INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Upper Sioux Community/Prairie's Edge
Casino Resort 401(k) Plan and Trust
Granite Falls, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Upper Sioux Community/Prairie's Edge Casino Resort 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter

As discussed in Note 2, the accompanying financial statements present only Upper Sioux Community/Prairie's Edge Casino Resort 401(k) Plan and Trust and do not purport to, and do not present fairly, the financial position of the Upper Sioux Community as of December 31, 2023 and 2022, and the changes in its net position and, where applicable, cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion has not been modified with respect to this matter.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of plan:

The following description of Upper Sioux Community/Prairie's Edge Casino Resort (Community) 401(k) Plan and Trust (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and eligibility:

The Plan, which commenced July 1, 1998 and was restated on January 1, 2022, is a defined contribution plan covering all employees of the Community who have six months of service and are age 21 or older, with the exception of the Board of Trustees who are covered under a separate plan. Deferrals begin on the first day of the quarter coinciding with or next following the attainment of eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. This contribution shall not exceed the minimum amount that may be contributed by the participant under the law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions and any employer contributions into various investment options offered by the Plan.

Effective March 1, 2022, once an employee is eligible, 2% of the employees' compensation is automatically withheld and contributed to the Plan unless they decline to participate.

The Community, at the discretion of the Board of Trustees, may make a discretionary employer match as well as a discretionary profit-sharing contribution as defined in the Plan document to all eligible employees who have worked 1,000 hours and are employed on the last day of the Plan year. Effective March 1, 2022, a discretionary employer match was available to eligible employees to receive a match of half of their deferral election up to 3%. No profit-sharing contribution was made by the Community for the years ended December 31, 2023 and 2022.

Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Community's contribution and (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

At December 31, 2023 and 2022, total participants with Plan balances were 207 and 201, respectively.

CASINO RESORT 401(K) PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of plan (continued):

Vesting:

Participants are vested immediately in their contributions, plus actual earnings (losses) thereon. A participant is 100% vested in Community contributions and earnings after three years of credited service effective March 1, 2022, and prior to March 1, 2022, after six years of credited service.

The vesting schedule of the Plan effective March 1, 2022 is as follows:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 1 year	0%
1 but less than 2	0%
2 but less than 3	0%
3 or more	100%

The vesting schedule of the Plan prior to March 1, 2022 was as follows:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 2 years	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Participant rollover contributions are 100% vested at all times. Participants become 100% vested upon death, disability or attainment of normal retirement age (65).

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear interest at rates similar to loans issued by a commercial lending institution. Once a loan is granted, the interest rate on the loan will not change. The loans are for a term not to exceed five years unless the loan is for the purchase of the participant's principal residence. Principal and interest on notes receivable from participants are repaid ratably through weekly payroll deductions.

1. Description of plan (continued):

Payment of benefits:

On termination of service due to death, disability or retirement, a participant will receive a lump-sum payment if the vested account is less than \$5,000. If the vested account is more than \$5,000, a lump-sum payment or installments paid over the participant's lifetime can be received. The benefits will be paid as soon as administratively feasible, following the date for which a distribution is requested.

Distributions may be made at the participant's election prior to termination upon attainment of age 59½ or incurrence of hardship as defined in the Plan document.

Forfeited accounts:

Forfeited non-vested accounts, if any, are used to offset Plan expenses or to reduce employer matching contributions. There were \$3,321 and \$192 in forfeitures available to be used as of December 31, 2023 and 2022, respectively. There was \$140 used to reduce the employer match for the year ended December 31, 2022.

Administrative expenses:

The Plan provides for investment and administrative fees to be paid by either the Plan or the Community.

2. Summary of significant accounting policies:

Use of estimates and basis of accounting:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results may differ from those estimates.

The Plan is a fiduciary fund of the Community and the Plan financial statements are prepared in conformity with GAAP as promulgated by the Government Accounting Standards Board (GASB) using economic resources measurement focus and accrual basis of accounting. Financial statement titles are presented to comply with the Department of Labor rules and regulations. These financial statements present only the Upper Sioux Community/Prairie's Edge Casino Resort 401(k) Retirement Plan and Trust and they do not present, nor are they intended to present, the financial statements of the Upper Sioux Community as a whole.

Investment valuation and income recognition:

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of significant accounting policies (continued):

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions:

Both employer and employee contributions are recognized as revenue in the period in which employees provide services.

Refund of excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed \$8,388 from 2022 excess contributions to the applicable participant(s) subsequent to the 2022 Plan year end.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Community and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, administration fees from the third-party administrator and investment advisory service fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Concentrations:

At December 31, 2023 and 2022 approximately 43% and 49%, respectively of total investments were held in three investment funds.

Subsequent events:

Management has evaluated for subsequent events through December 19, 2024, the date the financial statements were available for issuance.

3. Fair value measurements:

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. This standard establishes a hierarchy of valuation inputs based on the extent to which the inputs are observable in the marketplace. Additionally, investments that are measured at the net asset value (NAV) per share practical expedient should not be categorized within the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts: The Plan has investments in participation units of mutual funds held in pooled separate accounts through sub-accounts of an insurance company as of December 31, 2023 and 2022. The fair values of these pooled separate accounts are primarily valued at NAV per share practical expedient based on quoted market prices for the underlying securities or similar instruments.

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate fair value using net asset value per share as the practical expedient as of December 31:

	<u>2023</u> <u>Fair value</u>	<u>2022</u> <u>Fair value</u>	<u>Unfunded</u> <u>commitments</u>	<u>Redemption</u> <u>frequency</u>	<u>Redemption</u> <u>notice period</u>
Investments measured at NAV, in pooled separate accounts	\$ 3,859,129	\$ 3,051,284	\$ -	Daily	Daily

The pooled separate accounts fund has filed as a direct filing entity; therefore, the investment's significant investment strategy is not required to be included in these financial statements.

4. Fully benefit-responsive investment, at contract value:

The Plan had a traditional fully benefit-responsive fixed select contract with Nationwide Life Insurance Company (Nationwide). Nationwide maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fixed select contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the fixed select contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. The contract is included in the financial statements at contract value as reported to the Plan by Nationwide. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

CASINO RESORT 401(K) PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

4. Fully benefit-responsive investment, at contract value (continued):

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) a breach of material obligations under the contract, (2) a material misrepresentation or (3) a material amendment to the agreement without the consent of the issuer.

	<u>2022</u>
Traditional investment contract	<u>\$ 345</u>

5. Information certified by Nationwide Trust Company:

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2023 and 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information related to the following assets:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 3,859,129	\$ 3,051,284
Fully benefit-responsive investment, at contract value	<u>-</u>	<u>345</u>
	<u>\$ 3,859,129</u>	<u>\$ 3,051,629</u>

Nationwide Trust Company also certified to the completeness and accuracy of the \$534,186 and \$(470,599) of net appreciation (depreciation) in fair value of investments related to the aforementioned assets for the years ended December 31, 2023 and 2022, respectively.

6. Related party and party-in-interest transactions:

Certain Plan investments were managed by Nationwide Trust Company during 2023 and at December 31, 2022. Nationwide Trust Company is the custodian of the Plan's investments, and therefore, those transactions qualify as party-in-interest.

7. Plan termination:

Although it has not expressed any intent to do so, the Community has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Community contribution portion of their account.

8. Tax status and Plan amendments:

The Plan document was restated effective January 1, 2022 for certain regulatory changes. Effective March 1, 2022, automatic deferrals of 2% were added and the service period for vesting of employer contributions changed from a 6 year cliff to a 3 year cliff. The Plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the base plan, as then designed, was in compliance with the applicable requirements of the IRC.

Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Plan management evaluated the Plan's tax positions and concluded that the Plan had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
