Plan Administrator  
Hope Haven Area Development Center Corporation 401(k) & Revenue Sharing Plan  
Burlington, Iowa

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Hope Haven Area Development Center Corporation 401(k) & Revenue Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 1, 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the period ended December 1, 2023 (in liquidation), the statement of net assets available for benefits as of June 30, 2023 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and December 14, 2023, and for the year ended December 14, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter - Basis of Accounting**

As discussed in Note 9 to the financial statements, the governing body of Hope Haven Area Development Center Corporation 401(k) & Revenue Sharing Plan approved a plan of liquidation on December 1, 2023, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2023 financial statements to the liquidation basis used in presenting the 2024 financial statements. Our opinion is not modified with respect to that matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Note 1. Description of Plan**

The following description of the Hope Haven Area Development Center Corporation 401(k) & Revenue Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees except for small group employment of Hope Haven Area Development Center Corporation (Organization). For salary reduction contributions, an employee is eligible to participate in the Plan when one full month of service has been completed and the employee has attained age eighteen. Salary reduction contributions begin the first of a calendar quarter. For matching and discretionary profit sharing contributions, an employee is eligible upon completion of twelve months and 1,000 hours of service and must be age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the maximum percentage allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Organization will make a matching contribution of up to 3% of annual compensation, as defined by the Plan, for each eligible participant who elects the salary deferral. The Organization may also make discretionary profit sharing contributions, as determined by its Board of Directors, to all participants who have satisfied the eligibility requirements. Discretionary contributions are subject to certain limitations. During the period ended December 1, 2023, no discretionary contributions were made. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Organization's matching contributions, and allocations of plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan allows each participant to choose his or her own investment mix for Organization and participant contributions. Participants can change their investment elections at any time.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Organization's matching and discretionary contributions portion of their accounts plus actual earnings thereon is based on years of service. A participant is 100% vested after five years of credited service.

**Notes to Financial Statements**

---

**Note 1. Description of Plan (continued)**

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant can elect when to receive a lump-sum distribution amount equal to the value of the participant's vested interest in his/her account. However, if the value of the participant's vested benefit is less than \$5,000, a lump-sum distribution will be made within a reasonable time after a participant terminates employment regardless of whether or not he or she elects to receive it.

Forfeited Accounts

As of December 1, 2023 and June 30, 2023, forfeited nonvested accounts were none and \$4,649, respectively. These accounts can be used to pay administrative expenses or reduce future Organization contributions. During the period ended December 1, 2023, forfeited nonvested accounts of \$5,732 were used to reduce Organization contributions. During the period ended December 1, 2023, forfeited nonvested accounts were not used to pay fees.

**Note 2. Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting. The financial statements as of June 30, 2023 are presented using the ongoing plan basis to value Plan assets and the financial statements as of and for the period ended December 1, 2023 are presented using the liquidation basis to value Plan assets.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction. See Note 7 for discussion on fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

**Note 2. Summary of Significant Accounting Policies (continued)**

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of participant recordkeeping, investment advisory and distributions are charged directly to the participant's account and are included in administrative expenses.

Subsequent Events

The Plan Administrator performed an evaluation of subsequent events through January 14, 2025, which is the date the financial statements were available to be issued. Except as disclosed in Note 9 to the financial statements, there are no subsequent events that require disclosure or recognition in the financial statements as of year end.

**Note 3. Information Prepared and Certified by Insurance Company**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, as follows, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock Life Insurance Company (John Hancock).

	<b>December 14, 2023</b>	<b>June 30, 2023</b>
Investments and cash	\$ 3,363,909	\$ 3,510,441
Net appreciation in fair value of investments	\$ 137,763	

**Note 4. Investment Contract with Insurance Company**

The Plan maintains an investment contract with John Hancock. The John Hancock Group Annuity Contract is a segregated investment account maintained by John Hancock with respect to a portion of its assets in connection with this contract and certain other group annuity contracts.

Assets of this variable account equivalent to the reserve for this contract will be invested in shares of the specific funds elected in the contract application. The assets of the variable account will be held for the sole benefit of all contracts. All income, gains, losses, and expenses, whether or not realized from assets held in the variable account for each series, shall be credited to or charged against the variable account series without regard to the other income, gains, or losses of John Hancock. Assets of the variable account may not be used by John Hancock to satisfy the liabilities of its general account.

**Note 5. Tax Status and Plan Amendments**

The Plan is a nonstandardized defined contribution prototype plan, adopted prototype plan on October 1, 2021, sponsored by Paradigm Benefits, LLC. The prototype plan has received a letter from the Internal Revenue Service as to its qualified status. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

Professional Standards require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan has open tax years for the three years prior to December 1, 2023.

**Note 6. Related Party Transactions and Parties-In-Interest**

For the period ended December 1, 2023 and year ended June 30, 2023, the Plan investments include units in pooled separate accounts managed by John Hancock. John Hancock is the custodian as defined by the Plan as of December 1, 2023 and June 30, 2023 and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for participant recordkeeping and investment management services qualify as party-in-interest transactions and amounted to \$13,507 for the period ended December 1, 2023.

The Plan retains Paradigm Benefits, LLC as its third-party administrator. Fees paid by the Plan for third-party administration services qualify as party-in-interest transactions and amounted to \$1,400 for the period ended December 1, 2023.

**Note 7. Fair Value Measurements**

Financial Accounting Standards Board's Accounting Standards Codification (Professional Standards) establishes a framework for measuring fair value.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Pooled Separate Accounts:* The values are based on the net asset value (NAV) of the fund, where the unit value is the result of the accumulated fair values of the underlying investments. The NAV, as provided by the fund manager, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the NAV. Participant transactions (purchases and sales) may occur daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 8. Risks and Uncertainties**

The Plan invests in various pooled separate accounts, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain pooled separate accounts, it is at least reasonably possible that changes in the values of the pooled separate accounts will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**Note 9. Plan Termination**

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in Organization contributions.

Management of Hope Haven Area Development Center Corporation, the Plan sponsor, elected to merge the Plan into the Imagine the Possibilities, Inc. 401(k) Plan, to terminate the existing Plan and to liquidate all funds effective December 1, 2023. Final distributions will be determined based on all participants being 100% vested, and will be made as soon as possible after the December 1, 2023, termination date. In accordance with generally accepted accounting principles, the Plan has changed its basis of accounting used to value Plan assets from the ongoing basis to the liquidation basis for periods after June 30, 2023.

The Plan was effectively liquidated on December 14, 2023 with terminating distribution of \$3,363,909.
