To Whom It May Concern:

I am writing this letter asking that the penalty for late filing of year 2023, Form 5500 be removed. The plan has 2 members, myself, and my spouse. We have no employees.

Plan Name: Next Level Engineering Solutions
Plan # 001
EIN: 84-1749621

The first filing in 2021 was completed and submitted on time. However, I did not understand that the 5500 was a form to be submitted yearly. Upon researching the standards and expectations for filing form 5500, I learned that one of the standards for filing the 5500 is having assets greater than \$250,000. My company has less than \$250,000 in assets therefore the form is not required.

Considering that each year has been filed, and the company assets are not close to meeting the \$250,000 threshold I am asking that the penalty be removed. Apart from this late filing, we have had, and continue to have good tax records and in good standing with the IRS.

Thank you,

Sharon Wright
