INDEPENDENT AUDITOR'S REPORT

To the Trustees of the UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUST:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUST, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for as of March 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the years ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUST's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2024 and 2023 and for the years then ended stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (continued)

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUST and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Company Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (continued)

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Company Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Company Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified

investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUST

EIN: 16-0973696

PLAN NUMBER: 002

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2024 AND 2023

Note 1: DESCRIPTION OF PLAN-

The following description of the UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUST (the Plan) provides only general information. Reference should be made to the Plan document for a more complete description of the Plan's provisions.

A. The Plan is a defined contribution plan covering all eligible employees of UNITED CHEMI-CON, INC. ("the Company") who have met certain service and age requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. The Plan is designed as a qualified cash deferred arrangement pursuant to Section 401(k) of the Internal Revenue Code and provides for the following contributions which are to be maintained in separate accounts.

C. Participants may elect to defer up to 100% of their annual compensation as defined in the Plan document, to the Plan, not to exceed Internal Revenue Code limitations.

D. The Company can make a discretionary matching contribution of each employee's annual deferred compensation. In addition, the Company, at its discretion, can contribute an additional profit sharing amount.

E. The Plan allows for the receipt of amounts from any other qualified plan, subject to the provisions of applicable tax law.

F. Employees have the ability to direct their employee and employer contributions into a variety of investment options allowed by the Plan.

G. Each participant's account is credited with the participant's contributions and an allocation of the Plan's earnings or losses.

H. Participants have a fully vested interest in their contributions plus actual earnings thereon. Vesting in their employer contributions is based upon years of continuous service with the Company. A participant is 100% vested after three years of continuous service. Each participant vests 100% upon reaching normal retirement age, death, or permanent disability.

I. Partial terminations may occur if 20% or more of the plan participants are terminated because of an action taken by the plan sponsor. If a partial termination occurs, terminated participants are immediately vested in their contribution.

UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUSTEIN: 16-0973696PLAN NUMBER: 002NOTES TO FINANCIAL STATEMENTSMARCH 31, 2024 AND 2023

Note 1: DESCRIPTION OF PLAN- (continued)

J. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.50 percent, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through regular payroll deductions.

K. Forfeited balances of terminated participants' nonvested accounts, to the extent not used to restore forfeited accounts of retired participants, will be used to reduce any employer matching or employer non-elective contributions the employer would otherwise make for the Plan year in which the forfeitures are allocated.

L. Payments of benefits are made to participants or their beneficiaries upon death, retirement, disability, attainment of normal retirement age, or termination of employment. Benefits are payable in a lump sum or by other methods as described in the Plan.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-

A. The accompanying financial statements have been prepared on the accrual basis of accounting.

B. During the year ended March 31, 2016, management has elected to adopt FASB ASU 2015- 12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965) - (I) Fully Benefit-Responsive Investment Contracts, (II) Plan Investment Disclosures and (III) Measurement Date Practical Expedients (a consensus of the FASB Emerging Issues Task Force).

The ASU removes the requirement that the Plan report individual investments that exceed 5% of net assets available for benefits. In addition, disaggregation of net appreciation and depreciation by general type is no longer required, but only required to be presented in the aggregate. Also, investments are no longer required to be disclosed by nature, characteristic and risk, but only required to be disclosed by general type. Finally, disclosure of the investment strategy is no longer required for investments that are recorded at fair value using the Net Asset Value practical expedient as permitted by ASC 820-10 and that are in a fund that directly files Form 5500 with the U.S. Department of Labor. This ASU was required to be adopted retrospectively. There was no effect on net assets available for plan benefits and changes in net assets available for plan benefits.

UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUSTEIN: 16-0973696PLAN NUMBER: 002NOTES TO FINANCIAL STATEMENTSMARCH 31, 2024 AND 2023

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES- (continued)

During the year ended March 31, 2016, management has elected to adopt FASB ASU 2015- 07, Fair Value Measurement (Topic 820); Disclosure for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent). Investments measured at fair value using the net asset value per share practical expedient are no longer required to be categorized within the fair value hierarchy. This ASU was required to be adopted retrospectively. There was no effect on net assets available for plan benefits and changes in net assets available for plan benefits.

C. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Shares of mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

D. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest income is recognized on the accrual basis.

E. Payments of benefits are recorded when paid.

F. The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

G. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of March 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

H. Subsequent events were evaluated through December 30, 2024, which is the date the financial statements were available to be issued.

UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUSTEIN: 16-0973696PLAN NUMBER: 002NOTES TO FINANCIAL STATEMENTSMARCH 31, 2024 AND 2023

Note 3: INVESTMENTS-

A. During the years ended March 31, 2024 and 2023, the Plan's investments (including investments bought, sold, and held during the year) appreciated(depreciated) as follows:

	<u>2024</u>	<u>2023</u>
Registered investment companies	\$2,779,623	\$(1,472,890)

B. Financial Accounting Standards Board Accounting Standards Codification 820 (FASB ASC 820) Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 measurements: Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 measurements: Inputs to the valuation methodology include: quoted market prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 measurements: Inputs that are unobservable inputs for the asset or liability

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUSTEIN: 16-0973696PLAN NUMBER: 002NOTES TO FINANCIAL STATEMENTSMARCH 31, 2024 AND 2023

Note 3: INVESTMENTS- (continued)

C. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2024 and 2023.

Mutual funds: Valued at the NAV of shares held by the Plan at year-end.

Group annuity contract fund: Valued at the NAV of the units held by the Plan. The Fund invests in fully-benefit responsive investment contracts that are held at contract value. NAV is determined to be contract value, the value at which participants ordinarily transact. This practical expedient would not be used if it is determined to be probable that the Fund will sell the investment for an amount different from reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments at fair value as of March 31, 2024:

	Level 1	Total
Mutual funds	\$ 16,571,828	16,571,828
Group annuity contract fund measured at NAV*	-	5,501,961
Total	\$ 16,571,828	\$ 22,073,789

UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUSTEIN: 16-0973696PLAN NUMBER: 002NOTES TO FINANCIAL STATEMENTSMARCH 31, 2024 AND 2023

Note 3: INVESTMENTS- (continued)

Investments at fair value as of March 31, 2023:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 13,679,050	13,679,050
Group annuity contract fund measured at NAV*	-	5,729,666
Total	\$ 13,679,050	\$ 19,408,716

*In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent)) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for plan benefits.

Note 4: INFORMATION CERTIFIED BY THE TRUSTEE-

The following information included in the accompanying financial statements and supplemental schedule was obtained from the data that has been prepared and certified to as complete and accurate by Empower Retirement, LLC.

	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ 16,571,828	\$ 13,679,050
Group annuity contracts, at fair value	5,501,961	5,729,666
Investment income(loss)	3,239,134	(889,926)

Note 5: RISK AND UNCERTAINTIES-

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that the changes in the values of investment securities will occur in the near term and that such changes materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

UNITED CHEMI-CON, INC. 401(k) PLAN AND TRUSTEIN: 16-0973696PLAN NUMBER: 002NOTES TO FINANCIAL STATEMENTSMARCH 31, 2024 AND 2023

Note 6: TAX STATUS-

The Plan is a nonstandardized prototype plan sponsored by Orchard Trust Company LLC that has been adopted by the Company. The prototype plan obtained an opinion letter from the Internal Revenue Service ("IRS") stated the prototype plan, as then designed was in compliance with the application requirements of the Internal Revenue Code. The Plan has not requested its own determination letter from the IRS. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 7: RELATED PARTY TRANSACTIONS-

The Plan is responsible for all administrative expenses to the extent not borne by the Company.

The Plan paid approximately \$36,000 of recordkeeping fees to Empower Advisory Group, LLC. Empower Retirement, LLC is the trustee as defined by the Plan and, therefore the transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
