INDEPENDENT AUDITORS' REPORT

To the Trustee
Enterprise Employee Benefits Trust

Opinion

We have audited the accompanying financial statements of the Enterprise Employee Benefits Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of March 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Enterprise Employee Benefits Trust as of March 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**ENTERPRISE EMPLOYEE BENEFITS TRUST
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2024 AND 2023**

NOTE A - DESCRIPTION OF PLAN

The following description of the Enterprise Employee Benefits Trust ("the Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined benefit plan held in trust, covering all full-time employees of Enterprise Electric, LLC. ("the Company"). The trust was established and became effective January 1, 2013 for the health and welfare benefit plan intended to provide health benefits to all participants employed by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health benefits, including coverage for medical and prescription drug costs, to full-time employees of the Company with at least 30 hours of work per week, and to their covered dependents up to age 26 or disabled dependents of any age once an initial eligibility period of 60 days employment has passed. The Plan also provides health benefits to terminated employees during periods of unemployment provided they are eligible and they elect to continue coverage under the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Contributions

Participants contribute specified amounts through the Company's section 125 cafeteria plan based on their type of coverage and their status with the Company. These contribution amounts are determined annually by the Company. Participants are always fully vested in their contributions which are held in trust by the Plan and used as needed to satisfy medical and prescription drug claims.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured medical benefits. This stop-loss coverage is fully insured and applies to individual participant claims in excess of \$100,000.

Self-Insured Benefits

All Plan benefits not satisfied by participant contributions or subject to the stop-loss coverage are self-insured and are paid directly from the general assets of the Company. Medical and prescription drug claims of active participants, terminated employees participating under COBRA, and participating dependents are processed by the Plan's third-party claims processor, Lucent Health, under an administrative service only arrangement. The claims processor pays claims directly to or on behalf of participants and is then reimbursed by the Plan. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for the payments to providers and participants is retained by the Plan.

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2024 AND 2023**

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Amendments

The Plan was originally effective March 14, 2003, and has been amended at various times to keep it in compliance with changes in federal laws as well as to make changes deemed appropriate by the Company. The most recent restatement of the Plan was effective April 1, 2023.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time, or to terminate the Plan, subject to the provisions set forth in ERISA. In the event of such termination, the Company will contribute the necessary amounts to fund all claims incurred prior to the date of termination.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Contributions

Contributions from employees and the Company are recorded in the period in which the Company makes the payroll deductions from participant wages.

Payment of Benefits

Premiums paid by either the Company or the Trust are recorded as insurance premiums paid in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor. Amounts due to the claims processor that have yet to be reimbursed by the Plan are recorded as claims payable in the accompanying statements of net assets available for benefits.

Stop-Loss

Premiums for stop-loss insurance are included in insurance premiums paid in the accompanying statement of changes in net assets available for benefits. Stop-loss refunds totaling \$63,224 for the year ended March 31, 2024 have been netted with benefits paid in the accompanying statement of changes in net assets available for benefits.

Prescription Rebates

Prescription drug rebates are recorded in the period to which the related claims were paid and are shown netted with benefit payments.

**ENTERPRISE EMPLOYEE BENEFITS TRUST
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2024 AND 2023**

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Obligations

The Plan's liability for incurred but not reported claims is not recorded in the financial statements until such time as the claim is made. However, such amount is estimated using historical trend and actual claims information for purposes of disclosure of benefits obligations as presented in Note C. Any differences in the estimated and actual amounts will be reported in future years.

Administrative expenses

The Plan pays administrative expenses that consist primarily of administrative fees and access fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as benefits processing fees. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America which requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE C – BENEFIT OBLIGATIONS

As of March 31, 2024 and 2023, the Plan had benefit obligations as follows:

	2024	2023
Amounts currently payable -		
Claims payable, claims incurred but not reported	\$ 827,400	\$ 429,839

Changes in the Plan's benefit obligations for the year ending March 31, 2024 and 2023 are as follows:

	2024	2023
Amounts currently payable:		
Balance, beginning of year	\$ 429,839	\$ 256,597
Claims reported and approved for payment, including benefits reclassified from benefit obligations	3,799,923	3,364,867
Claims paid	(3,402,362)	(3,191,625)
Balance, end of year	\$ 827,400	\$ 429,839

**ENTERPRISE EMPLOYEE BENEFITS TRUST
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2024 AND 2023**

NOTE D - TAX POSITIONS

The Trust established to hold the Plan's assets is a taxable trust. The plan administrator believes that no tax will be due for the year ending March 31, 2024.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. Certain administrative and professional fees, such as audit and legal expenses, are paid by the Company. During the Plan years ended March 31, 2024 and 2023, the plan administrator believes that the Plan has not engaged in any non-exempt party-in-interest transactions.

NOTE F – RISKS AND UNCERTAINTIES

The Plan's funds are held in a checking account which is managed by the Trust. At various times during the year, the Plan may have cash deposits in bank accounts in excess of federally insured limits. The Plan has not experienced any losses in such accounts, and the plan administrator believes the Plan is not exposed to any significant credit risk in this regard.

NOTE G – SUBSEQUENT EVENTS

The Plan's management has evaluated events and transactions that occurred between March 31, 2024 and January 15, 2025 which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.
