Ms. Anna Cork
Retirement Savings Plan for
ELGI Compressor USA, Inc.
Charlotte, North Carolina

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Retirement Savings Plan for ELGI Compressor USA, Inc. (the "Plan") as of and for the year ended March 31, 2024, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the plan's financial statements will not be prevented, or detected and corrected on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in Retirement Savings Plan for ELGI Compressor USA, Inc.'s internal control to be significant deficiencies:

During our testing of employee contributions, we noted two participants whose employee contribution amount per the payroll report was more than the amount deposited in his or her participant account. We also noted that the employer safe harbor contribution for those participants did not agree to the payroll reports for the same pay dates. We recommend management implement policies and procedures to review all participant contribution remittances to ensure that the participant accounts are in agreement with contributions per payroll. Total remittances per payroll should be traced to the trust deposits on a periodic basis.

During our testing of participant data, we noted one instance where the employee personnel file did not contain adequate support for the employee's date of hire and the employee's date of birth. We recommend that the Company enhance its existing processes to maintain and retain documentation in employee files in a secure and centralized location to support plan operations.

The Company does not have sufficient resources to prepare the Plan's financial statements. As a result of a lack of resources, the financial statements were prepared by us.

This report is intended solely for the information and use of the management and board of directors of your organization.

The foregoing conditions were considered in determining the nature, timing and extent of audit tests to be applied in our examination of the financial statements, and this report of such conditions does not modify our reports on such financial statements.

We will be happy to discuss any of this recommendation with you and assist in their implementation. We look forward to continuing to serve your needs.

Very truly yours,
