DECEMBER 31, 2023 AND 2022**

PLAN NUMBER 001

INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor of the
Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KEYSER ENTERPRISES 1LP 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

(1) Plan Description

The following description of Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General Information

The Plan, which was established March 1, 2019 and subsequently amended, is a defined contribution and 401(k) plan covering substantially all employees of Keyser Enterprises 1LP (the “Company”) who meet the eligibility provisions of the Plan. The Plan is subject to provisions of ERISA.

Contributions

Each year, participants may contribute up to 92% of their eligible compensation, as defined in the Plan, not to exceed the maximum amount allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes a provision for a matching contribution of 100% of deferrals up to 3% of the participants’ eligible compensation and 50% of the next 3%. Additional profit sharing amounts may be contributed at the option of the Company’s Board of Directors. Participants direct the investment of the contributions into various investment options offered by the Plan.

Eligible Participants

Employees are eligible to participate in the Plan after 2 months of service and are at least 18 years of age.

Participant Accounts

Each participant’s account is credited with (a) the participant’s contributions, (b) the Company’s contributions, (c) Plan earnings and appreciation, and (d) the participant’s share of forfeited accounts of former employees. Each participant’s account is charged with (a) any withdrawals or distributions, (b) Plan losses and depreciation, and (c) an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollover and transfer contributions, plus or minus actual earnings or losses thereon.

For employer contributions to the Plan, participants will vest as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one	0 %
One	25 %
Two	50 %
Three	75 %
Four or more	100 %

KEYSER ENTERPRISES 1LP 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

(1) Plan Description (Continued)

Participants are also fully vested in employer contributions upon retirement due to disability, death, or the termination of the Plan.

Participants are considered to have completed one year of service for every 12 months of employment.

Forfeited Plan Assets

If a participant forfeits any unvested balances in his/her account, the forfeited assets may be used to pay plan expenses, to reduce employer contributions, or be allocated to current participants as a profit sharing contribution. For the years ended December 31, 2023 and 2022, no forfeitures were utilized to pay plan expenses or reduce employer contributions.

Notes Receivable from Participants

Subject to provisions under the Plan, participants may borrow from the Plan an amount which does not exceed the lesser of \$50,000 or 50% of the present value of the participant's vested benefit under the Plan. Notes receivable, which are secured by the balance in the participant's account, bear interest at a rate similar to local commercial bank rates and have terms which range from 12 to 60 months, unless the loan was made for the participant to acquire his/her principal residence. In this case, the term is for a period that ranges from 12 to 120 months. Principal and interest are paid ratably through payroll deductions or paid directly by the participants at their discretion.

Retirement and Terminations

In the case of normal retirement or retirement due to permanent disability, participants will receive the value of their vested plan benefits, in accordance with the provisions of the Plan, either in a lump-sum distribution, in installments payable over a period which does not exceed the life expectancy of the participant, or in the form of an annuity.

In the event that a participant dies before retirement, the beneficiary will receive the value of the participant's vested benefits in either a lump-sum distribution or in the form of an annuity.

In the case of termination of an employee, the participant may request early payment of the vested benefit by submitting a written request to the plan administrator. The portion of the terminated participant's account balance that is not vested is forfeited and remains in the Plan to pay plan expenses.

In-Service Distributions

The Plan allows for in-service distributions upon the attainment of age 59 ½ and only from funds in which the participant is 100% vested. The Plan also allows for qualified reservist distributions from their elective deferrals.

Hardship Withdrawals

The Plan allows for hardship withdrawals, as defined in the Plan, that are limited to the amount needed to meet the financial need. These withdrawals may not be recontributed to the Plan and may be subject to income tax and penalties.

KEYSER ENTERPRISES 1LP 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

(1) Plan Description (Continued)

Administration

All assets of the Plan are held and managed by American Trust Custody (“American”), which was formerly known as Mid Atlantic Trust Company prior to 2023.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value. The fair value of the Plan’s other financial instruments approximate their carrying amounts, either because the expected collection or payment period is relatively short or because the terms are similar to market trends. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Investment Risk

Participants in the Plan assume all adverse investment risk connected with any decrease in value of plan assets, and such assets are the sole source of payments under the Plan.

Notes Receivable from Participants

Notes receivable from participants will be measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS

(2) Summary of Significant Accounting Policies (Continued)

Administrative Expenses

It is the policy of the Plan that certain administrative expenses pertaining to the Plan be paid by the Company.

Subsequent Events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

(3) Transactions with Parties-In-Interest

The Plan is administered by the Company. Owners of the Company serve as the Plan's trustees and administrators. The Company pays certain administrative expenses related to the Plan. All investment funds are managed by American. Paychex, Inc. is the third-party administrator for the Plan.

(4) Fair Value Measurements

Under the Fair Value Measurements and Disclosures topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), a guideline is provided for measuring fair value under generally accepted accounting principles. The topic establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs include quoted prices in active markets for similar assets, quoted prices in inactive markets for similar assets, or inputs that are observable or can be corroborated by observable market data or other means for substantially the full term of the asset; and Level 3 inputs have the lowest priority and are based on prices or valuation techniques that are unobservable and not corroborated by market data. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when an active market comparable is not available and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Level 1 Fair Value Measurements

The fair values of the cash/money market funds are based on quoted net asset values of the shares held by the Plan at year-end. The fair values of the registered investment companies are based on quoted market prices.

(5) Certification

The Plan administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C). As permitted under such election, the Plan administrator has obtained certifications from American that the investments and their related income as reported in the accompanying financial statements are complete and accurate.

(6) Plan Termination Policies

Although it has not expressed intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions set forth in ERISA. In the event of termination of the Plan, the right of all participants to benefits would become 100% vested and nonforfeitable. The amount of the account balance due each participant would be distributed in accordance with the payment provisions of the Plan.

NOTES TO THE FINANCIAL STATEMENTS

(8) Internal Revenue Service Status

The Internal Revenue Service has determined and informed Paychex, Inc. by a letter dated August 31, 2020, that their prototype non-standardized profit sharing plan, which was adopted by the Plan on March 1, 2019 and subsequently amended, is designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The plan administrator and management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

The Plan accounts for any uncertain tax positions in accordance with the Income Taxes topic of the FASB ASC. The topic prescribes a recognition threshold and measurement process for financial statement recognition of uncertain tax positions taken or expected to be taken in an annual return/report of an employee benefit plan. In evaluating the Plan’s tax position, interpretations and tax planning strategies are considered. The Plan believes its tax exempt status is appropriate based on current facts and circumstances.

(9) Risks and Uncertainties

The Plan invests in various securities. The underlying investments may include corporate debt instruments and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

To the Plan Administrator of
Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust as of and for the year ended December 31, 2023 and have issued our report thereon dated January 10, 2025. Professional standards require that we advise you the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated August 26, 2024, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding significant control deficiencies and other matters noted during our audit in a separate letter to you dated January 13, 2025.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified the following significant risks:

Management override of internal control – This is a required significant risk per auditing standards.

Improper revenue recognition – This is a required significant risk per auditing standards.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2023. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

- The disclosure of fair value measurements in Note 4 to the financial statements describes the method of valuation of the Plan's investments at December 31, 2023.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account

balances or disclosures, and the financial statements as a whole. There were no uncorrected misstatements of the financial statements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust's financial statements or the auditor's report. No such disagreements arose during the course of our audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management representation letter dated January 10, 2025.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust's auditors.

Other Matters

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Plan Administrator and management of the Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust and is not intended to be and should not be used by anyone other than these specified parties.

To the Plan Administrator
Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust as of and for the year ended December, 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we do not express an opinion on the effectiveness of Keyser Enterprises 1LP 401(k) Profit Sharing Plan and Trust's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the plan's financial statements will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible.* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable.* The future event or events are likely to occur.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Plan's internal control to be a significant deficiency:

Preparation of Financial Statements:

As is common in the administration of many benefit plans, the plan administrator relies on the audit firm to draft the financial statements and identify and disclose all accounting principles in the footnotes. While we can assist with the preparation of the Plan's financial statements, a control deficiency exists in instances where the plan administrator is not capable of drafting the financial statements and all required disclosures in accordance with generally accepted accounting principles. Based upon the extent of our involvement in this process, we consider this to be a material weakness. While this is a desirable control, we understand that the cost of additional training or additional personnel may not be justified to correct this control deficiency.

This communication is intended solely for the information and use of management, the plan administrator, and others within the Plan and is not intended to be and should not be used by anyone other than these specified parties.

To Whom It May Concern:

We respectfully request consideration for the late filing of our amended Form 5500 due to circumstances beyond our control. Initially, our auditor believed that our plan did not meet the threshold of 100 participants with balances. This assumption was based on information provided at the time. However, it was later determined that we exceeded this threshold, requiring an audit opinion to be attached to our Form 5500.

The participant count discrepancy was caused, in part, by Paychex not performing involuntary distributions as they had claimed. As a result, the audit process had to be initiated later than planned. Compounding this issue, Paychex experienced significant delays in providing the necessary data and responding to our auditor's questions. Despite our documented efforts, including repeated requests for information, the delays prevented us from completing the audit in a timely manner.

The amended Form 5500 now includes the Accountant's Opinion and Schedule of Assets as required. We have taken steps to address the issues with Paychex and ensure more timely access to information in the future.

We appreciate your understanding of these circumstances and respectfully request leniency for the delay in filing this amendment.

Sincerely,

A handwritten signature in black ink, appearing to read "Genevieve Keyser".
