Independent Auditor's Report

To the Plan Trustees and Plan Administrator of
the Hurwitz Fine, P.C. 401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hurwitz Fine, P.C. 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of April 30, 2024, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hurwitz Fine, P.C. 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of April 30, 2024, and for the year ended April 30, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hurwitz Fine, P.C. 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hurwitz Fine, P.C. 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hurwitz Fine, P.C. 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hurwitz Fine, P.C. 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of April 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2023 Financial Statement

Management is responsible for the accompanying 2023 financial statement of Hurwitz Fine, P.C. 401(k) and Profit Sharing Plan, which comprises the statement of net assets available for benefits as of April 30, 2023, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2023 financial statement.

HURWITZ FINE, P.C. 401(K) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1.

Description of Plan

The following description of the Hurwitz Fine, P.C. 401(k) and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a safe harbor defined contribution plan with salary reduction features as permitted under Section 401(k) of the Internal Revenue Code. The Plan has adopted the Actuarial Consulting Services, Inc Non-Standardized Defined Contribution Pre-approved Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor is Hurwitz Fine, P.C., and the trustee is Principal Trust Company (Principal).

Administration - Principal provides recordkeeping services. Actuarial Consulting Services, Inc. is the third-party administrator (TPA).

Participant Contributions - The Plan provides for participant pre-tax contributions of compensation or after-tax Roth contributions, as defined, up to the maximum annual limitation allowed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Employer Contributions - The Company will make safe harbor nonelective contributions equal to 3% of eligible compensation. The Company may make a discretionary profit-sharing contribution each plan year as determined by the Company's board of directors.

Eligibility - Employees are eligible to make salary deferrals and after-tax Roth contributions after they have attained the age of 21 and completed three months of service. Employees are eligible for employer profit sharing and employer safe harbor nonelective contributions after they have attained the age of 21 and have completed one year of service and they must be employed on the last day of the plan year.

Contribution Direction - Participants direct their contributions and employer contributions into various investment options offered by the Plan. The Plan offers over 25 different investment options consisting of collective trust funds, registered investment companies, a self-directed brokerage account and a pooled separate account. Participants may change their investment allocation on a daily basis.

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) the Plan's earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their salary deferral contributions and employer safe harbor non elective contributions plus actual earnings thereon. Vesting in the Company's profit-sharing contribution is as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
After 2	20%
After 3	40%
After 4	60%
After 5	80%
After 6	100%

Employees become 100% vested in their profit-sharing contributions upon death and total and permanent disability.

Note 1.

Description of Plan (Continued)

Notes Receivable from Participants - Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Participants are limited to one outstanding loan at a time with no refinancing available. The loans, which must be repaid within five years (up to fifteen years if used to purchase a principal residence), are secured by an irrevocable pledge and assignment of fifty percent of the nonforfeitable balance in the participant's account and bear interest at a rate commensurate with commercial loans of the same type - prime plus 2%. Principal and interest are paid ratably through payroll deductions.

Forfeitures - At April 30, 2024 forfeited nonvested accounts totaled \$8,054 (\$451 - 2023). Forfeiture amounts are used to reduce employer contributions. The Company used forfeitures of \$8,027 to reduce the employer profit sharing contribution for the year ended April 30, 2024 (\$450 - 2023).

Payment of Benefits - Distributions will be made as soon as practical after a participant's normal retirement date, actual retirement date, upon experiencing financial hardship or in the case of in-service distributions, upon attaining the age of 59½. The normal retirement date is the date upon which a participant reaches age 65. The normal form of distribution at termination is a lump sum payment. Participants may receive their accumulated vested benefits held by the Plan's custodian upon termination of employment or elect to keep their vested balance in the Plan until the earlier of normal retirement age or death if their account balance exceeds \$5,000. If the participant elects to keep their vested interest in the Plan, the participant's account will continue to receive its share of earnings/losses and will be charged a portion of administrative expenses.

Note 2.

Summary of Significant Accounting Policies

Basis of Accounting - The Plan prepares its financial statements on the accrual basis of accounting and presents the fair value of net assets available for benefits and changes in those net assets in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Collective trust funds and pooled separate accounts are valued at the net asset value (NAV) of units held by the Plan at year end (See Note 4). The NAV is based on the market value of its underlying investments and is not a quoted price in an active market.

Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and custodians.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of April 30, 2024 and 2023. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits - Benefits payments to participants are recorded when paid.

Note 2. **Summary of Significant Accounting Policies (Continued)**

Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and contract administration fees are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events - These financial statements have not been updated for subsequent events occurring after January 13, 2025, which is the date these financial statements were available to be issued.

Note 3 **Group Annuity Contract**

The Plan has a group annuity contract with Principal. Under terms of the contract the Plan offers a pooled separate account fund and collective investment trust funds. Plan participants acquire investment units in the pooled separate account and collective investment trusts. The purchase price or redemption price of the units are determined daily by the trustee based on the current market values of the underlying assets of the funds.

Note 4. **Fair Value of Investments in Entities that Use Net Asset Value**

The following table summarizes investments measured at fair value based on net asset value (NAV's) per share as of April 30, 2024 and 2023, respectively which are not included in the fair value hierarchy described in note 5.

April 30, 2024	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Collective Investment Trusts	\$ 9,614,268	N/A	Daily	1 day
Pooled Separate Account	\$ 32,004	N/A	One per 30 days	1 day
April 30, 2023 (Unaudited)	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Collective Investment Trusts	\$ 8,528,141	N/A	Daily	1 day
Pooled Separate Account	\$ 13,037	N/A	One per 30 days	1 day

Note 5. **Fair Value Measurements**

Financial Accounting Standard Board (FASB) *Accounting Standards Codification* 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Fair Value Measurements (Continued)

- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
 - If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methods used to measure fair value:

Registered investment companies: The fair value of registered investment companies is based on quoted prices in active markets. Registered investment companies are classified as a Level 1 investment.

Self-directed brokerage accounts: Primarily consist of stocks, exchange traded funds, bonds, municipal bonds, registered investment companies, certificates of deposit and treasury securities and are valued based on readily determinable market prices. Self-directed brokerage accounts are classified as a Level 1 investment.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

* Refer to Note 2, *Investment Valuation and Income Recognition*, and Note 4 regarding the method of measurement used for collective investment trusts and the pooled separate account.

Note 6. **Party-In-Interest Transactions**

Plan investments are managed by Principal, the trustee of the Plan and, therefore, these transactions qualify as party-in-interest. Notes receivable from participants are considered party-in-interest.

As discussed in Note 2, the Plan paid certain expenses for administrative fees recognized by the Plan which are party-in-interest and amounted to \$39,908 for the plan year ended April 30, 2024.

Note 7. **Financial Certification**

The following financial information relating to the Plan's assets at April 30, 2024, as well as income and transactions for the years then ended, have been derived from information provided by Principal Trust Company, the trustee of the Plan, and has been certified by them as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on their certifications and has not been audited by independent accountants.

Note 9. **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer profit sharing contributions.

Note 10.

Tax Status

The Plan has adopted the Actuarial Consulting Services, Inc. Defined Contribution Prototype Plan and Trust. The prototype plan received a positive opinion letter from the IRS on June 30, 2020. The opinion relates only to the acceptability of the form of the Plan under the Internal Revenue Code. The Plan Administrator believes the Plan is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of April 30, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Note 11.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
