INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Allies, Inc. 401(k) Plan
Hamilton Township, NJ 08690

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the accompanying financial statements of Allies, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500, Schedule H Line 4(a) – Schedule of Delinquent Participant Contributions and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLIES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN

The following brief description of Allies, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) Safe Harbor Plan, covering all eligible employees of Allies, Inc. (the "Organization"), as defined in the Plan document. All full-time employees who have attained age twenty-one are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Fulton Bank, N.A. was the custodian of the Plan through June 12, 2023, at which point the assets of the Plan were transferred to Matrix Trust Company (collectively, the "Custodians"). Fulton Bank, N.A. is the recordkeeper of the Plan.

Contributions

Each year, participants may elect to defer any amount of their annual compensation, excluding safe harbor fringe benefits, subject to Internal Revenue Code ("IRC") specified limits. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Organization makes a qualifying matching contribution to the participants using a set percentage as defined in the Plan document. During the year ended December 31, 2023, the Organization matched 100% of eligible participant contributions to the Plan, up to 3% of each participant's compensation plus 50% of salary deferral contributions from 4% to 5% of the participant's compensation. Total contributions to the Plan are limited to the IRC specified limits.

Participants' Accounts

Each participant's account is credited with the participant's contributions and allocations of the Organization's matching contributions and Plan earnings or losses and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their own contributions, rollovers and transfers from qualified plans and actual earnings or losses thereon. Participants are immediately 100% vested in the Organization's matching contributions.

Expenses of the Plan

The Plan's administrative expenses are paid primarily by the Organization. Certain expenses, such as loan origination fees, are borne by the loan participant.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of the participant and employer contributions credited to his or her account into any of the Plan's investment fund options. Participants may change their investment elections among these options on a daily basis.

A. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Unless otherwise elected, on termination of service due to death, disability, or normal retirement, a participant or beneficiary will receive 100% of his or her vested account balance as a life annuity, if not married, or a joint and survivor annuity, if married. If a valid election is made, a participant may elect to receive payments in another form, subject to Plan and regulatory restrictions. Upon termination of service for other reasons, and subject to Internal Revenue Service ("IRS") regulations, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or have the amount deposited directly into another qualified retirement account.

The Plan also provides for distributions to participants in the event of a financial hardship, as defined by the Plan. Hardship withdrawals are limited to the participant's salary deferral portion of his or her account excluding earnings.

Forfeited Accounts

Forfeited non-vested accounts may be used to reduce future employer contributions. There were no forfeited non-vested accounts as of December 31, 2023 and 2022.

Notes Receivable from Participants

Participants who meet certain requirements of the Plan may elect to borrow from their account a minimum of \$1,000 and up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Participants are limited to one outstanding loan at any time. The notes receivable are secured by the balance in the participant's account and bear interest at comparable commercial lending rates for similar type borrowings, as determined by the Plan Administrator. Principal and interest are paid ratably through monthly, semi-monthly or bi-weekly payroll deductions over a period of up to five years, unless the loan is for the purchase of a primary residence in which case the repayment period can extend beyond five years. Notes receivable interest rates were between 3.49% to 8.74% and 3.24% to 7.24% on outstanding balances at December 31, 2023 and 2022, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing the information provided by the Custodians. See Note D for discussion of fair value measurements.

ALLIES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income from participants' loans is recorded when received. Other interest income is recorded on the accrual basis when earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at outstanding principal plus accrued interest. A participant will be considered to be in default with respect to a loan if any scheduled repayment with respect to such loan is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. Such loans are treated as deemed distributions for financial statement purposes.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Management has evaluated subsequent events for potential recognition and disclosure that occurred after December 31, 2023, and through December 16, 2024, the date the financial statements were available to be issued. No items were determined by Plan management to require disclosure.

C. INFORMATION CERTIFIED BY THE CUSTODIANS

The following is a summary of the Plan's asset information certified by Matrix Trust Company and Fulton Bank, N.A. as of December 31, 2023 and 2022, respectively, and by both Custodians for the year ended December 31, 2023, included throughout the Plan's financial statements, that was prepared by or derived from information provided by the Custodians as of and for the year ended December 31, 2023, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from both Custodians that information provided to the Plan Administrator by the Custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements related to the following assets:

	December 31,	
	2023	2022
Cash	\$ -	\$ 93,077
Mutual funds	\$ 10,044,044	\$ 8,267,542
Money market funds	\$ 392,016	\$ 344,913
Notes receivable from participants	\$ 599,564	\$ 497,142

The Custodians also certified to the completeness and accuracy of the following activity for the year ended December 31, 2023:

	Fulton Bank, N.A.	Matrix Trust Company	Total
Net appreciation in fair value of investments	\$ 913,708	\$ 162,174	\$ 1,075,882
Interest and dividend income	\$ 27,203	\$ 412,568	\$ 439,771
Interest on notes receivable from participants	\$ 12,088	\$ 13,532	\$ 25,620

D. FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in less active markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds and Money Market Funds: Valued at the net asset value of shares held by the Plan based on quoted prices in active markets. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be active.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

D. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 10,044,044	\$ -	\$ -	\$ 10,044,044
Money market funds	392,016	-	-	392,016
Total investments at fair value	<u>\$ 10,436,060</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,436,060</u>

	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 8,267,542	\$ -	\$ -	\$ 8,267,542
Money market funds	344,913	-	-	344,913
Total investments at fair value	<u>\$ 8,612,455</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,612,455</u>

Changes in Fair Value Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization reserves the right to amend, modify, suspend or terminate the Plan permanently or temporarily, at such time as it deems appropriate, without the consent of or prior notice to any employee, retiree or beneficiary, subject to the provisions of ERISA. Only the Organization may amend the Plan. The participants' right to their vested benefits is nonforfeitable.

F. TAX STATUS

The Plan has adopted a prototype plan ("prototype plan") which received a favorable opinion letter from the IRS on March 31, 2014. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

G. CONCENTRATIONS OF RISKS AND UNCERTAINTIES

The Plan invests in various investment instruments. Investment securities in general are exposed to various risks, such as those involving interest rates, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
