## **Independent Auditors' Report**

Plan Administrator and Participants of  
Section 403(b) Retirement Plan for Employees of  
Management Leadership for Tomorrow

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of Section 403(b) Retirement Plan for Employees of Management Leadership for Tomorrow (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Section 403(b) Retirement Plan for Employees of Management Leadership for Tomorrow (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan covering eligible employees of Management Leadership for Tomorrow (the "Organization" or "Employer"), a non-profit organization. The Plan, which was established January 1, 2002, and restated on March 1, 2021, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

### Eligibility

Employees, except those who work fewer than 20 hours per week, are immediately eligible to participate in the Plan. After six consecutive months of service, participants, except for collectively bargained or student (intern) employees, are eligible for discretionary nonelective contributions.

### Contributions

Each year participants may contribute a portion of their annual compensation up to certain Internal Revenue Code ("IRC") limitations, as defined by the Plan, as pre-tax or Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

During the year ended December 31, 2023, the Company made corrective contributions relating to missed employee deferrals. The Organization may make a discretionary nonelective contribution. Participants must be employed on the last day of the Plan year to be eligible for the discretionary nonelective contribution. No discretionary nonelective contributions were made for the year ended December 31, 2023.

Participants can direct the investment of elective deferrals and Organization contributions, if any, into any of the investment options offered by the Plan. Participants are permitted to change their investment elections daily.

### Participant Accounts

Each participant's account is credited with the participant's contribution and a discretionary nonelective contribution, if any, and allocations of Plan earnings (losses) and administrative expenses paid by the Plan and transaction fees related to distributions. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

### Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Vesting in the Organization's discretionary nonelective contributions portion of their accounts plus actual earnings thereon is based on years of service.

**NOTE 1 – DESCRIPTION OF PLAN (continued)**

Vesting (continued)

For nonelective contributions, a participant is vested 30% after the first year; 60% after the second year; and is 100% after the third year of credited service. However, if an active participant dies or becomes disabled prior to completing four years of service or attaining the normal retirement age, the participant becomes 100% vested.

Forfeited Accounts

On December 31, 2023 and 2022, forfeited non-vested accounts totaled \$769 and \$732, respectively. Forfeitures of employer contributions may be allocated to the accounts of participants who qualify for the nonelective contribution or used to satisfy plan expenses. There were no forfeitures allocated during the year ended December 31, 2023.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their non-forfeitable account balance. Participants may have two loans outstanding at a time. Participants may not take loans from their Roth deferrals and earnings. The term of the loan may not exceed five years, unless the proceeds are used to buy a primary residence. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the third-party administrator, which has been determined to be prime plus 1%. Interest rates were between 4.25% - 9.50% on outstanding loans as of December 31, 2023. Principal and interest payments are paid through deductions to the participant's paycheck.

Payment of Benefits

Distributions from the Plan are permitted upon termination of employment, retirement, disability, or death. The normal form of distribution is a lump-sum distribution. For accounts with balances between \$1,000 and \$5,000 where the participant is no longer an employee of the Organization and has not elected to receive a distribution, the participant's vested balance will be automatically rolled over into a traditional or Roth IRA, as appropriate. For accounts \$1,000 or less, the vested account balance will be automatically paid to the participant as a single lump sum. The Plan permits in-service distributions for participants who are aged 59 ½ or older as well as in the case of certain financial hardship situations, subject to the provisions of the Plan document. Minimum required distributions for participants who have reached age 72 also apply per Internal Revenue Service ("IRS") regulations.

Administrative Expenses

The Plan's administrative expenses may be paid by the Plan or the Organization, as provided in the Plan document. Transaction expenses, such as distribution administrative expenses are charged directly to the participant's account and are included in administrative expenses.

## **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting, in accordance with generally accepted accounting principles in the United States of America ("GAAP").

### **Use of Estimates**

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan Management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold, as well as held, during the year.

### **Contributions**

Employee deferrals are recognized on the pay date to which they relate. Discretionary nonelective contributions, if any, are recognized in the year designated by the Company.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued by unpaid interest. Interest income is recorded on the accrual basis. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

### **Payment of Benefits**

Benefits are recorded when paid.

**NOTE 3 – INFORMATION CERTIFIED BY THE PLAN CUSTODIAN**

As noted in the independent auditors' report, the Plan administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Ascensus Trust Company, the custodian of the Plan. This information includes:

- Investment values as of December 31, 2023 and 2022 as shown in the statements of net assets available for benefits and the fair value disclosures in Note 4.
- Notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net investment income and interest income, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, Line 4i – schedule of assets (held at end of year) as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to information certified by the custodian.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority;
- Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and
- Level 3 inputs are unobservable and have the lowest priority.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual Funds:* Valued at the quoted net asset value ("NAV") of shares held by the Plan at year-end.

*Money Market Fund:* The contract amount approximates fair value because the instruments are liquid in nature and have short-term maturities.

**NOTE 4 – FAIR VALUE MEASUREMENTS (continued)**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022, respectively.

**NOTE 5 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE 6 – TAX STATUS**

The Plan has adopted Ascensus LLC's Volume Submitter 403(b) Plan. On January 1, 2018, the IRS stated in an opinion letter that the volume submitter document adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. Management evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

**NOTE 7 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

**NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**
