INDEPENDENT AUDITORS' REPORT

The Plan Administrator
Providence Hospitality Partners 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Providence Hospitality Partners 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Providence Hospitality Partners 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Providence Hospitality Partners 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Providence Hospitality Partners 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Providence Hospitality Partners 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Providence Hospitality Partners 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 and the Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Providence Hospitality Partners 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of Plan

The following description of the Providence Hospitality Partners 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Providence Hospitality Partners, LLC (the “Company” or “Providence”) who have completed at least 500 hours of service within a six consecutive-month period and are age 18 or older. If the hours requirement is not met during the first 6 months of service, the employee becomes eligible after completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). Participants can enter the Plan on the January 1 or July 1 of each plan year after meeting the eligibility requirements.

The Company is the sponsor of the Plan. Empower Trust Company, LLC, and Empower Annuity Insurance Company of America (Empower) serve as the Plan custodian and trustee and Empower serves as the plan recordkeeper. Participants may also elect to have their investments managed by Advised Assets Group, LLC.

Contributions

Participants may generally defer annual compensation to a specified limit (\$22,500 in 2023 and \$20,500 in 2022), as defined in the Plan and by statute. Annual additions to the plan are also limited to the lesser of annual compensation or a statutory limit (\$66,000 in 2023 and \$61,000 in 2022). Participants may also transfer in amounts representing distributions from other qualified plans (rollovers). Contributions are also subject to other statutory limitations, with certain “catch-up” adjustments also permitted for participants age 50 or older. Participant contributions are limited to 100% of eligible compensation as defined in the Plan document.

The Plan provides discretionary employer matching contributions of 50 percent of participant’s contribution, not to exceed 6% of the employee’s deferred eligible compensation.

Participants may designate all or a portion of their elective deferrals as Roth elective deferrals.

Participant Accounts

Each participant’s account is credited with his or her contributions and an allocation of the Company’s contributions and of investment earnings and losses. Participant accounts are charged with an allocation of administrative expenses (mainly Empower fees) that are paid by the Plan. Allocations are based on participants’ compensation or account balances, as defined. Contributions are accrued as of the date they are withheld from participant compensation and are deposited directly into the investment option selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. Description of Plan (continued)

Vesting

Participants are immediately 100% vested in their voluntary contributions plus actual earnings thereon. The vesting schedule for the employer match contribution is based on the number of years of service completed:

<u>Total years of service</u>	<u>% Vested</u>
Less than Two	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts an amount equal to the lesser of \$50,000 (with certain reductions for loans already outstanding) or 50% of their vested account balance. The minimum loan amount is \$1,000. The loans are secured by the balance in the participant's account and bear interest at the published prime rate. The general purpose loan has a term of twelve (12) to thirty-six (36) months.

Payment of Benefits

Withdrawals from the Plan may be made by the participant upon death, permanent disability, retirement, attainment of age 59 ½, or severance of employment (as defined by the Internal Revenue Code provisions). Withdrawals may be paid in a lump sum, installment payments or a combination of the two depending upon the amount of the participant's account balance. Ordinary income tax will apply to each distribution. Distributions prior to age 59 ½ may also be assessed a 10% early withdrawal federal tax penalty.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$26,604 and \$15,743 respectively. Forfeitures may be used to reduce employer contributions and to pay Plan expenses. In 2023 and 2022, \$0 and \$25,961 were used to pay plan expenses, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Providence Hospitality Partners 401(k) Plan
Notes to Financial Statements (continued)
December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except as noted below. The fully benefit-responsive group annuity contract is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The pooled separate accounts are valued at net asset value per share (NAV) (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets. There are no redemption restrictions or unfunded commitments on these investments

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Participant notes receivable are written off when deemed uncollectible.

Payment of Benefits

Benefits are recorded when paid.

Expenses

The Company paid for certain direct Plan administrative and other expenses, which are excluded from these financial statements. Additionally, Company employees provide certain administrative duties at no charge to the Plan. Certain fees are paid through revenue sharing from plan investments.

3. Tax Status

On March 31, 2014, the IRS stated that the prototype adopted by the Plan, as then designed, is acceptable under IRC Section 401(a). The Plan has not received a determination letter specific to the plan itself; however, the Plan administrator believes that the Plan was designed and was being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Providence Hospitality Partners 401(k) Plan

Notes to Financial Statements (continued)

December 31, 2023 and 2022

3. Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable tax authorities.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Because Plan management believes that the Plan had no taxable income, no income tax returns have been filed for 2023 or prior years.

4. Information Prepared and Certified by Custodian

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian:

- Investments
- Net appreciation in fair value of investments and interest income
- Notes receivable from participants and related interest income

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions (i.e. any non-vested contributions).

6. Party in Interest Transactions

Certain plan assets are in investment funds managed by Empower. Empower is the custodian of the Plan; therefore, these transactions qualify as party in interest transactions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Providence Hospitality Partners 401(k) Plan
Notes to Financial Statements (continued)
December 31, 2023 and 2022

8. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Section 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 from those used in the prior year.

Pooled Separate Accounts: Valued at the daily closing price as reported by the fund. Mutual funds are the underlying investments and are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and deemed to have a readily determinable fair value (Level 2).

Providence Hospitality Partners 401(k) Plan

Notes to Financial Statements (continued)

December 31, 2023 and 2022

8. Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2023 and 2022.

	December 31, 2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accounts	\$ -	\$ 2,159,194	\$ -	\$2,159,194

	December 31, 2022			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accounts	\$ -	\$ 1,857,932	\$ -	\$1,857,932

9. Group Annuity Contract

The Plan has a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan.

Interest is credited on contract balances using a single portfolio rate approach. Under this methodology, a single interest rate is applied to all contributions made to the product, regardless of the timing of those contributions. Interest crediting rates are reviewed on a quarterly basis for resetting. When establishing interest crediting rates for this product, Great-West Life & Annuity Insurance Company considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and that require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

Providence Hospitality Partners 401(k) Plan
Notes to Financial Statements (continued)
December 31, 2023 and 2022

9. Group Annuity Contract (continued)

Since the group annuity contract is fully-benefit responsive, contract value is the relevant measurement criteria.

10. Form 5500 Reconciliation

The following is a reconciliation of the net assets available for benefits per the financial statements at December 31, 2023, to the Form 5500:

	<u>2023</u>
Net assets available for benefits per the financial statements	\$2,315,975
Less: deemed distributions	<u>(3,060)</u>
Net assets available for benefits per Form 5500	<u><u>\$2,312,915</u></u>

The following is a reconciliation of the net increase in assets available for benefits per the financial statements for the year ended December 31, 2023, to the Form 5500:

	<u>2023</u>
Net increase in assets available for benefits per the financial statements	\$ 314,585
Less: deemed distributions	<u>(3,060)</u>
Net increase in assets available for benefits per Form 5500	<u><u>\$ 311,525</u></u>

11. Prohibited Transactions

During 2023 and 2022, the Plan sponsor failed to remit to the Plan's trustee certain contributions totaling \$50,666 and \$17,654 (including loan repayments), respectively, within the period prescribed by Department of Labor regulations. Delays in remitting contributions to the trustee were due to change in personnel and payroll service providers, and the Plan sponsor intends to make contributions to the affected participants' accounts to compensate those participants for potential lost income due to the delays.

12. Subsequent Events

Management has conducted a review of subsequent events for possible disclosure in or correction of these financial statements through December 19, 2024, the date the financial statements were available to be issued.

At the end of 2024, the Plan changed the trustee to Transamerica and the transfer of assets was completed.
