Independent Auditors' Report

To the Participants and Trustees of
BLS Trucking, Inc. Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of BLS Trucking, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of BLS Trucking, Inc. Profit Sharing Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits for the year ended June 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BLS Trucking, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BLS Trucking, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BLS Trucking, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BLS Trucking, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BLS TRUCKING, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 and 2023

NOTE A - DESCRIPTION OF THE PLAN

The following description of the BLS Trucking, Inc. Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan sponsored by BLS Trucking, Inc., and Southeast Trucking, Ltd., (referred to collectively as the Company or Plan Sponsor) and covers substantially all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The investments of the Plan are all non-participant directed.

Eligibility

Under the terms of the Plan, employees are eligible to become participants on the first day of the first month of the Plan Year following or coincident with completion of at least 1,000 hours of service over one full year and upon reaching age 21. The allowable entry date is July 1.

Contributions

A profit sharing contribution, if any, will be determined each year by the Board of Directors of the Company, at its sole discretion at the Plan's year-end. This contribution is allocated based on compensation of all participants eligible to share in the discretionary amount. Eligible employees must be employed on the last day of the plan year to receive the contribution for the year, with the exception of certain employees who are granted an eligibility waiver, are a non-highly compensated employee, and are eligible for another allocation. The Company accrued a discretionary profit sharing contribution of \$1,200,000 and \$1,000,000 as of June 30, 2024 and 2023, respectively.

Participant Accounts

Each participant's account is credited or charged with the above contributions, rollover contributions, and an allocation of Plan earnings thereon.

The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account balance.

BLS TRUCKING, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 and 2023

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Vesting

Participant vesting is based on service years. The discretionary profit sharing contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Forfeited Accounts

Forfeitures are reallocated following the date on which a terminated participant incurs five consecutive one-year breaks in service or following the date on which a terminated participant receives payment of his vested account balance. Amounts forfeited from a participant's account shall be used to restore forfeitures, reduce Company contributions (or reallocated as Company contributions), or pay plan expenses. At June 30, 2024 and 2023, forfeited, non-vested accounts totaled \$33,620 and \$51,664, respectively. During the year ended June 30, 2024, forfeitures of \$71,845 were used to fund a portion of the Company's profit sharing contribution, and forfeitures of \$8,975 were used to pay plan expenses.

Payment of Benefits

Upon termination of service, a participant may elect to receive:

- (a) A lump sum distribution equal to the value of his or her account
- (b) Equal installments over a period of not more than the participant's assumed life expectancy, or
- (c) A joint and survivor annuity

Participants may take certain in-service withdrawals if they are fully vested in their account balance. Participants may also take an in-service distribution on account of a qualified birth or adoption from the vested portion of their account upon satisfying certain criteria detailed in the Plan Document.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 and 2023

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Hardship Withdrawals

Participants may receive a distribution on account of hardship if they are fully vested in their account balance and the hardship meets criteria detailed in the Plan Document.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in interest and dividends. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

BLS TRUCKING, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses of the Plan

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan are allocated to the participants' accounts and are included in administrative expenses. Certain withdrawal expenses are paid for by the affected participant. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

New Accounting Pronouncement

Effective July 1, 2023, the Plan adopted authoritative guidance related to the accounting for current expected credit losses ("CECL"). Under the new guidance, the Plan would recognize as an allowance its estimate of expected credit losses, which would result in more timely recognition of such losses. The adoption of this standard did not have a material impact on the Plan's financial statements.

NOTE C - FAIR VALUE MEASUREMENTS

FASB ASC 820-10, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below.

Level 1: Inputs to the valuation methodologies are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodologies include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodologies are unobservable and significant to the fair value measurement.

BLS TRUCKING, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 and 2023

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Money market funds: Valued at the daily closing price as reported by the fund.

Common stocks, mutual funds and exchange traded funds: Valued at the closing price reported on the active market on which the funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's assets measure at fair value on a recurring basis as of June 30, 2024 and 2023:

	Assets at Fair Value as of June 30, 2024			
	Level 1	Level 2	Level 3	Total

NOTE D - INCOME TAX STATUS

The Company has adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by CCH Incorporated. The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the restated prototype plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended and restated since receiving the determination letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in accordance with the IRC. Therefore, no income taxes have been provided for in the financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

Certain administrative services are provided by the Plan Sponsor at no cost to the Plan, and certain administrative costs incurred by the Plan are paid by the Plan Sponsor.

The Plan's administrative expenses result from services rendered by parties-in-interest.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become one hundred percent (100%) vested in their accounts.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - SUBSEQUENT EVENTS

Subsequent events were evaluated through December 30, 2024, which is the date the financial statements were available to be issued.
