REF No 25-02273W

This is the explanation for the delay of filing Form 5500-SF for 2023.

Clarks Tree service was signed on to the 401K program thru PAYCHEX payroll system since 2011. The 401K program was a part of the service for payroll at the time. We moved our payroll portion of their service and were forced to transfer out our 401K program (10-20-23).

The group at PAYCHEX did not notify us that the 5500-SF final return/report was needed at the time of separation. Upon talking to Arlene Olmstead (PAYCHEX) she indicated that the 5500-SF should have been sent to the new 401K provider.

The PAYCHEX 401k plan ended up having only 2 participants, (John Clark and Janie Clark). The assets from the 401K plan were distributed to the participants and 100% of the funds were rolled over to a traditional IRA.

The delay was a true oversight in the PAYCHEX system and with the help from the recent email brought light to this oversight. We ask that any penalties associated with this delay be waived.

Respectfully submitted,

John Clark
