Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

Macias Gini & O'Connell LLP ("MGO", "we", "us", or "our") has performed an audit of the financial statements of CommentSold, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated November 7, 2023 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMENTSold, LLC 401(k) PLAN

Notes to Financial Statements

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the CommentSold, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a participant-directed defined contribution plan established on January 1, 2020 by CommentSold, LLC (the “Company,” “Employer” or “Plan Sponsor”) to provide benefits to eligible employees as defined in the plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (“IRC”) and the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). It also provides certain benefits in the event of death, disability, or other termination of employment. Matrix Trust Company (“Matrix,” the “Trustee”) is the Plan’s Trustee.

Plan Administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has appointed the Administrative Committee to oversee the operation and administration of the Plan. Matrix Trust Company serves as the Plan’s directed trustee and asset custodian. Human Interest, Inc. provides record-keeping services and manages participant accounts and participant related transactions.

Contributions

Participants may contribute to the Plan, on a pre-tax up to 90% of eligible compensation and/or Roth basis up to 50% of eligible compensation each pay period, subject to statutory and regulatory limitations. Pre-tax contributions are excluded from the participant’s Federal taxable income until received as a withdrawal or distribution from the Plan. Roth deferral contributions are included in the participant’s Federal taxable income. Participants may also contribute amounts representing rollover distributions from other qualified plans. During 2022 and 2021, the maximum annual 401(k) pre-tax contribution limit was \$20,500 and \$19,500, respectively, and the maximum annual catch-up contribution for participants aged 50 and older was \$6,500. The Plan provides for discretionary employer matching contributions for all eligible participants. The employer matching contributions are calculated as 100% of participant deferrals up to a maximum of 3% of eligible wages. The employer matching contributions totaled \$685,994 for the year ended December 31, 2022. The Company may make qualified non-elective contributions (“QNECs”) in addition to discretionary employer matching contributions. The Company recorded QNECs to the Plan of \$423,564 as of December 31, 2021 for corrections related to 2020 and 2021. During 2022 the Company recorded a QNEC of \$129,595. The total QNEC receivable is included within qualified non-elective contributions receivable on the Plan’s statement of net assets available for benefits. At December 31, 2022 and 2021 the QNEC receivable was \$553,159 and \$423,564, respectively. The QNEC was received by the Plan during the year ended December 31, 2023.

Participant Accounts

Each participant’s account is credited or charged with the participant’s contribution and allocations of (i) employer’s 401(k) matching contributions and (ii) the participant’s share of earnings or losses on contributions and administrative expenses. Each participant directs all amounts credited into their account into one or more of the investment options available under the Plan. Accordingly, as a participant-directed plan, each participant’s investments determine their share of earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

COMMENTSOLD, LLC 401(k) PLAN

Notes to Financial Statements (Continued)

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions, rollovers, qualified non-elective contributions, employer match contributions and non-elective contributions plus actual earnings thereon. As the participants are immediately vested in all contribution types there are no amounts that represent forfeitures of participant balances.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their contribution investment options daily and may transfer part or all of past investments to other investment options daily. Participants may elect to change their salary deferrals on a daily basis.

Notes Receivable from Participants

Participants may borrow from their vested fund account balance at a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of the vested interest of the participant in the Plan. A participant may have no more than one loan outstanding at any time. The maximum payment term allowed for any loan will be five years. The loans are secured by the balance in the participant's account and, unless otherwise determined by the Plan Administrator, bear annual interest at a fixed rate using the Wall Street Journal rate (7.50% and 3.25% as of December 31, 2022 and 2021, respectively) as of the date of the loan plus 1%. Participant's notes are valued at the outstanding loan balance, plus any accrued but unpaid interest. Principal and interest are paid ratably through weekly payroll deductions. Loans mature through September 2027 with interest rates ranging from 4.25% to 6.50%.

Other Liabilities

Other liabilities represent amounts owed to a former participant of the Plan.

Hardship and In-Service Withdrawals

Plan participants may take hardship withdrawals from the vested portion of their account. The distribution is limited to the amount necessary to meet the financial need created by the hardship. Participants may withdraw all or a portion of any rollover contributions, plus earnings thereon, for any reason. Participants who have reached age 59 ½ may withdraw all or a portion of the vested portion of their account for any reason.

Deemed Distributions

When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. Deemed distributions on defaulted loans are recorded in the calendar quarter following the calendar quarter during which the loan was defaulted. These amounts are no longer included in net assets available for benefits and are recorded as benefits paid to participants. There were no deemed distributions for the year ended December 31, 2022.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Benefit Payments

Upon termination of service due to death, disability or retirement, as defined in the Plan, participants are entitled to a fully vested lump sum payment of their account balance. For termination of service due to other reasons, participants are entitled to the value of the vested interest in their account. As of December 31, 2022, there were \$14,705 of distributions that were traded from participant accounts, but not paid until after December 31, 2022.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid by the Plan, unless paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of fair value of investments. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All Plan investments are held by the Trustee. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 for discussion of fair value measurements). Interest income is recorded on the accrual basis. Purchases and sales of securities are reflected on a trade-date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date these financial statements were available for issuance, December 20, 2024.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix, the Trustee of the Plan has certified to the completeness and accuracy of:

- Investments and cash reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021;
- Net depreciation in the fair value of the investments and interest and dividends reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022;
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") authoritative guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the quoted market prices of shares or units held by the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis:

As of December 31, 2022:	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 4,560,870</u>	<u>\$ 4,560,870</u>
As of December 31, 2021:	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 2,406,730</u>	<u>\$ 2,406,730</u>

NOTE 5 – EXEMPT PARTY-IN INTEREST

At December 31, 2022, all Plan investments were in investment funds managed by Human Interest, Inc. and therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to the Trustee were \$27,764 for the year ended December 31, 2022. Notes receivable from participants also qualify as party-in-interest transactions.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

NOTE 7 – TAX STATUS

Effective January 1, 2020, the Company adopted a Prototype Non-Standardized Profit Sharing Plan with Cash or Deferred Arrangement ("CODA") sponsored by CCH Incorporated which received an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the Plan's qualified status. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, and accordingly no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL. The Plan's management does not believe that there are uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to tax examinations for years prior to 2020.

As of December 31, 2022 and 2021 and for the Year Ended December 31, 2022

NOTE 8 – PROHIBITED TRANSACTIONS

The DOL considers late deposits to be prohibited transactions. Plan management determined that during the plan year ended December 31, 2022, the Plan Sponsor failed to remit certain employee deferrals and loan repayments to the Plan in a timely manner according to DOL regulations, in the amount of \$460,799. The Employer has undertaken the necessary procedures to calculate and reimburse the affected participants for lost earnings due to these late contributions under the DOL's Voluntary Fiduciary Correction Program ("VFCP"). As of December 31, 2022 corrections for lost earnings and interest thereon, have not been fully restored to the participants' accounts for the late contributions made in the year ended December 31, 2022, with \$270,481 not corrected and \$190,318 pending correction under the VFCP as of December 31, 2022. As of December 31, 2022, corrections for lost earnings and interest thereon, have been restored to the participants' accounts for the late contributions made in the year ended December 31, 2021.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
