casting Union Savings & Retirement Plan

We have audited the financial statements of Torrance Casting Union Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), for the year ended June 30, 2023, and we will issue our report thereon dated October 30, 2024. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 4, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Torrance Casting Union Savings & Retirement Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We were unable to obtain a copy of the draft Form 5500.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached schedule summarizes uncorrected misstatements of the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Members

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 30, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the ERISA-required supplementary information accompanying the financial statements, we made certain inquiries of you and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Administrative Plan Committee charged with governance and management of Torrance Casting Union Savings & Retirement Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Engelson and Associates, Ltd.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Plan Committee of
Torrance Casting Union Savings & Retirement Plan
La Crosse, Wisconsin

Disclaimer of Opinion

We were engaged to audit the accompanying financial statements of Torrance Casting Union Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974. The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years ended June 30, 2023 and 2022, and the related notes to the financial statements.

We do not express an opinion on the financial statements of Torrance Casting Union Savings & Retirement Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan did not maintain adequate accounting records and supporting documents in order to perform procedures that are adequate to assure the completeness of participants' data on which investments, contributions and benefit payments are determined, and we were unable to perform other auditing procedures with respect to participants' data to verify the balances and accounts. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Torrance Casting Union Savings & Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Torrance Casting Union Savings & Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Torrance Casting Union Savings & Retirement Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets Held for Investment Purposes, as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

TORRANCE CASTING UNION SAVINGS & RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accounting records of the Plan are maintained on the accrual basis and are presented in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP) as codified by the Financial Accounting Standards Board.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Interest and Dividend Income - Interest and dividend income is recorded when earned during the year.

Purchases and Sales of Securities - Purchases and sales of securities are reflected on a trade-date basis. Gain or loss on sales of securities is based on cost. Cost is the fair value at the beginning of the Plan year or historical cost if the security was purchased during the Plan year.

Payment of Benefits - Benefits are recorded when paid.

Estimates - The preparation of the financial statements in conformity with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Subsequent Events - The Plan has evaluated subsequent events through October 30, 2024, the date which the financial statements were available to be issued

NOTE 2 - PLAN DESCRIPTION

The brief Plan description is provided for general information purposes only; for more complete information, the participants should refer to the Plan agreement.

The Plan is a defined contribution employee benefit plan covering substantially all union employees of Torrance Casting who have met the eligibility requirements and elect to participate in the Plan. Initially adopted on July, 1, 1992 and restated July 1, 2021, this plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - Effective July 1, 2021, Torrance Casting union employees who are not excluded employees and who have completed the service requirements of 2 months, were eligible to participate in the Plan. The Company allows employees to enter the Plan on the first day of the month following the service requirement being satisfied.

Forfeitures - The Plan has no forfeitures as contributions are vested immediately.

Contributions - Under provisions of the Plan, participants may contribute up to 100% of their annual wages up to the maximum percentage allowable by Internal Revenue Code Sections 401(k), 402(g), 404 and 415. The Plan sponsor contributes \$1.28 per hour for all eligible employees. Participants direct their investment of contributions into various investment options.

Vesting - Participants' accounts are vested immediately upon contributing.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023 AND 2022

NOTE 2 - PLAN DESCRIPTION, continued

Payments of Benefits - Upon termination of service of an employee, or in certain hardship cases, an employee may elect to receive benefits by a lump sum payout, a series of substantially equal periodic installments not to exceed the participant's life expectancy, or partial withdrawals, as described in the Plan provisions.

Loans - Participant loans are not permitted within the Plan.

Administrative Expenses - All administrative expenses may be paid out of the Plan unless paid by the Company. During the years ended June 30, 2023 and 2022, expenses were paid by both the Plan and the Company.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs rather than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds and common trust accounts are based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of these investments are determined by pricing data provided by outside valuation service providers who generally use the mean bid/ask prices but may also use alternative observable pricing inputs including discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Level 3 Fair Value Measurements

The fair value of these investments are determined by inputs to the valuation methodology that are not observable and are significant to the fair value measurement.

For the years ended June 30, 2023 and 2022, there were no significant transfers between Levels 1, 2, or 3.

Mutual Funds - Mutual funds are valued at the daily closing price which represent the fair value of the shares held by the Plan at year end.

Collective Trust Funds - Collective trust funds are valued at NAV of the units of the collective trust. The NAV, as provided by the trustee, is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell its investments for an amount different than the reported NAV. Participant transactions may occur daily.

NOTE 3 - FAIR VALUE MEASUREMENTS, CONTINUED

Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Certain investments that were measured at NAV have not been classified in the fair value hierarchy table presented below. The fair value amounts presented in the table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2023 and 2022:

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTE 4 - INVESTMENTS

Net appreciation (depreciation) in the fair value of investments included the following:

	2023	2022
Net appreciation (depreciation) in fair value of mutual funds	\$ 75,536	\$ (239,428)
Net appreciation (depreciation) in fair value of general account	<u>-</u>	<u>-</u>
Net appreciation (depreciation) in fair value of investments	<u>\$ 75,536</u>	<u>\$ (239,428)</u>

All investments bear full market risk.

NOTE 5 – INSURANCE CONTRACT

The Plan offers a general fixed account fund which is collective trust fund. Collective trust funds are valued at the fair value the underlying investments/mutual funds. The Fund owns traditional and synthetic GIC, investment contracts, security backed contracts, fixed income securities, mutual funds and collective investment trusts; all with various crediting rate formulas. Fixed rate traditional GIC contracts have no reset and are deemed to remain at par. Monthly reset traditional GIC contracts are credited off of the one month LIBOR rate and a rolling twelve month Consumer Price Index (CPI). These contracts are reset monthly at a spread to their index and are deemed to be par. Monthly reset synthetic GIC contracts are credited off the internal rate of return, dollar duration, and dollar weighted duration of an underlying portfolio. The monthly reset contracts are maintained at contract value.

The underlying portfolios are priced at market value. As rates rise, the market value falls versus contract value. Crediting rates will rise with a lag due to reinvestment. As rates fall, the market value will rise versus the contract value. Crediting rates will fall with a lag due to reinvestment.

The Fund could be limited in its ability to transact with issuers at contract value if the Fund raises its risk profile or is subjected to an extended period of significant cash outflow. The Fund maintains cash, internal cash flow to offset cash withdrawals.

NOTE 6 - INCOME TAX STATUS

The Plan has received a determination letter, dated June 30, 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and had concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to June 30, 2020.

NOTE 7 - ADMINISTRATIVE EXPENSES

The Plan's sponsor pays certain plan administrative fees, audit fees, and ERISA bond coverage for the Plan. These expenses are not reflected on the statement of changes in net assets.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, collateral and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA.

NOTE 10 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Fees for professional services rendered to the Plan may be paid for by the Company at its discretion. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 11 – CONCENTRATIONS

The Plan's investments that represent 10 percent or more of the Plan's net assets available for benefits as of June 30, 2023 and 2022 are as follows:

JPMORGAN SMARTRETIREMENT 2020 R2	\$ 362,002	\$ 301,252

NOTE 12 – AMOUNTS OWED TO PARTICIPANTS WITHDRAWING FROM THE PLAN
