Independent Auditors' Report

To the Plan Administrator of
Your 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Your 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period of one year subsequent to the audit report date.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Your 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed pooled employer defined contribution plan established January 1, 2022 and sponsored by Plan Professionals, LLC (the "Plan Sponsor"). The Plan covers the employees of the various employers who have adopted the Plan (the "Adopting Employers"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility

Adopting employers may define eligibility requirements based on factors such as age, service, or employee type.

Contributions

Each year participants may contribute up to 100% of their eligible compensation into the Plan, as pre-tax or Roth deferrals, subject to the maximum allowed by the Internal Revenue Code ("IRC"). Participants who have attained the age of 50 before the end of the Plan year end are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit plans or defined contribution plans (rollovers).

Adopting employers may make matching contributions, safe harbor contributions or nonelective contributions.

Participants can direct the investment of elective deferrals and adopting employer contributions, if any, into any of the investments offered by the Plan as investment options. Participants are permitted to change their investment elections daily.

Participant Accounts

Each participant's account is credited with the participant's contribution and the matching contribution, if any, and allocations of (a) the discretionary nonelective contribution, if any, (b) Plan earnings (losses), and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their elective deferrals and safe harbor contributions plus actual earnings thereon. Vesting in the adopting employers' matching and nonelective contributions is based on years of service ranging from three years cliff to six years graded, as elected by each adopting employer. However, if an active participant dies or becomes disabled prior to completing the required years of service or attaining the normal retirement age, the participant becomes 100% vested.

Your 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The term of the loan may not exceed five years unless the proceeds are used to purchase a primary residence. Participants are only permitted to have one loan outstanding at a time. The notes are secured by the vested balance in the participant's account and bear interest at a rate of prime plus 1%. Interest rates were 4.25% to 9.50% on outstanding loans as of December 31, 2023. Principal and interest are paid ratably through payroll deductions.

Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0 and \$75,379, respectively. Forfeitures may be used to offset adopting employer contributions or to pay administrative expenses. Forfeitures of \$169,402 were used to reduce adopting employer contributions during the year ended December 31, 2023. There were no forfeitures used to pay administrative expenses during the year ended December 31, 2023.

Payments of Benefits

Upon termination of service, death, long-term disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or installment payment as decided by the participating employer. The Plan permits in-service distributions for participants who are age 59 ½ or older as well as in the case of certain financial hardship situations, subject to the provisions of the Plan document. Minimum required distributions for participants who have reached age 72 also apply per Internal Revenue Service ("IRS") regulations.

Administrative Expenses

The Plan's administrative expenses may be paid by the Plan, the Plan Sponsor, or with forfeitures, as provided in the Plan document. Transaction expenses, such as loan and distribution administrative expenses are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes there in, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Your 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contributions

Employee deferrals and adopting employer contributions are recognized on the pay date to which they relate.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant notes receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN

As noted in the independent auditors’ report, the Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Voya Retirement Insurance and Annuity Company, the custodian of the Plan. The information includes:

- Investment values as of December 31, 2023 and 2022, as shown in the statements of net assets available for benefits and the fair value disclosures in Note 4.
- Notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2023.

The Plan’s independent auditor did not perform auditing procedures with respect to information certified by the custodian.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority;
- Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and
- Level 3 inputs are unobservable and have the lowest priority.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual Funds: Valued at the quoted net asset value (“NAV”) of shares held by the Plan.

Your 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 34,259,868	\$ -	\$ -	\$ 34,259,868
Total assets at fair value	\$ 34,259,868	\$ -	\$ -	\$ 34,259,868

2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,677,184	\$ -	\$ -	\$ 9,677,184
Total assets at fair value	\$ 9,677,184	\$ -	\$ -	\$ 9,677,184

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Administrative expenses paid to the custodian qualify as party-in-interest transactions. The Plan also allows notes receivable from participants. These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – TAX STATUS

The Plan has adopted the Pinnacle Financial Services Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan. On June 30, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype plan, as then designed, was in compliance with applicable requirements of the IRC and therefore, the related trust is exempt from taxation.

Your 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

NOTE 8 – TAX STATUS (continued)

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. Management evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 9 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through January 17, 2025 the date the financial statements were available to be issued. Plan management is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
