INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Weisinger Incorporated 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Weisinger Incorporated 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of June 30, 2024 and supplemental schedule H, line 4a – schedule of delinquent participant contributions for the year ended June 30, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Weisinger Incorporated 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Weisinger Incorporated and Pump Group Incorporated (collectively, the “Company”). Employees are eligible to participate in the Plan on the first day of January or July following completion of one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 4, 2023, the Plan changed recordkeepers from Empower Retirement, LLC (“Empower”) to John Hancock Retirement Plan Services, LLC and John Hancock Trust Company, LLC (“JHTC”) became the trustee of the Plan. All Plan net assets were transferred to JHTC on December 15, 2023 into comparable funds. The conversion initiated a blackout period beginning December 8, 2023 that continued through January 5, 2024. During this period, participants could not access their accounts and could not initiate transactions such as contribution changes, investment transfers, withdrawals or loans until the trustee could accurately complete the conversion. Participant contributions continued to be withheld through payroll deductions.

Contributions

Participants may elect to make pre-tax and/or Roth salary deferral contributions to the Plan up to the maximum allowed under the appropriate sections of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Rollover contributions are allowed subject to conditions set forth in the Plan.

The Company contributes a safe harbor matching contribution to the Plan in an amount equal to the sum of 100% of the amount of the participant’s contributions that do not exceed 3% of the participant’s eligible compensation, plus 50% of the amount of the participant’s contributions that exceed 3% of the participant’s eligible compensation but do not exceed 5% of the participant’s eligible compensation. The safe harbor matching contribution is calculated each pay period. The Company may also elect to make a discretionary employer matching or profit sharing contribution to the Plan. During the year ended June 30, 2024, the Company did not make any discretionary employer matching or profit sharing contributions to the Plan.

The Plan is participant directed, and participants may change their contribution rates effective as of the first day of January or July and their investment options at any time.

June 30, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's safe harbor contribution, as well as allocations of (a) the Company's discretionary contributions and (b) Plan earnings and charged with any applicable administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service. Participants vest 20% per year after two years of service and are 100% vested after six years of credited service.

Payment of Benefits

A participant shall be immediately vested upon death, retirement, termination of employment due to total and permanent disability, or termination of the Plan. Normal retirement age under the Plan is 65. Upon death, retirement, disability, or termination of employment, participants are eligible for a benefit payment. The Plan also allows hardship and in-service withdrawals as defined in the Plan. The funds in the participant's account are distributed in a lump-sum payment, unless the participant elects another form of distribution allowed by the Plan.

Forfeited Accounts

Forfeitures of nonvested Company contributions may be used to reduce future Company contributions to the Plan. The balance of the forfeitures account at June 30, 2024 and 2023 was \$576 and \$1,242, respectively. Forfeitures of \$1,253 were used to reduce Company contributions to the Plan in 2024.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants would become 100% vested and receive benefits based on their account balances accumulated to the date of termination of the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

WEISINGER INCORPORATED 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

Investments are reported at fair value, except for the fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan trustees determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts as contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan, as discussed in Note 5, invests in fully benefit-responsive investment contracts.

Contributions

Contributions from Plan participants and the Company safe harbor matching contributions are recorded in the plan year in which the participant contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to service fees and withdrawals are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at June 30, 2024 or 2023.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2024:

<u>Description</u>	<u>2024</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual Funds	<u>\$6,951,319</u>			<u>\$6,951,319</u>

WEISINGER INCORPORATED 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Plan investments in pooled separate accounts, totaling \$5,312,206 at June 30, 2023, were measured at fair value using NAV per share as a practical expedient as reported by Empower based on the value of the underlying investments. The Plan has no unfunded commitments or contractual obligations to further invest in these accounts and there are no restrictions on redemption of these accounts.

NOTE 4 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America (EAIC), the custodian, has certified to the completeness and accuracy of all investments reflected in the accompanying statement of net assets available for benefits as of June 30, 2023, and the related investment activity reflected in the statement of changes in net assets available for benefits for the period from July 1, 2023 to December 15, 2023.

JHTC, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected in the accompanying statement of net assets available for benefits as of June 30, 2024, and the schedule H, line 4i – schedule of assets (held at end of year) as of June 30, 2024, and the related investment activity reflected in the statement of changes in net assets available for benefits for the period from December 16, 2023 to June 30, 2024.

NOTE 5 - CONTRACT VALUE INVESTMENTS

The Plan has a fully benefit-responsive investment contract with John Hancock Life Insurance Company (U.S.A.) (John Hancock Life), the Stable Value Guaranteed Income Fund. John Hancock Life maintains the contributions in a general account. The contract is included in the statements of net assets available for benefits at contract value, as reported to the Plan by JHTC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. The interest rates are reviewed on a semiannual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with John Hancock Life. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (ii) changes to the Plan's prohibitions on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. The contract may be cancelled by the Plan or by John Hancock Life at any time.

NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 5 - CONTRACT VALUE INVESTMENTS (CONTINUED)

Through December 15, 2023, the Plan held a fully benefit-responsive group annuity contract (GAC) managed by EAIC. This contract met the fully benefit-responsive investment criteria and was reported at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The crediting interest rate was based on a formula agreed upon with the issuer but could not be less than 0%. Such interest rates were reviewed on a semi-annual basis for resetting.

As of June 30, 2024 and 2023, the contract value of these investments was \$977,622 and \$1,490,931, respectively.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and a guaranteed investment account managed by EAIC at June 30, 2023. The Plan also invested in a guaranteed investment account at John Hancock Life at June 30, 2024. These transactions qualify as party-in-interest transactions, as defined by ERISA. These transactions are permitted under the provisions of the Plan and are covered by an exemption from the prohibited transaction provisions.

NOTE 7 - TAX STATUS

The Plan has adopted a volume submitter prototype plan, which obtained its latest opinion letter dated November 30, 2020 in which the Internal Revenue Service (IRS) stated that the prototype document satisfies the applicable provisions of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2024 and 2023, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - DELINQUENT CONTRIBUTIONS

During 2024 and 2022, there were unintentional delays by the Company in submitting participant contributions to the Plan in the amount of \$690 and \$6,949, respectively. The Company compensated the affected participants for lost earnings on these delinquent contributions in 2024.

NOTE 10 - SUBSEQUENT EVENTS

The Plan was amended effective July 1, 2024 to change the Plan year end from June 30 to December 31.

Management has evaluated subsequent events through November 25, 2024, the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Weisinger Incorporated 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Weisinger Incorporated 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of June 30, 2024 and supplemental schedule H, line 4a – schedule of delinquent participant contributions for the year ended June 30, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Weisinger Incorporated 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Weisinger Incorporated and Pump Group Incorporated (collectively, the “Company”). Employees are eligible to participate in the Plan on the first day of January or July following completion of one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 4, 2023, the Plan changed recordkeepers from Empower Retirement, LLC (“Empower”) to John Hancock Retirement Plan Services, LLC and John Hancock Trust Company, LLC (“JHTC”) became the trustee of the Plan. All Plan net assets were transferred to JHTC on December 15, 2023 into comparable funds. The conversion initiated a blackout period beginning December 8, 2023 that continued through January 5, 2024. During this period, participants could not access their accounts and could not initiate transactions such as contribution changes, investment transfers, withdrawals or loans until the trustee could accurately complete the conversion. Participant contributions continued to be withheld through payroll deductions.

Contributions

Participants may elect to make pre-tax and/or Roth salary deferral contributions to the Plan up to the maximum allowed under the appropriate sections of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Rollover contributions are allowed subject to conditions set forth in the Plan.

The Company contributes a safe harbor matching contribution to the Plan in an amount equal to the sum of 100% of the amount of the participant’s contributions that do not exceed 3% of the participant’s eligible compensation, plus 50% of the amount of the participant’s contributions that exceed 3% of the participant’s eligible compensation but do not exceed 5% of the participant’s eligible compensation. The safe harbor matching contribution is calculated each pay period. The Company may also elect to make a discretionary employer matching or profit sharing contribution to the Plan. During the year ended June 30, 2024, the Company did not make any discretionary employer matching or profit sharing contributions to the Plan.

The Plan is participant directed, and participants may change their contribution rates effective as of the first day of January or July and their investment options at any time.

NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's safe harbor contribution, as well as allocations of (a) the Company's discretionary contributions and (b) Plan earnings and charged with any applicable administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service. Participants vest 20% per year after two years of service and are 100% vested after six years of credited service.

Payment of Benefits

A participant shall be immediately vested upon death, retirement, termination of employment due to total and permanent disability, or termination of the Plan. Normal retirement age under the Plan is 65. Upon death, retirement, disability, or termination of employment, participants are eligible for a benefit payment. The Plan also allows hardship and in-service withdrawals as defined in the Plan. The funds in the participant's account are distributed in a lump-sum payment, unless the participant elects another form of distribution allowed by the Plan.

Forfeited Accounts

Forfeitures of nonvested Company contributions may be used to reduce future Company contributions to the Plan. The balance of the forfeitures account at June 30, 2024 and 2023 was \$576 and \$1,242, respectively. Forfeitures of \$1,253 were used to reduce Company contributions to the Plan in 2024.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants would become 100% vested and receive benefits based on their account balances accumulated to the date of termination of the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

WEISINGER INCORPORATED 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

Investments are reported at fair value, except for the fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan trustees determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts as contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan, as discussed in Note 5, invests in fully benefit-responsive investment contracts.

Contributions

Contributions from Plan participants and the Company safe harbor matching contributions are recorded in the plan year in which the participant contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to service fees and withdrawals are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

WEISINGER INCORPORATED 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at June 30, 2024 or 2023.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2024:

<u>Description</u>	<u>2024</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual Funds	<u>\$6,951,319</u>			<u>\$6,951,319</u>

WEISINGER INCORPORATED 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Plan investments in pooled separate accounts, totaling \$5,312,206 at June 30, 2023, were measured at fair value using NAV per share as a practical expedient as reported by Empower based on the value of the underlying investments. The Plan has no unfunded commitments or contractual obligations to further invest in these accounts and there are no restrictions on redemption of these accounts.

NOTE 4 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America (EAIC), the custodian, has certified to the completeness and accuracy of all investments reflected in the accompanying statement of net assets available for benefits as of June 30, 2023, and the related investment activity reflected in the statement of changes in net assets available for benefits for the period from July 1, 2023 to December 15, 2023.

JHTC, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected in the accompanying statement of net assets available for benefits as of June 30, 2024, and the schedule H, line 4i – schedule of assets (held at end of year) as of June 30, 2024, and the related investment activity reflected in the statement of changes in net assets available for benefits for the period from December 16, 2023 to June 30, 2024.

NOTE 5 - CONTRACT VALUE INVESTMENTS

The Plan has a fully benefit-responsive investment contract with John Hancock Life Insurance Company (U.S.A.) (John Hancock Life), the Stable Value Guaranteed Income Fund. John Hancock Life maintains the contributions in a general account. The contract is included in the statements of net assets available for benefits at contract value, as reported to the Plan by JHTC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. The interest rates are reviewed on a semiannual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with John Hancock Life. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (ii) changes to the Plan's prohibitions on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. The contract may be cancelled by the Plan or by John Hancock Life at any time.

WEISINGER INCORPORATED 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 5 - CONTRACT VALUE INVESTMENTS (CONTINUED)

Through December 15, 2023, the Plan held a fully benefit-responsive group annuity contract (GAC) managed by EAIC. This contract met the fully benefit-responsive investment criteria and was reported at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The crediting interest rate was based on a formula agreed upon with the issuer but could not be less than 0%. Such interest rates were reviewed on a semi-annual basis for resetting.

As of June 30, 2024 and 2023, the contract value of these investments was \$977,622 and \$1,490,931, respectively.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and a guaranteed investment account managed by EAIC at June 30, 2023. The Plan also invested in a guaranteed investment account at John Hancock Life at June 30, 2024. These transactions qualify as party-in-interest transactions, as defined by ERISA. These transactions are permitted under the provisions of the Plan and are covered by an exemption from the prohibited transaction provisions.

NOTE 7 - TAX STATUS

The Plan has adopted a volume submitter prototype plan, which obtained its latest opinion letter dated November 30, 2020 in which the Internal Revenue Service (IRS) stated that the prototype document satisfies the applicable provisions of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2024 and 2023, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 9 - DELINQUENT CONTRIBUTIONS

During 2024 and 2022, there were unintentional delays by the Company in submitting participant contributions to the Plan in the amount of \$690 and \$6,949, respectively. The Company compensated the affected participants for lost earnings on these delinquent contributions in 2024.

NOTE 10 - SUBSEQUENT EVENTS

The Plan was amended effective July 1, 2024 to change the Plan year end from June 30 to December 31.

Management has evaluated subsequent events through November 25, 2024, the date the financial statements were available to be issued.
