INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Steamfitters and Plumbers Local Union No. 464
401(k) Plan
Omaha, Nebraska

Opinion

We have audited the financial statements of Steamfitters and Plumbers Local Union No. 464 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of March 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Steamfitters and Plumbers Local Union No. 464 401(k) Plan as of March 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Steamfitters and Plumbers Local Union No. 464 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Steamfitters and Plumbers Local Union No. 464 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Steamfitters and Plumbers Local Union No. 464 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Steamfitters and Plumbers Local Union No. 464 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held for Investment Purposes and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**STEAMFITTERS AND PLUMBERS LOCAL UNION NO. 464
401(k) PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Steamfitters and Plumbers Local Union No. 464 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General -

The Steamfitters and Plumbers Local Union No. 464 401(k) Plan was established May 29, 1996. It is a defined contribution plan and covers all individuals who are employed within the jurisdiction of the Steamfitters and Plumbers Local Union No. 464 by employers who are subject to the collective bargaining agreement between the Mechanical Contractors Association of Omaha, Inc. and the local union. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974. The Board of Trustees is responsible for oversight of the Plan as well as determining the appropriateness of the Plan's investment offerings and monitoring investment performance. A summary description of the Plan is available from the Plan administrative office.

Contributions -

Employers subject to the collective bargaining agreement contribute to the Plan for each hour worked by participating employees. For the years ended March 31, 2024 and 2023, the contribution rates were generally \$1.75 per hour of straight time, \$2.63 per hour of time and one-half and \$3.50 per hour of double time. Apprentice hours are subject to lower rates per time category. A participating employee may also elect to contribute on a pretax basis between \$0.50 and \$13.50 per hour. Participating employees over 50 years of age may elect to contribute additional amounts on a pretax basis up to the limits established by the IRS.

Eligibility -

A person who is employed within the jurisdiction of the Steamfitters and Plumbers Local Union No. 464 (Union) by employers who are subject to the Collective Bargaining Agreement between the Mechanical Contractors Association of Omaha, Inc., (Industry) and the Union is eligible for Plan participation.

Participant Accounts -

Each participant's account is credited with employer contributions paid on the participant's behalf, participant elective contributions, and earnings on investments and charged with an allocation of administration expenses. Earnings are allocated based on account balances while administration expenses are allocated evenly to each individual account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Upon enrollment in the Plan, participants may direct the investment of employer contributions and employee elective deferrals in five percent increments to one or more of the investment options available. Participants may change their investment options and percentages quarterly.

Vesting -

A participant's right to the value of the assets in his individual account is non-forfeitable from the time that such individual account is established.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits -

A participant's individual account is distributable upon the occurrence of one of the following:

1. Employee attains normal retirement date.
2. Employee becomes entitled to a social security disability benefit.
3. Employee attains age 55 and no contributions have been made to his individual account for at least 12 consecutive months.
4. Employee has reached required beginning date as stipulated by the Internal Revenue Service.
5. Employee's separation from covered employment described as follows:
 - a. Participant - a separation occurs when an employee has not worked in the steamfitting and plumbing industry in the geographic jurisdiction of the collective bargaining agreement referred to in "Eligibility" above for at least thirty-six consecutive months prior to his or her application of benefit.
 - b. Alternate payee - separation occurs when an alternate payee has had no contributions made to the Plan on his or her behalf and has not worked in the steamfitting and plumbing industry in the geographic jurisdiction of the collective bargaining agreement referred to in "Eligibility" above for at least thirty-six consecutive months prior to his or her application of benefit. An alternate payee is a person designated to receive all or a portion of a participant's individual account pursuant to a Qualified Domestic Relations Order (QDRO).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. *Basis of Accounting -*

The financial statements of the Plan are prepared using the accrual method of accounting.

B. *Estimates -*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. *Contributions Receivable -*

Contributions receivable is the net realizable value of contributions attributable to the Plan for years ended March 31, 2024 and 2023, not yet remitted as determined by Plan management which approximate fair value.

D. *Investment Valuation and Income Recognition -*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further details.

Interest income is recorded on the accrual basis. Dividend income is accrued on the ex-dividend date. Purchases of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the first-in, first-out method. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. *Payment of Benefits -*

Benefits are recorded when paid.

NOTE 3 - FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2024 and 2023.

Collective Trust Fund - Valued at the Net Asset Value (NAV) of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner for up to 12 months.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Empower Retirement, LLC was engaged effective September 1, 2022, to provide comprehensive plan and administrative services and the Plan's trustees appointed Great-West Trust Company as custodian of the Plan's assets.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2024 and 2023:

	March 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds -				
Domestic	\$ 52,091,610	\$ -	\$ -	\$ 52,091,610
International	7,926,677	-	-	7,926,677
Balanced	22,889,018	-	-	22,889,018
Total assets in the fair value hierarchy	82,907,305	-	-	82,907,305
Investments measured at NAV - collective trust fund				16,301,047
Total investments				<u><u>\$ 99,208,352</u></u>

	March 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds -				
Domestic	\$ 42,762,397	\$ -	\$ -	\$ 42,762,397
International	7,910,983	-	-	7,910,983
Balanced	18,701,824	-	-	18,701,824
Total assets in the fair value hierarchy	69,375,204	-	-	69,375,204
Investments measured at NAV - collective trust fund				17,575,418
Total investments				<u><u>\$ 86,950,622</u></u>

In accordance with subtopic 820-10 certain investments that were measured, the NAV practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 - COLLECTIVE TRUST FUND

The Great Gray Trust American Funds for Employee Benefit Plans (the Funds) are bank collective trusts established under the laws of Nevada. The Fund's investment objective is to preserve invested principal while providing a competitive current rate of return while seeking to maintain required liquidity. The Fund invests primarily in guaranteed investment contracts (GICs), money market funds, money market instruments, repurchase agreements, private placements, bank investment contracts, and synthetic GICs. The trusts are required to give the Funds a twelve month irrevocable advance written notice of its intention to withdraw all or a portion of its participation in the Funds. The trustee of the funds, in its absolute discretion and subject to market conditions, may choose to honor a withdrawal request at any time prior to the expiration of the required twelve month waiting period if it determines that such a withdrawal is in the best interest of the Fund and its other participating trusts. The Plan invests in "A" shares which maintain a constant net asset value (NAV) of \$1.

NOTE 5 - FULLY BENEFIT-RESPONSIVE GROUP ANNUITY CONTRACT

In 2022, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Great-West Life and Annuity Insurance Company (Great-West). The contract is a Group Unallocated Fixed Deferred Annuity Contract that is Non-Participating. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The fixed account crediting of interest has a “declared interest rate” that is changed annually. As of March 31, 2024, the declared interest rate was 1.85%. The declared interest rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount to be received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by the future economic and regulatory developments.

Effective August 1, 2022, Empower has renamed investment products in its offerings. The Great-West Life and Annuity Insurance Company has been changed to Empower Life and Annuity Company of America.

NOTE 6 - ALLOCABLE EXPENSES

The pension and welfare benefit funds of the Steamfitters and Plumbers Local Union No. 464 are being administered by BeneSys, Inc. Various expenses incurred by the funds, known as shared expenses, have been divided among the Steamfitters and Plumbers Local Union No. 464 Benefit Funds in proportion to each plan’s agreed upon ratio as determined by the Board of Trustees and charged to the respective account type.

NOTE 7 - PLAN TERMINATION

The Trustees have the right to discontinue or terminate this Plan in whole or in part. In the event of a termination of this Plan, the rights of all affected participants to benefits then accrued will become 100% vested and non-forfeitable, to the extent then funded. No part of the assets shall be returned to any employer or inure to the benefit of any employer or the union. Upon termination of the Plan, the Trustees will take such steps as they deem necessary or desirable to comply with the Internal Revenue Code and the Employee Retirement Income Security Act (ERISA).

NOTE 8 - TAX STATUS

The Plan obtained its latest determination letter dated August 9, 2016, in which the Internal Revenue Service stated that the Plan, through amendments executed on January 19, 2015, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan’s

NOTE 8 - TAX STATUS (Continued)

financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to March 31, 2021.

NOTE 9 - RISKS AND UNCERTAINTIES

As of March 31, 2024, approximately 57% of contributions receivable and 58% of contributions were due from six contractors. For the year ended March 31, 2023, approximately 64% of contributions receivable and 57% of contributions were due from six contractors.

The Plan maintains cash balances at one financial institution. Cash balances in accounts at the participating financial institution are insured up to \$250,000. Cash balances at the financial institution exceed the insured amount from time to time. At March 31, 2024, the Plan's uninsured cash balance was \$0. For the year ended March 31, 2023, the Plan's uninsured cash balance was \$64,120.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are units in a group annuity contract from Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America is the parent company of the investment trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. The amount of fees paid to Empower for the group annuity contract cannot be reasonably determined.

NOTE 11 - SUBSEQUENT EVENTS

In preparing the financial statements, management has performed an evaluation of subsequent events between March 31, 2024 and December 30, 2024, the date the financial statements were available to be issued, and believes that no events have occurred that require adjustment of, or disclosure in, the financial statements.
