INDEPENDENT AUDITORS' REPORT

To the Trustees
MLT 401(K) and Profit Sharing Plan
Mount Pleasant, Michigan

Opinion

We have audited the accompanying financial statements of MLT 401(K) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of MLT 401(K) and Profit Sharing Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MLT 401(K) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MLT 401(K) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MLT 401(K) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MLT 401(K) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**MLT 401(K) and Profit Sharing Plan
Mt. Pleasant, Michigan
Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of MLT Transport, LLC (the Company), who have attained six months of service as defined by the Plan and attained the age of 20. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

EMPLOYER AND EMPLOYEE CONTRIBUTIONS

Contributions to the Plan are made as follows:

EMPLOYEE SALARY DEFERRAL-Employees may enter into a compensation deferral agreement with the Company to designate the amount to be deferred. An employee may defer not less than 1% and not more than 90% of his or her compensation up to the statutory limit. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and money market accounts as investment options for participants.

EMPLOYER SAFE HARBOR CONTRIBUTION -The Company is required to make a safe harbor contribution to the Plan on behalf of each eligible employee. The required contribution is equal to 3% of the employee's eligible compensation for the year. The safe harbor contribution was \$198,359 and \$181,431 for the years ended December 31, 2023 and 2022, respectively.

EMPLOYER DISCRETIONARY CONTRIBUTIONS - The Company may make a discretionary contribution to the Plan in an amount determined by management. Contributions are allocated on a ratio of each participant's compensation to total compensation. The discretionary contribution was \$0 and \$0 for the years ended December 31, 2023 and 2022, respectively.

PARTICIPANT ACCOUNTS

Participants have segregated accounts which are credited with the participant's contributions and the respective investment earnings and charged with an allocation of any investment administrative expenses paid by the Plan. Allocations are based on investment earnings on account balances, as defined. The participant is entitled to the balance in the participant's vested account.

VESTING

Participants are 100% vested in salary deferrals, employer profit sharing contributions, and employer safe harbor contributions plus earnings thereon at all times.

PAYMENT OF BENEFITS

Upon termination of services, a participant may elect to receive his vested interest as a lump sum payment or in installments. If the vested account balance does not exceed \$5,000, the payment must be in a lump sum. In-service distributions are permitted pursuant to the terms of the Plan.

RECLASSIFICATIONS

Certain reclassifications have been made to the prior year financial statements to conform to the classifications used in the current year. Prior year net income was unchanged due to the reclassifications.

See independent auditors' report.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through October 11, 2024, which is the date the financial statements were available to be issued.

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities, additions, and deductions at the date of the financial statements. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results could differ from estimated amounts.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Appreciation (depreciation) represents the difference between the values of the investments at the end of the Plan years plus any gains or losses from sales of investments during the Plan year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

All operating expenses of the Plan are paid by the Company and are therefore excluded from these financial statements. Investment administrative fees are paid by the Plan.

**MLT 401(K) and Profit Sharing Plan
Mt. Pleasant, Michigan
Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022**

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of inputs of the fair value hierarchy are: Level 1 - quoted prices in active markets for identical assets; Level 2 - significant other observable inputs; and Level 3 - significant unobservable inputs. As of December 31, 2023 and 2022, the Plan had no assets which were required to be measured using Level 2 or Level 3 inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets Measured at Fair Value on a Recurring Basis at December 31, 2023

	Level 1 Quoted Prices in Active Markets for <u>Identical Assets</u>
Mutual Funds	\$ 3,347,903

Assets Measured at Fair Value on a Recurring Basis at December 31, 2022

	Level 1 Quoted Prices in Active Markets for <u>Identical Assets</u>
Mutual Funds	\$ 2,551,028

NOTE 4 – RELATED PARTY TRANSACTIONS

The administrative expenses recorded were charged by RFM Financial Solutions, LLC, for investment management, and by The Retirement Advantage for plan administration. Both RFM Financial Solutions, LLC, as the investment manager, and The Retirement Advantage as the third-party administrator, qualify as a parties-in-interest.

All other Plan expenses were paid by the Company. As the Company is the Plan sponsor, the Company qualifies as a party-in-interest.

Charles Schwab & Co. is the custodian of the Plan's assets, who qualifies as a party-in-interest.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in any unvested employer contributions.

NOTE 6 – TAX STATUS

The Plan has been determined to be acceptable for the Plan under the Internal Revenue Code by a letter dated June 30, 2020. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

See independent auditors' report.

MLT 401(K) and Profit Sharing Plan
Mt. Pleasant, Michigan
Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

NOTE 6 – TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. Generally, the Plan's tax filings remain open for three years for Federal income tax examination.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – PLAN AMENDMENTS

Effective May 1, 2023, the Plan was amended to allow the employees to designate some or all of their elective deferrals as ROTH contributions.

NOTE 9 – SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included the SECURE Act 2.0. This act contains over 90 new retirement provisions with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact on the Plan's 2023 and 2022 financial statements.
