INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Jackson Heart Clinic, P.A. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Jackson Heart Clinic, P.A. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jackson Heart Clinic, P.A. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jackson Heart Clinic, P.A. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jackson Heart Clinic, P.A. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jackson Heart Clinic, P.A. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jackson Heart Clinic, P.A. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**DECEMBER 31, 2023 AND 2022*****NOTE A - DESCRIPTION OF THE PLAN***

The following description of Jackson Heart Clinic, P.A. (the Company) 401(k) Plan (the Plan) provides only general information. The Plan covers employees of Jackson Heart Clinic, P.A. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all eligible employees of the Company who meet the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established effective April 1, 1973, and was restated, most recently, on January 1, 2022.

Contributions

Each year, participants may elect to defer 100% of eligible compensation, as defined in the Plan, up to the maximum allowed by the IRS. Participants may also contribute amounts representing distributions from other qualified plans. The Company makes safe harbor matching contributions equal to 100% of the elective deferrals that do not exceed 3% of the employees' compensation plus 50% of the elective deferrals between 3% and 5% of the employees' compensation. The Company may also make a discretionary profit sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, any discretionary contributions, and an allocation of the Plan earnings (losses). Allocations of earnings (losses) and expenses are based on participant account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their salary deferral contributions, and Employer safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow, from their fund accounts, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund to (from) the participant notes fund. Loan terms range from 1 - 5 years. Each loan is secured by the balance in the participant's account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN (Continued)***Payment of Benefits***

Upon termination of service due to death, disability, or retirement, a participant may elect to receive installment payments over time or may elect to receive a lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution, or a rollover to another retirement account.

Forfeited Accounts

At December 31, 2023, the forfeiture account balance was \$35,948. Forfeitures are used to pay Plan expenses or otherwise used at the Employer's discretion.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***Basis of Accounting***

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Participant notes receivable are valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses had been recorded as of December 31, 2023 or 2022.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)***Payment of Benefits***

Benefits are recorded when paid.

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodology used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds

Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified as Level 1.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)*Life Insurance Policies*

Life insurance policies are not actively traded; however, their value is based upon quoted prices for the investments underlying each policy, which are considered significant other observable inputs. The life insurance policies held by the Plan are classified as Level 2.

Subsequent Events

Management has evaluated the effect of subsequent events on these financial statements through October 30, 2024, the date the financial statements were available to be issued. See Note I - Risks and Uncertainties for further information.

NOTE C - INVESTMENTS**Fair Value of Financial Investments, Carried at Fair Value**

See “Fair Value Measurements” in Note B above for a discussion of the methodologies and assumptions used to determine the fair value of the Plan’s investments.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as described in Note B:

	Level 1	Level 2	Level 3	Total
<i>As of December 31, 2023</i>				
Investments:				
Mutual funds	\$12,738,567	\$ -	\$ -	\$12,738,567

Total	<u>\$30,992,258</u>	<u>\$1,197,510</u>	<u>\$ -</u>	<u>\$32,189,768</u>

NOTE D - INVESTMENT CONTRACTS

The Plan also offers investments in the Putnam Stable Value Fund (“Putnam Fund”). The Putnam Fund invests in a variety of investment contracts such as guaranteed investment contracts issued by insurance companies and other financial institutions, security-backed investment contracts, separate accounts issued or wrapped by insurance companies, banks or other financial institutions, or externally managed stable value commingled investment funds.

The Putnam Fund investment contracts are considered fully benefit responsive and are stated at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the value of certain financial instruments could result in a different value measurement at the reporting date.

The interest crediting rate is the periodic interest rate accrued to participants and is reset periodically to reflect the performance of the underlying securities. Variables impacting future crediting rates include current yield and duration of the assets backing the contracts, existing differences between the market values of assets backing the contracts and the contract values of the contracts. The contract value of the account was \$736,915 and \$768,743 at December 31, 2023 and 2022, respectively, and there were no unfunded commitments at that date.

Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment in the Putnam Fund at contract value. Certain events may limit the ability of the Plan to transact at contract value with the issuer. The Plan administrator does not believe that the occurrence of any such event is probable.

NOTES TO FINANCIAL STATEMENTS**DECEMBER 31, 2023 AND 2022*****NOTE E - PLAN TERMINATION***

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F - TAX STATUS

The Internal Revenue Service has determined and informed the Plan sponsor by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt. The Plan's Form 5500 information returns are subject to examination by the Department of Labor generally for three years after filing. Management has evaluated the tax positions taken and there are no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

NOTE G - ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in the administrative expenses. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments.

NOTE H - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company (the custodian of the Plan). For 2023, approximately 97.38% of the Plan's investments and income (loss) from investments were certified by the custodian.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE H - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Continued)

The following information, included in the accompanying financial statements and supplemental schedule, was included in the certification.

	December 31, 2023
Investments, at fair value:	
Mutual funds	\$ 12,738,567
Self-directed brokerage accounts, at fair value	21,508,153
Investments, at contract value:	
Guaranteed investment contracts	<u>736,915</u>
	<u>\$ 34,983,635</u>
Interest and dividends	\$ 380,197
Net investment gain from mutual funds	<u>4,043,545</u>
 Total Gain	 <u>\$ 4,423,742</u>

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2023 statement of net assets available for benefits.

NOTE J - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Newport Trust Company is the custodian of the Plan assets as defined by the Plan and, therefore, administrative fees provided to the custodian qualify as party-in-interest transactions. The Plan Sponsor is a party-in-interest to the Plan; however, there were no transactions with the Plan Sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan.
