Independent Auditor's Report

To the Board of Directors of
The Wooster Brush Company Employees' Relief Association
Wooster, Ohio

Opinion

We have audited the financial statements of The Wooster Brush Company Employees' Relief Association, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of The Wooster Brush Company Employees' Relief Association as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Wooster Brush Company Employees' Relief Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Wooster Brush Company Employees' Relief Association's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Wooster Brush Company Employees' Relief Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Wooster Brush Company Employees' Relief Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

THE WOOSTER BRUSH COMPANY EMPLOYEES' RELIEF ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

1. DESCRIPTION OF PLAN

The following description of The Wooster Brush Company Employees' Relief Association (the Association) provides only general information. The Association's constitution should be referred to for a more complete description of the purpose and operating procedures of the Association.

General

The Association is a voluntary employee benefit association (VEBA) available to all employees of The Wooster Brush Company (the Sponsor) as approved by the Association's board of directors.

Benefits

The Association's purpose is to provide a fund for the payment of benefits to its members in the case of sickness or accident.

Plan expenses

The Sponsor absorbs all costs to administer the Association.

Contributions

Sponsor employees electing to participate contribute a monthly amount determined by the Association's board of directors and approved by the participants (currently \$9.50). The Sponsor contributes 200% of the participant contributions. Contributions are suspended when the net assets equal an amount approved by the board of directors which was \$150,000 as of December 31, 2022.

2. SUMMARY OF ACCOUNTING POLICIES

Accounting method

The Association uses the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Benefit payments

Benefit payments to members are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

THE WOOSTER BRUSH COMPANY EMPLOYEES' RELIEF ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

3. PLAN TERMINATION

Under certain conditions, the Association may be terminated. Upon termination, the assets then remaining should be subject to the applicable provisions of the Association then in effect and should be used until exhausted to pay benefits to participating employees in the order of their entitlement.

4. TAX STATUS

The Association obtained its latest determination letter in 1972, in which the Internal Revenue Service stated that the Association, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Association has been amended since receiving the determination letter. Association management and the Association's tax counsel believe that the Association is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Association's financial statements.

U.S. GAAP require Association management to evaluate tax positions taken by the Association and recognize a tax liability if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or Department of Labor. The Association is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Association administrator believes it is no longer subject to tax examinations for the years prior to December 31, 2019.

5. SUBSEQUENT EVENTS
